TRINITY BEATEN BY YALE

**NORDSTROM AND HYLAND GIVE
BRILLIANT EXHIBITION OF
KICKING.**

Trinity's football team suffered the first defeat of the season Saturday afternoon, when the Yale Informal eleven won by a score of 7 to 0. The game was played in the Yale Bowl. Neither team showed a strong offensive; both exhibited an almost impenetrable defensive. After the fatal five minutes when the Eli warriors marched down the field for thirty yards by line plunges, not another consistent gain could they make through the Trinity line. Hamill kicked the goal after the touchdown and the game ended with Yale on the long end of the 7-0 score.

The second half of the game developed into a kicking duel between Shepard and Hyland for Trinity against Borders and Stradella for Yale, with the honors for Trinity. Shepard's boots were long and high and frequently drove the play far back into Yale's territory. Hyland's kicks were the brilliant features of the game. Captain Nordstrom showed the spectators a feat that has not been seen on Yale Field since the days of Pumpelly, when he raised a long drop kick from the fifty yard line. The ball went but a few yards wide.

Trinity's supreme effort to score occurred in the final minute of play, following a sixty-yard punt by Hyland behind the Yale goal. Stradella's punt was blocked, but that player recovered the ball at the Yale five-yard line, averting a touchdown. Dropping behind the Yale goal line to punt, Stradella met the final crisis. His kick to the thirty-yard line might have resulted in a field place goal for Trinity, but the Blue and Gold disdained the three points possible in the hope of shooting a touchdown during the final scrimmages of the game.

First Period.

Captain Nordstrom won the toss. Hamill of Yale kicked to the Trinity five-yard line where Lynch caught the ball and raced back ten yards before being tackled. Trinity could make no impression on the Yale line, so Hyland booted to the home team's forty-five yard mark. Yale made two first downs through the Trinity line and brought the ball to the visitor's thirty-yard mark. Here the Hartford men held and Yale lost the ball when a forward pass tried on the fourth down proved unsuccessful.

Again the Trinity backs were sent hurling at the Yale line, and again the opposing forwards hurled them back for losses. Trinity kicked and Eli returned the compliment. Then,

LYNCH MADE CHAIRMAN OF SOPHOMORE HOP COMMITTEE.

Members of Committee Chosen.

The Sophomore Hop will be held in Alumni Hall on Friday evening, December 7. Harold V. Lynch has been made chairman of the Sophomore Hop Committee. The other members of this committee are as follows: F. R. Hoisington, Jr., A. P. Bond, G. G. Ramsay, K. K. Walker, S. M. Griffin, F. R. Fox, R. P. Pressy, R. F. O'Hearn, J. A. Nichols, C. A. Harding.

standing on the fifty-five yard line, Captain Nordstrom dropped back for a drop kick. It seemed certain that the ball would pass between the uprights, but it went wide of the bars by a narrow margin. Yale was given the ball on the twenty-yard line and failing to advance, Border kicked to Trinity's thirty-yard line, when the New Haven men recovered the ball on Lynch's fumble.

Second Period.

By a series of short line plunges Yale worked the ball down into the shadow of the Trinity goal. Steward did the lion's share of the work, aided and abetted by Reinhart and O'Connor. With the ball on the Trinity five-yard line, Steward crashed between center and left guard for the only score of the day. Hamill kicked the goal.

Nordstrom kicked off. O'Connor, the Yale quarter-back, ran the ball back ten yards before he was caught. Yale failed in an attempt to start another parade through the Trinity line. Fumbles now began to be frequent; one being counted for Yale and two for Trinity. The period closed with Yale again looming up as dangerous.

Third Period.

After Captain Nordstrom had kicked to the Yale ten-yard mark Borders punted. Play was resumed on the Trinity forty-yard line, Eli having the ball because of a Trinity fumble. No gains could be made through the line of the Hartford collegians so Border kicked. Lynch caught the ball and raced back ten yards.

