REGULAR MEETING OF BOARD OF TRUSTEES.

Committee on Election of President Reports Progress.

The regular meeting of the Trustees of Trinity College was held last Saturday. The committee to choose a permanent president reported progress. Physical training was discussed and it was stated that the present system of training for the four classes would remain. The trustees present were William C. Curtis, '75, Sydney G. Fisher, '79, Robert Thorne, '85, George D. Howell, '82, E. Kent Hubbard, '92, Wm. G. Mather, '77, Samuel Ferguson, '96, Shiras Morris, '96, Edgar F. Waterman, '98, Charles G. Woodward, '98, and Acting President Henry A. Perkins. The next stated meeting of the Board of Trustees is in April.

WIRELESS TELEPHONE IN JARVIS LABORATORY.

Professor Perkins and Tuska, '19, Conducting Experiments.

Professor Henry A. Perkins, in conjunction with Clarence D. Tuska, '19, has erected a wireless telephone apparatus in the Jarvis Physics Laboratory and they have the telephone working so that messages can be readily sent from one room in the laboratory to another. It is planned to set up stations on opposite sides of the campus and test out the apparatus over a greater distance in the near future. The apparatus with which the experiments have been made has a range of about ten miles.

During the week the wireless antennae, belonging to the wireless department of the college, will be set up between Jarvis Laboratory and Boardman Hall. If the half course in wireless is given this year, it is likely that Tuska will teach it. He studied at Trinity for two years and went into the army, being an instructor in wireless at a signal corps camp in Texas. Before the war he published a paper devoted to the interests of wireless amateurs and was active in the Relay League, an organization of amateurs through which messages were relayed from one operator to another, the continent being spanned in this way. The government restrictions of amateur wireless sending and receiving have now been removed.

Freshman Bible.

The "Freshman Bible" staff has been organized with R. D. Byrnes, editor-in-chief; J. M. England, business manager, and M. D. Graham, secretary. The work was assigned as follows: Puels will cover undergraduate activities; Clapp, athletics, and Hungerford, the faculty.

TRINITY DEFEATS WORCESTER

BRUCE, LYNCH AND PIERCE SHINE IN 20 TO 7 VICTORY.

Trinity downed Worcester Tech Saturday at Worcester, 20 to 7, outplaying the Worcester team in all departments of the game. Trinity went in the game with lots of fight and the outcome was never in doubt. The Blue and Gold eleven threatened the other goal all through the game. The Trinity team was handicapped by the loss of Breslin and Foley and injuries received during the game compelled the retirement of Dolan, Miller and Jackson. Breslin was on the sidelines and too much credit cannot be given to him and Coach Shepherd for the spirit which they instilled in the team.

Hicks was playing his first game at center and, while one of his passes paved the way for Worcester's only score, he played good football. Miller was injured so that he was unable to finish the game, but played a good game while he was in the lineup. The big offensive star of the day was Bruce. He ripped wide holes in the Tech line and tore around the end for long gains time and time again. He took the ball over the line for the first score, dodging between two defensive halfbacks by such a narrow margin that they crashed into each other.

The second Trinity score came in the same period—the second—when Johnson came in and blocked a kick and Pierce grabbed the ball, loped along, shaking off would be tacklers until he tripped over the goal line. The last score came in the final period when Worcester desperately threw a forward pass and Tenney intercepted and ran fifteen yards for a score.

Lynch ran his team in a brilliant fashion and easily outkicked his opponent. Jarvis and the other backs played stellar football all through the game. The ends especially Black, were a big factor in cutting down Worcester men, stopping end runs for losses many times. Dolan and Jackson starred on the defense, making a practically impregnable wall against which Worcester backs threw themselves only to bound back.

