## LAFAYETTE 7, TRINITY 5.

### Team Loses Loosely Played Game.

Lafayette won Wednesday afternoon by the score of 7 to 5. The game was practically lost in the first two innings on errors, and the whole game was marked by loose fielding. In the first two innings Ferris allowed several men to walk and made three wild throws which let in runs for the visiting team. Beginning with the third inning Ferris pitched good ball, Lafayette scoring but three runs, during the remainder of the game. Trinity hit well at times, but failed to do so when men were on bases.

Captain McKay, Kennedy, and Ferris hit very well. Kennedy obtained a long three-bagger in the sixth, but was put out at the plate while trying to score from third on a fly by McKay. On this play, Weldon, Lafayette's right fielder, made a wonderful throw to home. Kennedy also played a good game in the outfield.

Myers was the best man at bat for the visitors, getting a long two-bagger at the beginning of the game which aided in the scoring.

Although Trinity outhit Lafayette, making twelve hits to Lafayette's six, the hits were not made when most needed. Brown, of Lafayette, had six strike-outs to his credit, Ferris three.

Lafayette scored a run in the first inning when Clough scored on Myer's two-base hit. They scored again in the second inning after Martin had grounded out to Murray. Blackburn singled, Ferris made a wild throw to second, advancing Blackburn, then Ferris made another wild throw on which two men scored, and Hunt made a three-base hit, scoring another runner. Trinity obtained one run in this inning, as Ferris came home on Kennedy's single to left field. Ferris pitched well the next three innings, while runs were scored by Trinity. In the third, Schmitt reached home on Myer's wild throw to second. In the fourth Schmitt received a base on balls with the bases filled.

No runs were made by either side in the fifth and sixth innings. In the seventh, however, Martin scored again for Lafayette when Weldon grounded out to second. Brown secured another run in the same inning on a passed ball. In the last of the seventh, Trinity scored another run when Vizner reached home on Ferris' single. Both teams obtained a run in the eighth inning, Lafayette when Hunt scored on a fly by Myers to right field, and Trinity when Murray came home on Vizner's single to left. No runs were made in the ninth inning.

## TRACK TEAM AT HAMILTON.

This morning the track team started the journey to Hamilton College to hold the third dual track meet of this year's schedule. As this is also the last meet of the season, the team is especially anxious to win and have a clean sweep for the year. Hamilton is reported as having a very fast team, and won their last meet by an overwhelming score. Our team will be obliged to do its best.

Captain Crehore is expected to get some points in the distance runs, while Goldstein is almost a certainty in the sprints. Perkins looks good for the hurdles and there is little doubt but that Bjorn will show something in the jumps. Easland and Jarvis are both good men in the weights and pole vault respectively, and Hamilton will have to work hard to beat them.

The team left on the 11.16 train for Springfield. From there they will go to Utica to spend the night and go to Hamilton Saturday morning.

The following men will take the trip: Bjorn, Crehore, Easland, W. B. George, N. J. George, Goldstein, Hahn, C. P. Johnson, J. McK. Mitchell, Perkins, Schlier, Schulthiess, Toll, Williams, Maxon, Jarvis, Craig, Nordstrom, and Muller.

## TENNIS MATCH POSTPONED.

The tennis match with Springfield Y. M. C. A. scheduled for last Wednesday had to be postponed. It will probably be played on June 1 or 2.

## ATHLETIC ASSOCIATION ELECTION.

On Wednesday, May 31, and Thursday, June 1, the Athletic Association election will be held in the College Union. The voting will be by printed ballot. Wednesday the primaries will be held; Thursday, the finals. The polls will be open from 8.30 a. m., to 4.00 p. m. each day. This gives every member a chance to vote.

Attention is called to Article II, Section III: No person shall be entitled to vote or be voted for at any meeting or hold office in the Association, or to act as captain or manager of any team under the control of the Association, until his dues for the current term are paid.

The following men have been nominated by the Athletic Association Nomination Committee:

President of the Athletic Association—Jones.

Secretary and treasurer—Buffington, Grime, Hahn, C. Ives, Murray, R. C. Phillips, Pinney, and Redfield.

Baseball manager—C. Ives.

Assistant baseball manager—H. Armstrong, Evans, Horsfall, King, Patridge, and Valentine.

