S. A. T. C. DISBANDED

MILITARY BALL AND FAREWELL DINNER.

Although false hopes and false fears were raised many times during the last few weeks of last term by rumors that the Trinity unit of the Students Army Training Corps was to be mustered out at one time or another, the act which transformed the "college on the hill" to just a plain college, after over two months as an army post, took place about four o'clock on the afternoon of Saturday, December 14.

The last week-end, which, although without the rush to get everything into trim for inspection, was none the less a very busy one, started Friday afternoon at one o'clock. At that time, the battalion held their final parade. The following orders were read:

Headquarters S. A. T. C.,
Trinity College, Hartford, Conn.,
December 13, 1918.
General Order No. 5:

1—Demobilization of the Students Army Training Corps Unit having been ordered by the Secretary of War to be completed between the 4th and 21st day of December, 1918, all enlisted men whom the surgeon certifies as physically eligible for discharge will be discharged tomorrow, December 14, 1918.

2—The commanding officer takes this opportunity to express his high appreciation of the unfailing loyalty, devotion, zeal and attention to duty displayed by both officers and men, and his entire satisfaction with the rapid progress that has been made in training, discipline and esprit de corps.

It is with genuine regret that he parts with the members of the Corps, and he extends his heartfelt wishes for their happiness and success in life.

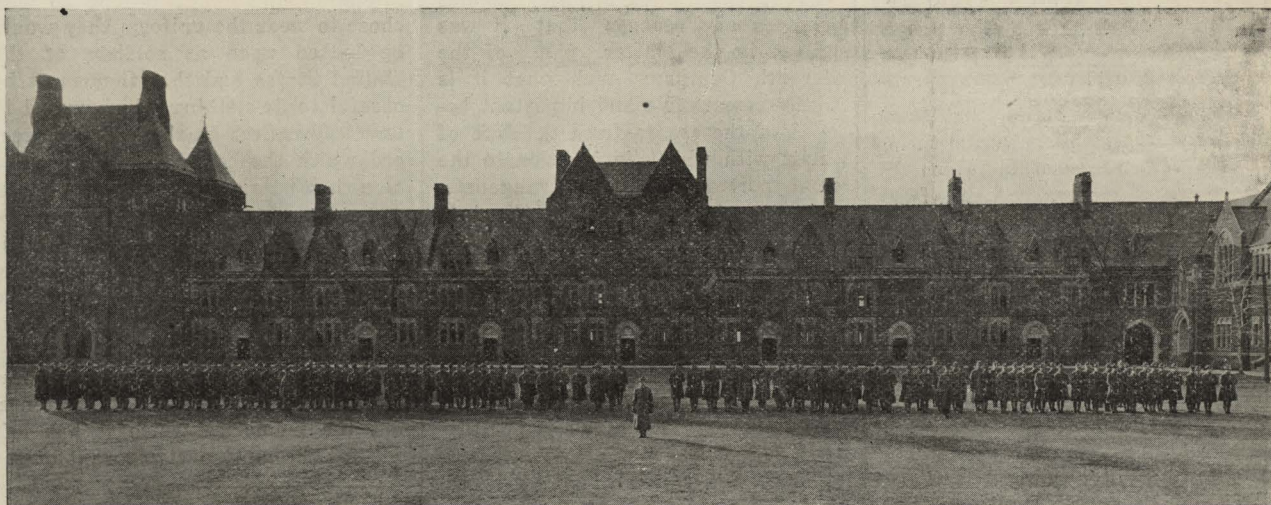

CALVIN D. COWLES,
Colonel, U. S. Army, retired,
Commanding.
Memorandum Order No. 38.

1—The marching and fine soldierly appearance displayed by the Students Army Training Corps in the Britain Day Parade at Hartford, Saturday, December 7, was of such a nature as to elicit general commendation. The commanding officer wishes to say that he was highly gratified with their performance on that occasion.

By Order of Col. Cowles,
James E. Lucey,
2nd Lieut. Inf., U. S. A.
Adjutant.

