PRICE FIVE CENTS

TRINITY LOST TO SPRINGFIELD Y. M. C. A. COLLEGE.

The football team suffered another shut-out on Trinity Field Saturday afternoon, Springfield Y. M. C. A. College winning the game 25 to 0. The visiting team displayed a series of smashing line attacks, brilliant end runs and long forward passes. Trinity did not at any time threaten Springfield's goal line. Captain Sermon played a brilliant game for Springfield at quarterback and made long end runs. Gayle, a halfback, was also a tower of strength with his twisting, squirming style of running, and he aimed long forward passes with deadly precision.

During the first half Trinity played a good defensive game, but went to pieces after the first touchdown, and there was little team work on either offense or defense. Lennon, as Jarvis' successor at quarterback, was not equal to his predecessor. Hyland at halfback played well until forced to retire with injuries. Captain Woolley and Breslin were the strong points on the line.

The teams were about equally matched during the first quarter and there was no scoring.

At the start of the second quarter, Springfield had the ball on Trinity's 45-yard line and Sermon, on a place kick, punted over the line. When Trinity put the ball into play on her 20-yard line, Springfield was penalized 10 yards for holding. Trinity failed to gain on three rushes and Hyland punted to Gayle on the 45-yard line. Gayle and Thorne then got the forward pass working, and two plays brought the ball to Trinity's 20-yard line. On the next play Sermon skirted Trinity's right end and went over for a touchdown. He missed the goal Score, Springfield 6, Trinity 0.

Nordstrom kicked off to Gayle on the 15-yard line and the colored player ran it back 15 yards. Springfield made the distance on three plunges, Sermon carrying the ball. Two more plunges through center were good for 12 yards. Sermon again wriggled through for 10 yards and placed the ball on Trinity's 25-yard line. Trinity finally secured the ball on her 17-yard line, after a Springfield forward pass on the fourth down failed to work. Jones and Lennon made 6 yards on end runs and then Hyland kicked to Drew at mid-field. The Springfield back eluded three tackles and made 15 yards on the run-back. Hyland was hurt and Curtis replaced him.

Springfield then got off four forward passes in succession, one of which carried. Trinity got the ball on her 40-yard line. Gayle intercepted a Trinity forward pass and made a 30-yard run. He carried the ball to the 5-yard line just as the whistle blew, ending the half.

PRESIDENT LUTHER WOULD ABOLISH LEGISLATURE FOR A LARGE STATE COMMISSION.

On Thursday evening, October 12, Dr. Luther addressed the Political Science Club on the subject of Commission Government Applied to States. He also stated that the greatest evil coming to this country is to have employers and employees forming opposing political parties.

Dr. Luther described politics as being a phase of religion, in which every citizen should take part. He made the statement that if you do not take any interest in the affairs of your state, and your country, you are not any good.

President Luther showed from his own experience in the State Senate that twenty per cent. of its members ran that portion of the legislature, and that the remaining eighty per cent. were untrained and unfitted for the position. By the time they knew something about it they were displaced by men as untrained as they were. He would advocate a commission of fifteen men elected from the State at large, with legislative powers. The term of office would be such that only one-third of them would retire at each election.

The speaker brought out the fact that legislators first go wrong by trading votes on a bill. From that they deal with lobbyists and the lower class of politicians. He stated that the only man who represented the United States at Washington was the President.

Dr. Luther said: "We could not have politics without parties," but also stated that in his opinion, the only difference between the Democrats and the Republicans was that the Democrats stood for state sovereignty and the Republicans thought first of the State and centralizing government.

In concluding, Dr. Luther said that the greatest danger to the country was the growing feeling of class division. He suggested as a remedy for this the education of the young workingman and the young capitalist to a higher comprehension of national issues.

SENIOR ASSEMBLY.

First College Dance of the Season.

The Class of 1917 held an informal assembly in Alumni Hall on Monday evening. Dancing commenced at 8.30, and continued until midnight. Refreshments were served during the evening at the College Commons.