Track manager—Pinney.

Assistant track manager—Barber, E.M. Hyland, and Wyse.

## ROOSEVELT WINS STRAW VOTE.

### Wilson A Close Second.

The *Tripod* straw vote proved to be a neck and neck race between Roosevelt and Wilson, the other candidates getting comparatively few votes. Roosevelt led the field with 111 votes, closely pressed by Wilson with 95. The next largest number were cast for Hughes, who received 30, followed by Root with six, Benson with four, and Taft, Lansing, Brumbaugh, and Ford, with one apiece. Altogether, 250 votes were received from the graduates, undergraduates, and faculty. Only 18 students failed to ballot.

The larger part of the faculty favored Wilson, who received eight votes from them. Next in the faculty's preference stood Roosevelt, with six. Hughes received two votes from the faculty, and Root one.

As most of the faculty seemed to have rather decided opinions, some of their views are given below:

Dr. McCook—"My first choice for President is Senator Root."

Professor Rogers—"I shall vote for the only man they can put up—Wilson."

Dr. Adams—"I am for the President and his policies."

Dr. Barret—"Wilson, first, last, and forever."

Professor Barrows—"My candidate is Mr. Wilson."

Mr. Welling—"At this minute, my choice is Hughes, but probably I shall vote for Roosevelt, as I am going to Plattsburgh, where the Colonel will speak and bring me over."

Dr. Carpenter—"Wilson."

Dr. Galpin—"My choice is 'Teddy'."

Mr. Gleason—"Hughes, of course."

Dr. Stonex—"Well, Roosevelt."

Mr. Bussion—"Wilson."

Mr. Squire—"My choice is Justice Hughes, but I would vote for Mr. Wilson in preference to Mr. Roosevelt."

Professor McDonald—"Roosevelt."

Mr. Corbet—"Wilson."

Dr. Babbitt—"I am sorry, but I shall probably vote for Mr. Wilson."

Mr. Waterman—"I shall vote for any American with backbone whom they put up against the man they have now."

## BASEBALL AT TUFTS.

The baseball team left this morning for Boston where they will meet the Tufts College team. This game had been scheduled for Saturday, but the college body at Tufts is to march in a parade Saturday, making the change necessary.

Tufts has a very fast team this year, and a hard game is expected.

The following men took the trip: McKay, Kennedy, Murray, Schmitt, Vizner, Lambert, Leeke, Berkeley, Ferris, Ives, Kenney, and Brickley.

## MEDUSA ELECTIONS.

The elections to the Medusa, the senior honorary society, were held yesterday evening. The junior class was seated on the Fence, and at 7.15 the 1916 Medusa men came out from the first section, and the ceremony of "Tap Day" was conducted.

The following men were tapped:

Allen Northey Jones, of Perth Amboy, N. J. Jones has been chairman of the Sophomore Smoker Committee; vice-president and president of his class, a member of the football squad, is the secretary-treasurer of the Athletic Association; the Editor-in-Chief of the 1917 *Ivy*. He has won the Goodwin Greek Prize, and is a Holland Scholar. He is a member of Psi Upsilon.

William Wade Macrum, of Oakmont, Pa. Macrum has been assistant football manager during the past season, and is now manager-elect. He is a member of the College Senate. He is class president, and has also been vice-president. He has been a member of various class committees. Macrum's fraternity is Alpha Delta Phi.

Edward Gabriel McKay, of Norwich, Conn. He is captain of the baseball team this season, having played on it for three years. He has also run on the track team, and was on the Indoor Relay Team. He has been class president, as well as on various class committees. He is a member of Phi Gamma Delta.

Albert Newman Rock, of New York City. Rock is on the track team, and is a member of the relay team. He is the representative of his class on the College Senate. He has been president, vice-president, and secretary-treasurer of his class. He is chairman of the College Union Committee. Rock is a member of St. Anthony Hall.

Frederick Porter Wooley, Jr., of Hartford. Wooley has played on the football team for three years, and is captain for the coming season. He has been a member of the Sophomore Hop and Junior Prom, and other committees. His fraternity is Phi Gamma Delta.

## MANDOLIN CLUB ELECTS LEADER.

At a meeting of the Mandolin Club held May 24, Paul Edwin Fenton was chosen leader for the coming year. The Glee Club has not yet elected its leader nor chosen a manager.