Immediately after the reading of the orders the men handed in their rifles, handling for the last time the "piece" that for some of them had meant extra passes and for more of them had meant extra duty, and for most of them had simply been so much more weight to carry around at drill. The men were then free for the afternoon, save for signing some papers and undergoing physical examinations.

Friday afternoon, guard was mounted for the last time. Friday night came the first and last social event of the "Post", the military ball. There were about a hundred couples

REV. DR. JOHN T. HUNTINGTON DIES IN 89th YEAR.

The Rev. John T. Huntington, D. D., a graduate of the College in the Class of 1850, died at his home in Hartford on Saturday, January 4, 1919. He was the oldest living graduate of the College.

Dr. Huntington was born January 30, 1830, in New Milford, Connecticut, where for many years his father, the Rev. Enoch Huntington, was Rector. In College, Dr. Huntington was a member of the Alpha Delta Phi Fraternity. He was elected to Phi Beta Kappa in his Junior year, and was graduated as Valedictorian of his Class. In 1853, he was graduated from the General Theological Seminary in New York, and for three years was Curate in St. James' Church, Philadelphia. From 1856 to 1862, he was Rector of St. John's Church in New Haven, and from 1862 to 1864, Rector of St. John's Church, Great Barrington, Massachusetts. In 1864, he was chosen Professor of Greek in Trinity College, resigning in 1878 after fourteen years of service. Soon after beginning his service as a Professor in the College, he had organized a Sunday School, from which grew St. James' Church. Dr. Huntington served as Rector of the parish for a year or two about 1870; during the year of his Professorship, he also served for a time as Rector of St. James' Church, West Hartford, and for a time was in charge of Christ Church.

From 1878 to 1912, when he became Rector Emeritus, Dr. Huntington served St. James' Church faithfully and well, and developed it into a prosperous parish. Some years ago, he presented a Parish House to the Church. In 1910, the College conferred on him the degree of D. D. He became Vice-President of the Phi Beta Kappa in 1889, and President in 1905.

Dr. Huntington leaves two children, the Rev. Dr. Harwood Huntington, of

COLLEGE SMOKER.

A big time in honor of Trinity's returned service men is to be given at the "Union", Wednesday evening at eight o'clock, by the Alumni Council. Good smokes, good eats, good speakers. All undergraduates invited. Don't fail to be there.

FOUR TRINITY MEN CITED FOR BRAVERY.

Capt. E. T. Smith Decorated for Bravery.

Captain Ethelbert T. Smith, '13, who was in charge of the Division of the American Ambulance Corps which went to Italy last May, has been recommended for decoration for special bravery under fire. During the two days' terrific fighting on the Italian front in the latter part of October, with only twelve ambulances at his command, he rescued 2000 wounded under circumstances of extreme peril. It is reported that although he took absolutely no precautions for his own safety he escaped uninjured.

Captain W. E. Barnett Receives Third Citation.

Captain William E. Barnett, '15, who has for some time been Acting Major of the 1st Battalion, 104th Infantry, 26th Division, has received for bravery a Croix de Guerre with a star. He was in the thick of the fighting at Seichprey, Chemin des Dames, Chateau Thierry, St. Mihiel, and in the Argonne Forest, being promoted to the rank of Captain about November 1, and receiving two other citations. He is one of the very few of the original men of the 104th Infantry.

the Class of 1884; and Charlotte Elizabeth, wife of the Rev. Frederick J. K. Alexander, Rector of Grace Episcopal Church, Hartford, Conn.

TRINITY MEN WOUNDED IN ACTION.

Private N. M. Pierpont Returns from France.

Private Nathan M. Pierpont, '16, of the Sixty-fifth (Pioneer) Regiment, who was reported on the casualty list of December 25, as wounded severely, returned to his home in Waterbury on December 28. He arrived at New York on the previous Monday on board the U. S. S. Cedric. He was struck while waiting for the order to go over the top in the early morning of October 17. A piece of an overhead shrapnel shell struck him just below the eye and tearing its way through his upper jaw, tore two teeth from the gums and lodged in his throat. After receiving first aid treatment behind the lines, he was transferred to a casualty clearing station at Roisel, France. From there he was sent to an army hospital at Rouen, and finally to a hospital in Birmingham, England, where he remained for seven weeks before he was chosen to return home. He has already returned to New York, where he will receive further treatment.