The game opened with Johnson sending a beautiful kick to Needham, who ran it back from his five to his twenty-five yard line. Trinity took the ball on downs and when they failed to gain, Jarvis tried to drop kick. A Worcester man caught the ball on his five-yard line and ran it back twenty yards. Needham was forced to punt, Lynch getting the ball on his twenty-yard line. He fumbled but recovered with no gain. Offside penalties prevented Trinity from making it a first down and Lynch punted to Worcester's twenty-five

yard line, five yards being made on the run back. Worcester made first down, but when the Trinity line held and the Blue and Gold received the ball on downs. Trinity lost more ground on offside penalties and Lynch punted, Tansill getting the man on his twenty-yard line without his having gained an inch. Worcester fumbled and Trinity recovered, eighteen yards from her opponent's goal. Hicks made a bad pass and the ball rolled well into Trinity territory, accelerated by ill-aimed dives by various players of both teams. White of Worcester finally recovered the ball and rushed it over for a score. Manning kicked the goal. Johnson kicked to Worcester's five-yard line and Dexter ran the kick back five yards. With six minutes to play, Worcester kicked to Lynch and he ran the ball back to Worcester's twenty-yard line. Line plunges by Jarvis and Lynch gained, and then Bruce shot between tackle and guard for Trinity's first score. Johnson's boot added another point. Then his kickoff was run back to Worcester's twenty-yard line. Tech was forced to punt and Lynch got the ball to his forty-yard line. Bad passes lost ten yards and Lynch kicked to Worcester's thirty-yard line. The home team could not gain and Johnson blocked its attempt to kick, Pierce recovering the ball and scoring. Johnson missed the goal. Worcester kicked to Trinity, Hicks getting the ball and being downed on his fifteen-yard line. Trinity made a first down and brought the ball to her thirty-yard line. Time was called before Trinity had a chance to run off more than one play.

Johnson kicked off to Worcester at the beginning of the second half and the rival team put the ball in play on her twenty-five yard line. She made two first downs in succession, but the brilliant work of Black and Jackson set the Tech team back ten yards. Needham punted to Lynch and he was downed on his twenty-yard line. Hicks made a poor pass and it was recovered by Trinity on her ten-yard line. Trinity was penalized for offside, bringing the ball to the five-yard line. Lynch punted to mid-field. Worcester made a first down just before time was called.

Worcester was forced to kick at the beginning of the last quarter. The home team held and Lynch punted. Worcester failed to gain through the line and tried a pass which was intercepted by Tenney, who ran fifteen yards for a touchdown. Johnson kicked the goal. Arthur ran the kickoff back to his twenty-five-yard line, being downed by Puels. Worcester

(Continued on page 4.)

ALUMNI GATHER AT DETROIT.

Detroit Alumni Entertain Convention Delegates.

(Special to "The Tripod.")

Detroit, October 23, 1919.

On Monday evening, October 20, the Trinity alumni of Detroit entertained the graduates of the college who were in the city as delegates to the Triennial General Convention of the Episcopal Church. The form of entertainment was a dinner held at the Detroit Club. Fifty-five Trinity men were present.

The proper spirit was given to the occasion at the very beginning, when the music struck up "Neath the Elms", as the guests entered the dining room. The tables were appropriately decorated with vases of violets and marigolds, and copies of favorite Trinity songs tied with blue and gold ribbons were at each place.

Sidney J. Miller, '85, was the toastmaster. Speeches were made by Rt. Rev. C. T. Olmsted, '65, Colonel W. S. Coggeswell, '61, Rev. J. B. Cheshire, '69, Rt. Rev. F. F. Johnson, '94, Rt. Rev. T. P. Thurston, '91, Rev. E. M. Stires, '01 (H), and Rt. Rev. Charles Brent, who, although not a Trinity man, is well known to them all, especially to those who served in the A. E. F., of which he was Chaplain-General. His talk is mentioned especially because its subject is peculiarly apt for Trinity in its present search for a new president. "Leadership", which Bishop Brent spoke about, became the watchword of the evening. According to Bishop Brent the true leader is not the man who thinks ideas apart from other men and superimposes his thoughts upon them, but rather he, who, knowing his fellows thoroughly and sympathetically, goes along with them, helping them to find the right road.