## IVY PLANTING.

The Senior Ivy Planting took place yesterday afternoon. Acting-President Perkins was the speaker of the occasion.

The seniors planted an ivy on the eastern end of Williams Memorial Hall, instead of the customary tree. Bill Duffy, almost as essential a part of these ceremonies as the plant, gave his time-honored assistance.

## "NOW THEN TRINITY"

The baseball team has not been receiving the support that it should receive so far this year. It is an easy thing to support a successful team, but remember that it is the team that is well supported that is successful. Do your part for the baseball team.

The *Tripod* wishes to call particular attention to the letter from Professor McDonald printed in this issue. New scenery in Alumni Hall is one of the needs of the college that ought to be met, and can be met. Although there are many needs for money at this time of the year, each man ought to be able to help, and each man ought to consider it his duty to help.

### 1915 REUNION.

The Class of 1915 will hold their first reunion at Heublein's Hotel on Saturday evening, June 17. All members are urged to plan for a large gathering. It will be the first time that many have seen each other for a year, and it may be the last time that we will see each other again for several years. Make arrangements now for the big dinner. Please notify the Secretary, H. R. Hill, at the College Library, as soon as you have ascertained whether or not you can come.

### COMMUNICATION.

To the Editor of the *Tripod*:

In attempting to secure adequate scenery for the Alumni Hall stage, the Jesters are doing a thoroughly fine thing. They are showing, in the best possible way, proper appreciation of the recent gift of a new and beautiful proscenium curtain. But they are doing more; they are taking a notable forward step in the history of Trinity dramatics. Their task is a large one, and deserves the generous support of the entire student body. No one can afford to be disinterested about the acquirement of this much needed college property. It will indeed be a pity if the Jesters, because of insufficient support, only half succeed in this admirable undertaking. Push the thing through! If appropriate scenery is acquired, the new curtain will no longer laugh so uproariously at the stage, which it now does well to hide.

EDW. D. McDONALD.

### NORTHFIELD STUDENT CONFERENCE.

Trinity to Be Represented Again.

The Northfield Student Conference at Northfield, Mass., will open at 8 o'clock, Friday evening, June 23, and continue through Sunday, July 2. A larger and a better program than heretofore has been arranged for this year. Among the most notable speakers will be Bishop Charles Henry Brent, John R. Mott, Sherwood Eddy, Robert E. Speer, Fletcher S. Brockman, and Harry Emerson Fosdick. There will be special sessions for Bible study, and conferences for foreign and theological students.

The delegates from Episcopal societies in the New England colleges will come to Northfield for their annual meeting this year, being held in conjunction with the regular conference, though opening one day earlier.

A program fee of five dollars is charged all delegates. The cost of board and lodging will be thirteen dollars, beginning with supper on June 23, and including breakfast on July 3. Application for accommodation in tents, accompanied by registration fee, must be sent in by June 15, otherwise such accommodations cannot be guaranteed.

This is a splendid opportunity for the Christian man who wishes to be able to hear the great Christian leaders and to be inspired by their words to further service in the cause of Christ.

Further information may be obtained from James M. L. Cooley, President of the Y. M. C. A.

### COLLEGE NOTES.

Rev. James W. Bradin, '87, rector of St. John's Church, Hartford, will be the preacher at the Sunday morning service.

Dr. Hitti of Armenia will speak at the Vesper Service Sunday afternoon.

### INTRAMURAL BASEBALL.

The Alpha Delta Phi baseball nine defeated the I. K. A. team by a score of 22 to 2 yesterday afternoon. The game was marked by loose fielding on the part of the former. Hahn pitched a good game for the winners.

### ALUMNI NOTES.

Rev. Dr. James Stoddard.