The music was furnished by Hatch's Orchestra.

The dance was a great success and the class will in all probability hold another in the near future. There were more guests than at any of the Junior assemblies of last year. The Junior Prom. Committee of the Class of 1917 were in charge.

The patronesses were Mrs. Flavel S. Luther, Mrs. Wilbur M. Urban, from the faculty, and Mrs. Thomas B. Chapman from Hartford.

"NOW THEN TRINITY"

When a college football team does its best, when they put up a strong fight against a team which out-weighs them man to man, it does not behoove the college body to make disparaging remarks. At Saturday's game the comments heard on the bleachers and afterwards about the campus, were entirely out of place. Trinity spirit always supports the winning team, but we blush to admit that this so-called "Trinity spirit" is too often not shown in behalf of a less fortunate team.

This year's team needs your earnest support at practice, it needs your support at games. The coach is doing all he can with the material that he has, and with the support that he gets. Remember, that the embryo of today, if properly nourished, will be the highly developed organism of the future.

THE COLLEGE UNION.

One evil claimed against fraternities in general is their tendency to "localize" a man, to confine him more or less to his own "crowd". This is especially true of the Brother who does not go in

for athletics, and it hinders the Freshman Class in really getting acquainted.

Here at Trinity we believe their good qualities far outbalance the bad in fraternities, and in the system of college government we have built up around our various units. But, nevertheless, the dark side is present and a man, especially a Freshman, is liable to find his interests in college confined very largely to his fraternity, or, in the absence of membership in one of the units, college life may be to him but a little advance over his high school days.

However, in the course of human events, Trinity has evolved a means of developing the tie of friendship between the undergraduates—the College Union. Here a man meets his fellow-students on equal terms, here the broader intimacy of college life is found. And it is this intimacy you cannot afford to miss, for this is one of the college's chief excuses for existence.

It cannot be defined. It cannot be explained—it is the life, the spirit of the college, and the tie which binds our alumni.

So, Now Then Trinity! First, last and always!—and meantime, JOIN THE UNION!

MANAGERS WANTED!

The Jesters and the Musical Clubs are voices crying from the bulletin board—Managers Wanted! Come out! There will be no blaring of trumpets nor waving of banners when you are elected. But in this you are working for our alma mater as really as those who fight for her in athletics are.

Sophomores and Juniors, come out for the management of the Musical Clubs. Here is a chance to show what you are made of—a field for the labor of giants. Report to Parsons.

Freshmen, come out for the managerial positions of the Jesters. Work at something for your college. You have got to give in this world, in order to get. If you haven't got enough spirit to give for the sake of giving to the college, give the time and trouble these positions demand for what benefit you yourself derive from it.

TRACK.

Coach Harmon has posted the schedule for this week's cross-country work.

Monday—Inside curve.
Tuesday—Same.
Wednesday—Three miles.
Thursday—Walk five miles.
Friday—Inside curve.

There are about fifteen candidates at the present time. Among the new men, Anthony, Mercier and Griesinger are showing the most promise. Last year's veterans now in training for the coming Springfield meet are Carlson, Muller, Schlier, Segur and Williams.

The team needs more support, more material. Of the three major sports, track produces the least undergraduate enthusiasm. Yet it is the hardest to train for and perhaps productive of the most individual benefit. So now, you students, hard laborers in the fields of knowledge, tear yourselves away and come into the woodlands and across some brooks with the cross-country team.