Lieutenant H. B. Thorne.

The casualty list of December 19 includes the name of First Lieutenant Harold Benson Thorne, '16, as wounded severely. His relatives were notified some weeks ago that he had been wounded early in October, and they have since heard that he has recovered sufficiently to leave the hospital. Although his recovery is not yet complete he is confident that his trouble will gradually disappear. It is thought that he was wounded during the heavy fighting in the Argonne. He is attached to the 315th Machine Gun Battalion, 80th Division, American E. F.

"NOW THEN TRINITY"

We have been sending "The Tripod" regularly to all Trinity service men since the beginning of the year at a considerable expense. This expense has been defrayed to a certain extent by the "Tripod" War Fund, and we take this opportunity to heartily thank those who contributed to this fund for helping us in our attempt to keep every one of our boys in touch with Trinity.

We are sorry to learn from some of those who have returned from service that they have not been receiving their copies regularly, and in some cases have not received a single copy. We wish to state that we are sure that one copy for each Trinity man in the service has left Hartford every week since our first issue this year bearing the best address we had for him. We have investigated all the cases reported and find that the non-receipt of "The Tripod" must have been due, not to the inaccuracy of our addresses, but to miscarriage in the mails.

We sincerely regret to announce the death of Mrs. Paul M. Butterworth. Mr. Butterworth was formerly Treasurer and is now a director of "The Tripod" Inc.

DR. MORGAN'S RECENT GIFT TO THE LIBRARY.

President Luther has received for the College Library from J. Pierpont Morgan, LL.D., 1918, a copy of a rare and beautiful work entitled "Gospels of Matilda, Countess of Tuscany, 1055-1115." The volume is of folio size and is most artistically printed and bound—printed at the Oxford University Press and bound by Riviere & Son in full red morocco, handsomely tooled. The book was privately printed by Mr. Morgan for presentation to the President and members of the Roxburghe Club in fulfillment of the intention of his father, the late J. Pierpont Morgan, who was elected a member of the Club in 1912, its centennial year.

The volume contains an Introduction by Sir George Warner, D. Litt.,

late Keeper of Manuscripts in the British Museum, together with nineteen plates of gold and color and twelve in monochrome. The plates are reproduced by a photographic process from the Manuscript in Mr. Morgan's Library, and are wonderfully well done.

We learn from the Introduction that the Manuscript was presented to the Monastery of San Benedetto di Polirone by Matilda, the famous Countess of Tuscany; that it was written in the latter part of the Eleventh Century; and that it is chiefly remarkable and important because of the scenes from the Life of Christ with which, in addition to the usual portraits of the Evangelists, decorative initials, etc., the Gospels are illustrated. These scenes from the Life of Christ are most important for the study of early Italian Art, for which specimens of so early a period are rare; there are thirty-one of them all reproduced in exact facsimile.

The text of the Gospels is not given in full, since it is not of particular interest, but sufficient of it is reproduced for paleographic study.

Altogether this rare and beautiful work would be a valued possession in any library, and is an interesting addition to the collection of manuscripts and reproductions of manuscripts in the College Library.

present at the affair, which was held in Alumni Hall. The military staff including Colonel Cowles and Major Tracy were present. Costello's Jazz Band furnished the music and the affair was chaperoned by Prof. and Mrs. E. A. Humphrey, Prof. and Mrs. W. M. Urban and Prof. and Mrs. G. A. Kleene. There were a number of the alumni among the guests.

Saturday noontime the mess hall was fittingly closed after a turkey dinner with all the fixings. The faculty, the military staff and others were the guests of the Corps. At the close of the meal, President Luther made a short address, thanking the men for the meal and pointing out to them the advantages which the military training they had had would give them in after life.