'71—Rev. Dr. James Stoddard, who died at his home in Mount Holly, N. J., May 6, in the 67th year of his age was a son of Enoch V. Stoddard of New London; his Christian name was given to him as being the first child baptized in the present edifice of the historic parish of St. James' Church in that city. He was prepared for college at the Episcopal Academy in Cheshire; was graduated at Trinity College in 1871 and at the Berkeley Divinity School in 1874, being ordained by Bishop Williams to the diaconate in Middletown May 27, 1874, and to the priesthood in New London, June 11, 1875. For the first year of his ministry he was assistant in the parish of Trinity Church, New Haven; after which he was for two years rector of St. James' Church, Westville; for nine years rector of Christ Church, Watertown, and for six years rector of St. Mark's Church, New Britain. In 1892 he was elected principal of the academy in Cheshire, succeeding Rev. Dr. Horton who had held the office thirty years; he resigned in 1896. For a short time he was in charge of the Church of the Holy Trinity, Middletown; and in 1898 he accepted an election to the rectorship of St. Andrew's Church, Mount Holly, N. J., in which he continued for the remainder of his life. He was a member of the standing committee of the diocese of New Jersey, and had represented that diocese in the general convention. A man of scholarly mind, he had edited a series of works on literature and history. His alma mater and Yale University conferred on him the degree of Master of Arts, and he received the honorary degree of Doctor of Divinity from the University of Pittsburgh.

Dr. Stoddard's brother, Enoch Vine Stoddard, M. D., a graduate of Trinity College in 1860, was a professor in the medical department of the University of Buffalo; he died in 1908. One of his sisters was the wife of Rev. Morell Fowler, a graduate of the Berkeley School in 1860, both of whom, with their three children were killed in a railroad accident in February, 1871.

'94—At a special meeting of the board of directors held on May 23, Charles F. Weed, senior member of the law firm of C. F., and A. N. Weed, was unanimously elected president of the Boston Chamber of Commerce for the year ending May, 1917.

'11—The Rev. George L. Barnes, curate in St. John's Church, Waterbury, was ordained to the priesthood on the 16th of May by Bishop Brewster, in his home Church at Ansonia, Conn.

### 30 FOR PLATTSBURG.

Pittsfield the Leader.

Seven additional alumni have enrolled since the last list was published in the *Tripod*. They are:

Raymond Abbey, '10;

L. D. Adkins, '10;

G. D. Bowne, Jr., '06;

E. J. Donnelly, '08;

W. F. McElroy, '10;

W. G. Oliver, '10;

D. L. Schwartz, '00.

These, added to the 20 alumni and 3 undergraduates previously announced, give a total of 30, which is a very respectable showing for a college the size of Trinity. By June 1 it is expected that the total will be well up towards 50.

Pittsfield is easily the banner city, five men having enrolled from there—all members or employers of the firm of Eaton, Crane & Pike. By states, Massachusetts and New York each have eight to their credit, Pennsylvania and Connecticut 4 each, while Nebraska, Missouri, District of Columbia and New Hampshire are also represented.

### INTERCOLLEGIATE NOTES.

A curious glimpse at the effect of the war on the scientific world was afforded by the news that a shipment of four carefully screened boxes came to the Crocker Cancer Research Laboratory at Columbia early this week. They contained four mice, into which had been carefully transplanted one generation of tumor germs after another for about fifteen years in a large London laboratory. Now, however, fearing that some stray Zeppelin bomb may destroy the result of years of laborious effort, the laboratory officials have had the mice transported to the Crocker Laboratory till the war is over.

Nineteen straight victories in one year is the remarkable record of the Tufts baseball team. A year ago next Saturday Tufts was forced to drop a game to the fast Brown team in Providence, by the close score of 3 to 2. The game was stopped because of rain in the midst of a Tufts rally. Since that time, the Brown and Blue team has never come out behind.

Columbia's beloved "Van Am"—Dean Van Amringe, who died last fall after a half century of work at the university on the heights—is to be appropriately remembered. They used to sing a song about the dean—something concerning his snowy hair, his whiskers rare and his martial air "as he crosses the Quad in the morning." And now they're going to name a quad after him. Van Amringe Quadrangle, as planned by the alumni association, will occupy part of the campus south of Hamilton Hall, the home of the college. It will be graced by rows of stately trees, evergreen hedges, sunken lawns,

fountains and stone seats. Over the whole will beam a marble enlargement of the Partridge bust of "Van Am." The quad will cost about \$25,000. Leaflets describing the plan and offering to Columbia men the chance to subscribe are being mailed to alumni.

Net returns from the recent production by the Cercle Français of *Les Precieuses Ridicules* at Williams total \$175. This sum will go, as previously announced, to the relief of French soldiers who have been made blind by the war.