Dr. Holley had been in charge of Christ Church for forty-six years. One son, Col. Alfred T. Holley, of Hackensack, a veteran of the Spanish War, survives him. Dr. Holley was born in Geneva, N. Y., March 2, 1841, was graduated from Trinity College, Hartford, in 1861, and then studied law for a year at the Yale Law School. He decided to enter the Episcopal ministry at this time, however, and after studying theology at St. Stephen's College and at the General Theological Seminary, in 1865 he was graduated from the Berkeley Divinity School. The University of Mississippi conferred the honorary degree of D. D. on him in 1880. In 1866 Dr. Holley was ordained a priest of the Protestant Episcopal Church, and after serving as rector of churches in Eltingville, Staten Island, and Christ Church, Newton, N. J., he became rector of the church in Hackensack in 1870. He was a member of the standing committee of the diocese of Newark, was president of the Johnson Free Public Library of Hackensack, and was a trustee of Christ Hospital, Jersey City, of the Clergyman's Retiring Fund Society, of the Corporation for Relief of Clergymen's Widows and Orphans, and of the Clergymen's Mutual Insurance League. Dr. Holley was a member of the Society of the Sons of the American Revolution and of the Society of the Cincinnati.

'75—Charles Platt, Jr., widely known as an insurance broker, died of heart failure while undergoing an operation in the University Hospital. While Mr. Platt had not been in good health for some time he had been able to go to his office each day and conduct his affairs until within the last week. He is survived by his widow, who, before her marriage, was Miss Elizabeth Norris,

COLLEGE NOTES.

Students are urged to purchase Union Tickets at once, from Griffith, Jackson, or Alling. After October 21, only members will be allowed in the Club rooms.

About four hundred and sixty books have been added to the library this summer, through various purchases, from funds provided for that purpose, and through generous gifts from the President and members of the faculty. Several purchases have been made from the Pynchon Alumni Fund and also from the Burgess and Alumni Funds. With the addition of these books, the library stands as one of the most completely equipped college libraries in the country.

Dr. Luther made the request that more of the Communicants of the Episcopal Church, make special arrangements to come to the 8.45 early communion service. This service was, until a few years ago, held earlier, but after several requests from students, that they be allowed to sleep later on Sunday mornings, the service was changed to a later hour, making it more convenient for the students to attend.

TRINITY vs. SPRINGFIELD.
(Continued from page 1)

Sermon kicked to Hyland on the 15-yard line at the start of the third quarter and the Trinity fullback made 10 yards toward the opposing goal. On the first play, Trinity lost the ball on a fumble and Hyland was injured again and had to be carried off the field. Springfield made five yards through center and then Gayle, with a twisting run, placed the ball on the 1-yard line. Trinity stopped the next plunge, but Whetstone went over on the next play. Sermon missed the goal. Score, Springfield 12, Trinity 0.

Sermon received Nordstrom's kickoff on the 10-yard line and made his usual 15-yard run before being downed. Springfield made the distance three times on line plunging and then Sermon dashed around end for 25 yards, for a touchdown. Mitterling tried for goal this time and the kick went over the bars. Score, Springfield 19, Trinity 0.

Nordstrom again kicked off to Sermon on the 15-yard line and the Springfield captain romped 20 yards before he was downed. Breslin recovered a Springfield fumble at mid-field and Trinity made her first forward pass, which gained 10 yards. Springfield recovered a Trinity fumble just as the quarter ended.

Starting the final quarter, Springfield had the ball on her 40-yard line and on the second play, Sermon punted, Lennon dropping the ball and Mitterling recovering it on Trinity's 40-yard line. Sermon was blocked on an attempted forward pass and then punted, the ball rolling over Trinity's line.

Trinity put the ball in play on her 20-yard line, but couldn't gain an inch against Springfield's line. Springfield held for downs and Sermon made 15 yards through tackle. Gayle carried the ball to Trinity's 10-yard line and Sermon placed it on the 7-yard line on the next play. Sermon then squirmed through for an easy touchdown. Mitterling missed the goal. Score, Springfield 25, Trinity 0.

Sermon took Nordstrom's punt on his 20-yard line and raced back 20 yards. Sermon punted over Trinity's line and the home team put the ball in play on her 20-yard line. Lennon

tried a forward pass, but Springfield intercepted it. After making first down through the line, Springfield was penalized 10 yards for holding. Breslin then intercepted a forward pass from Gayle on the 25-yard line, Trinity gained but little on three downs and Curtis kicked on the fourth down, when time was called.