Col. Cowles was then called on. He spoke feelingly of the natural desire of all the men to get across and get a chance at the Hun and also told them that they would prove the soldierly qualities which had been so evident in them by accepting as true soldiers such a choice as the one now thrust upon them. He stated that the experience which he had had as commander of the post had been a unique one in his army career of more than half a century, and that during that time he had never seen soldiers take more readily to military life or prove more adept at drill. In closing, he used the words with which the men might have been sent or might have sent others over the top within the next few months had not the armistice been signed—"With the Best of Luck." The applause was tremendous.

After dinner the men were marched to Alumni Hall and paid off. The

final act came when the two companies were lined up each in front of its own barracks in the steaming murk of the latter part of a cloudy afternoon. Each company commander, Lieut. Lewis A. Crook for Co. A, and Lieut. Frederick Bauer for Co. B, briefly but feelingly addressed the men, offering their friendship, thanking the men for the excellent spirit which they had shown and at the last, reminding them that as long as they chose to wear the uniform they would be looked upon as soldiers of the United States and that they must be careful to do nothing which would in any way reflect on the excellent record which the corps had made. The men then passing in front of the company commander in single file, received their discharge papers and other literature, including a copy of the final orders of the corps and also some information regarding army insurance.

The Trinity Students Army Training Corps had passed out of existence, but the memories which it has left are for the most part pleasant ones.

try who have survived, having escaped wounds of any kind up to the signing of the armistice. When last heard from, he was at a Rest Camp near Langres, France, some distance below Verdun, and at that time, he had hopes of being home in the early part of this month.

Lieutenant J. H. Pratt.

Second Lieutenant John H. Pratt, '17, of the Forty-seventh Infantry, has received a Distinguished Service Cross for extraordinary heroism near Bazoche, France, August 7 to 9, 1918. The official citation was as follows:

"Lieutenant Pratt was untiring and fearless at all times in performance of his duty as liaison officer. Under heavy fire he made three exceptionally hazardous trips with messages of vital importance, when other means of communication had failed, volunteering for this service."

Lieutenant Pratt is now with Supply Company, 47th Infantry, American Expeditionary Force, 4th Division. His regiment has received orders to proceed to the Rhine and he is probably now in the vicinity of Coblenz.

Lieutenant R. V. K. Harris Cited for Third Time.

Word has been received from the War Department that Second Lieutenant R. V. K. Harris, '18, of the 306th Brigade Tank Corps, U. S. Infantry, has been cited for bravery by the French government. This is the third time that he has received a citation for bravery. He received the Croix de Guerre for distinguished service at "Shrapnel Valley." Last May, Lieutenant Harris was wounded and gassed at the same time and he was confined to a hospital for several weeks. In October he was cited for bravery at Montfaucon.

FRESHMAN BASKETBALL TEAM BEATEN.

The freshman basketball team, hastily organized immediately after the disbanding of the S. A. T. C., with only one week of interrupted practice, was defeated by the Hartford Public High School quintet at the Hartford High School gymnasium, Friday,

December 20. The final score was 42 to 22. The game was not as bad, however, as the score would indicate, for the freshmen played a good game in the second half. In the first half they allowed the High School players to pile up 22 points to their 6. This can be attributed for the most part to the newness of the team and their lack of familiarity with the floor.

With practice, the freshman team should be one of the very best that has ever represented the Blue and Gold on the floor. In Captain Pierpont the team has a player of championship calibre. Nordlund, while not so spectacular in offensive work, is a wonderful man on the defense, and with the better development of team work, the team will be a combination that will be very hard to beat.

The lineup and summary:

Pierpont (Cap't) RF Cohen
O'Hara LF Suisman
Johnson C Dodge
Nordlund RG Layland (Cap't)
Tansill LG Wolfe

Goals from the floor—Pierpont 5, O'Hara 3, Johnson 1, Suisman 3, Layland 3, Cohen 2, Wolfe 1; goals from fouls—Layland 10, Pierpont 7; referee, Dillon; timers, Dwyer and Kendal; time of halves, twenty minutes.

In College, he was a member of the I. K. A. The greater part of his ministry, after his ordination to the Priesthood in 1853 by Bishop Kemper, was spent in missionary work in what was then the West—Wisconsin, Illinois, and Michigan.