On May 13, in the annual regatta of the American Rowing Association on the Schuylkill River, Princeton easily won the Childs Cup, finishing about a quarter of a length ahead of the Naval Cadets. Columbia was third and Pennsylvania was fourth.

Saturday, May 20, Captain Hummer of Union College, made a new college record when he pitched a two-hit, twenty strike-out game against St. John's College.

At Purdue the freshmen are to be told about the college and its customs in a series of lectures by professors of the different schools.

Stanford will meet ten eastern and middle western colleges when her two-man tennis team plays off the schedule that has been arranged.

On May 13, Meredith, Pennsylvania's fast track man, ran his last race at home during his college career. At this time, in the meet with Cornell on Franklin Field he set a world's record for the half-mile of 1.52 1-5.

At Harvard the total number of participants in all branches of athletics for 1915 was 1847, an increase of 400 over the previous year.

Rensselaer Polytechnic Institute has developed plans for a dormitory system and dining hall which is to cost one-half-million dollars when completed.

In the triangular debates, which were inaugurated in 1909, Harvard has won three championships, Princeton two, Yale one; two have been triple ties.

In a lengthy article, Dr. Carl Russel Fish, professor of history at the University of Wisconsin, calls on the students to prepare to come to their country's aid. He says in part: "It is up to students to take the lead if the nation calls." He ends by saying: "When the nation's course has been decided, it is time for university men to take the lead in making it effective. If the country calls for men to fight, they should respond. Equally should they respond if it calls for men for the less dramatic task of preparing to fight. Aim straight. Don't be a streococcus."

On March 27, for the first time in the university's recent history, the students of the graduate courses at the University of South Carolina met and effected a class organization. This university has one of the largest graduate classes among Southern universities.

INTERCOLLEGIATE NOTES.

A committee of students at the University of Indiana is working on a plan for a student self-government system for this university. The committee is meeting with success and it is possible that some definite action will be taken at a meeting of the student body which will be held soon.

Yale seniors recently filled out their statistical blanks. The amount spent by men during their four years' course varies from \$15,000 to \$800. The average cost per man was \$4,073.

The co-ed edition of the *Cardinal*, a student publication of the University of Wisconsin, came out May 12, and nearly 2000 papers were sold. The regular subscribers did not get their papers. The men only had one page of the issue. The *Cardinal* is an eight-page paper.

A pedometer worn by the referee in the University of Chicago-Northwestern University basketball game not long ago, indicated that the official had run five miles during the evening.

The faculty of Bowdoin has decided that credit for a one-semester course will be given to students who attend the Plattsburg Training Camp, provided they take a course in military science.

The question of the abolition of all intercollegiate sports at the University of Wisconsin will probably be brought before the next meeting of the faculty of that institution.

A dry university town is to be the big issue of the campaign beginning at the University of Michigan this week. Leaders are organizing college students in every institution in the State for the big fight against the saloon.

Syracuse University is considering a plan whereby the number of activities in which one man can take part is limited. Each activity is rated by points, and a man who has received a certain number of points is debarred from participation in other activities.

Reports from Princeton indicate that the Tigers will be represented by a good team on the diamond this spring. Although Captain Greene and four other members of last year's 'varsity have graduated, there is a great wealth of new material and many of last year's substitutes. The pitching department is especially strong.

The Great American Smoke

Fall in line with hundreds of thousands of red-blooded smokers of the good old U. S. A. Smoke the cigarette tobacco that's been an American institution for three generations—"Bull" Durham. The rich, relishy, star-spangled taste of "Bull" Durham puts the national spirit of get-up-and-hustle into your hand-rolled cigarette. "Bull" Durham is the freshest, snappiest, liveliest of smokes.

GENUINE "BULL" DURHAM SMOKING TOBACCO

"Roll your own" with "Bull" Durham and you'll find a far greater satisfaction in smoking your cigarette than you ever did before.

Made of the richest, mildest leaf grown, "Bull" Durham has a delightful mellow-sweet flavor found in no other tobacco.

Men who never smoked cigarettes before are now "rolling their own" with "Bull" Durham.

FREE An Illustrated Booklet, showing correct way to "Roll Your Own" Cigarettes, and a package of cigarette papers, will both be mailed, free, to any address in U. S. on request. Address "Bull" Durham, Durham, N. C.