Trinity now resorted to the aerial game. On a spread formation two

passes were attempted without success. In this period Jackson and Murtha were injured but both refused to quit the game. Shepard kicked to Yale's ten-yard line, and Border kicked back. Shepard repeated. The ball went behind the Yale goal line as the quarter ended.

Fourth Period.

A punting duel was now started in earnest. With the ball on its twenty-yard line Yale could gain nothing through the Trinity line. Stradella lifted the ball to Trinity's forty-yard line. Lynch caught the ball and eluding several Yale tacklers carried it back for fifteen yards. Trinity also failed to gain either through the line or around the ends and so Hyland kicked to the Yale ten-yard line. Stradella again booted. Harold Lynch gained twenty-five yards. The Blue and Gold failed to gain. Shepard kicked behind the Yale goal line.

When Stradella attempted to kick out of danger, Shepard blocked his boot, but the former dropped on the ball before a Trinity man could arrive on the spot. Stradella dropped behind his own goal line for the first time and kicked the ball to the thirty-yard mark.

Hyland shot a forward to Ramsay that was good for seven yards. Reinhart intercepted a pass at Yale's twenty-yard line. Stradella's punt was only good for ten yards, the ball going to Trinity on the thirty-yard mark. Lynch's end run was unsuccessful; and two tries at the line also failed. On the final play of the afternoon Nordstrom attempted another try at a drop kick, but failed.

REVIEW OF MILITARY WORK

**UNDERGRADUATES TO HAVE
UNIFORMS.**

After drilling three hours a week through a period of six weeks the college battalion shows marked improvement. Captain Davis has put both companies through a rigorous training.

In order that the students should become thoroughly familiar with the close and extended order movements, frequent tests have been given on specified sections of the manual. The majority of the men found it difficult to express in words the various movements which they were actually practicing on the field. It is evident that one may be well grounded with regard to the regulations governing the drill, and yet be wholly unable to apply that knowledge.

A change in the personnel of the battalion was recently made. Both companies have been re-arranged considerably, the change embracing the appointments of permanent officers.

The officers of the first company are: Captain H. W. Nordstrom, '19, Lieutenant E. G. Armstrong, '19, Second lieutenant S. S. Jackson, '20, and Second lieutenant W. Shepard.

The officers of the second company are: Captain I. E. Partridge, '19, Lieutenant H. T. Barber, '19, and Second lieutenant H. S. Beers, '19.

Captain Davis has arranged for the purchase of uniforms. The uniforms are to be light gray, throat cut in the English style. The men are to have the regular officers' cap instead of the fieldhat.

Regulation as to when and where they may be worn will be made known shortly.

**LECTURE BY MISS MARY T.
BLAUVELT.**

The Political Science Club will be addressed by Miss Mary T. Blauvelt, a teacher at Miss Porter's School, Farmington, Conn., on next Thursday evening at 8 o'clock in the Public Speaking Room. She will lecture on "Cabinet Government in England." The speaker is an authority on that subject.

**TRINITY TO MEET VERMONT
INFORMALS.**

Trinity's football team will meet the informal eleven of Vermont University on Trinity Field next Saturday afternoon.

"NOW THEN TRINITY"

A NEW WAR LAW.

The chief business of this nation is the successful prosecution of the war. No more important work is before the country than to protect the people from the results of the German spy system and propaganda.

The American Defense Society, an organization which has been waging a successful campaign throughout the entire country against various forms of pro-German activities, requests the support of all loyal and patriotic citizens so that it may present the following petition to Congress:

"Whereas the security of the United States and the success of our arms are endangered by the activities of disloyal persons and organizations within the borders of our country, we, citizens of the United States, do hereby petition the Congress of the United States to enact forthwith a law imposing punishment upon all persons or organizations responsible for pro-German activities, or for the publication of public utterance of statements tending

To impede or interfere with the operations or success of the United States in war, or in recruiting or enlistment, or

To hold the Government of the United States or any of our allies up to ridicule or obloquy, or

To cause disloyalty or refusal of duty on the part of any person in connection with the war."

Copies of this petition will be circulated by members of the student body. We urge every member of Trinity College to sign this petition.

J. N. IVES IN FRANCE.

Former Football Player Describes Work of the Y. M. C. A. for Sailors.

A description of some phases of the work which the Y. M. C. A. is doing for sailors in France is given in letters written from Paris by John Norton Ives, '16. His reports of this work are as follows:

"We have been quite busy caring for sixteen American sailors who were saved from a torpedoed United States merchant ship. Ten were lost. The men were lodged and fed by the Y. M. C. A. The navy depends upon us for almost everything in the way of comforts for their men on land.

Another ship was sunk the other night in a storm out in the Bay of Biscay and we provided for her crew of forty men.

Occasionally we go to sea—three days at a time—to be sailors, live with the sailors, and take the same risk that they do.

As civilians on board we wear the blue jacket uniform and when not seasick clean decks, stand watch, etc. The yachts which convoy us toss around in the heavy seas like corks. It is hard work, and some of our finest college men are doing it.

On one trip a dozen ships laden with valuable cargo were being convoyed. We lay at anchor all one night, having received a wireless message that submarines were in wait. The ships were brought safely into port the next evening.

Keeping the vision of the principle of the Y. M. C. A. work before us—we appreciate the sailors' hardships and know the men better.

The Y. M. C. A. is operating a huge hotel for the American soldiers and sailors who come to Paris on leave. It is beautifully furnished and the rates are reasonably low for room and food.

I have had some very pleasant experiences here. Mr. Briggs, the assistant librarian of the new Harvard Library, and for three years Trinity's head librarian while I was there, is now Chief Librarian for the Y. M. C. A. in France.

I am meeting men continually who went to Trinity, or who know Trinity men.

VESPER SERVICE.

F. D. Wisher, an instructor at the Hartford Public High School, will speak at the Vesper Service in the College Chapel next Sunday evening at 5 o'clock.

LECTURE BY PROF. DEWEY.

The students and faculty of the college have been invited to attend a meeting of the Educational Club of Hartford which will be held at the Center Church House at 8 o'clock, Friday evening, November 23. Professor John Dewey of Columbia University will speak on "Knowledge and Restraint" at this meeting.

RESULTS OF THE REGULAR ARMY EXAMINATION HELD IN JULY.

As a result of the July examination commissions as provisional second lieutenants in the regular army have been issued to 2,582 men. These men are drawn from three general classes as follows: Enlisted men of Regular Army, members and officers of National Guard Units, 110; honor graduates of distinguished colleges and members of Officers' Reserve Corps, 359; and from civil life, 2,113. Assignment to arms will be made in the proportion of Infantry, 1,286; Cavalry, 433; Field Artillery, 314; and Coast Artillery, 549.

War Department Ruling in regard to Enlisted Men receiving Commissions in the Officers' Reserve Corps.

To Department Commanders:

"You are authorized to discharge any enlisted man who receives a commission in an organization in Federal service, provided the commission automatically places him on duty as an officer. The discharge should be as of date prior to the date of acceptance of commission. In case an enlisted man is commissioned in the Officers' Reserve Corps, the soldier is authorized to accept the commission, but will not be discharged until ordered to active duty. When so ordered, he will be discharged as of the date preceding the day he starts to obey the order. Your command will be advised accordingly and no applications for authority to discharge enlisted men for the purpose indicated above will be sent to the War Department."

ALUMNI NEWS

In order to make this department the clearing house for Trinity service news throughout the war, "The Tripod" must depend in large measure upon the interested cooperation of its readers. The Alumni generally are, therefore, cordially requested to make use of this department regularly for the publication of war-time information concerning their friends and themselves, which will appear as space limitations permit. Personal items, letters or other literature growing out of the war, not excepting matter already published, and pictures of Trinity interest are desired at all times. The Alumni Secretary is working conjointly with us in this department and communications may be forwarded to Mr. C. A. Johnson, Trinity College, Hartford, Conn., or to "The Tripod".