The following Trinity men were at the dinner:

- '92—Rev. S. H. Alling, Marquette, Mich.
- '87—Rev. O. Applegate, D. D., New York.
- '11—Rev. Geo. L. Barnes, Missouri.
- '72—Rev. John M. Bates, Nebraska.
- '80—Rev. C. S. M. Bolden, Geneva, Switzerland.
- '05—Rev. Wm. F. Bulkley, Utah.
- '00—Rev. R. H. Brooks, Albany.
- '01—Rev. Geo. G. Burbank, Indianapolis.
- '72—Geo. C. Burgwin, Pittsburgh.
- '90—R. McLelland Brady, Detroit.
- '69—Rt. Rev. J. B. Cheshire, No. Caro.
- '98—Rev. Philip Cook, D. D., Maryland.
- '61—Wm. S. Coggeswell, New York.
- '89—Benj. F. Comfort, Detroit.
- '95—Harris R. Dingwall, Walkerville.
- '87—Rev. Chas. E. Duell, D. D., Los Angeles.

"The Tripod" will receive the score of the Trinity-N. Y. U. game by quarters from its representative at the field, and will post it on the College Bulletin Board. The first score will probably arrive about four o'clock.

Saturday last a badly crippled eleven journeyed to Worcester and defeated Worcester Tech. A week from today this same team, with the addition of Breslin and Foley, will meet N. Y. U. in the biggest game of the season. For years Trinity has defeated the New York college in the annual contest. The team will fight its hardest to make it another victory. Luck, so far, seems to have broken against it. The Trinity players have entered every game with the odds against them, but they have played mighty well. The eleven has always done its best. We do not predict a victory on Tuesday. Still we know Trinity will fight from the first blast of the whistle until the end of the last quarter. We know Breslin and we know Breslin's team.

The lineups will probably be:

Trinity	N. Y. U.
Black, le	Walters, re
Johnson, lt	Williams, rt
Dolan, lg	Adams, rg
Breslin (Cap't), c	Baker, c
Pierce, rg	Quincy, lg
Jackson, rt	Storey, lt
Tansill, re	Dwyer, le
Lynch, qb	Cann (Cap't), qb
Jarvis, lhb	Mooney, rhb
Bruce, rhb	Weinheimer, lhb
Foley, fb	Horrigan, fb

"The Connecticut Campus" states that it could have overlooked the "little misdemeanor" and "other dirty play" by the Trinity men in the game with C. A. C. had the game been scoreless. Since Trinity won, in spite

of the incompetency of the referee, it seems to feel it a duty to call attention to the matter on its editorial page. We await with interest the excuse for the failure of the C. A. C. team to cross Holy Cross' goal line, while the Worcester team scored 69 points.

COMMUNICATION.

Editor of "The Tripod":

From time to time students come into the library looking for different issues of other college papers. Of course it would be impossible to keep a complete file of any of the college periodicals, but I think the exchanges received by "The Tripod" should be placed in the library where they could be of some use to the student body. It would be a good thing for us all to learn something about other colleges. At present, we are very much interested in the formation of an Interfraternal Council. We might get some information as to the policies of a like organization elsewhere. The Jesters, the Debating Society, and all other organizations could well profit by the experience of others.

J. M. E.

ALUMNI NOTES.

'01—William H. Howell, M. D., who received the honorary degree of LL.B. from Trinity in 1901, has been operated upon in the Johns Hopkins Hospital in Baltimore for gastric ulcers and is doing well. He is dean of the School of Hygiene at Johns Hopkins and was formerly dean of the Johns Hopkins Medical School.

'05—Mr. and Mrs. Ralph Allan Quinby of Dorchester, Mass., announce the marriage of their daughter, Edith Marcia, to Mr. Harry Clayton Boyd, on October 18, 1919.

'09—Reverend Paul Roberts has recently accepted the rectorship of Holy Trinity Church, West Orange, N. J.

'10—Jerome P. Webster, M. D., is now taking a post-graduate course in surgery at the Johns Hopkins Medical School.

'12 — DeLos S. Pulford was discharged from the army as first lieutenant, M. R. C., on October 18, 1919, and will return to the surgical staff of the Ford Hospital at Detroit, Nov. 1.

'12—Paul H. Taylor should now be addressed at 185 Church Street, New Haven, Conn.

'12 — The address of Percival H. Bradin is at 136 West 44th Street, New York City.

'12 — The address of Charles E. Blake is 601 Dime Bank Building, Detroit, Mich.

'14 — The address of Theodore C. Hudson, Jr., is Albany Place, West Hartford, Conn.

'14—Reverend R. M. Blachford should now be addressed Hillman, Mich.

William A. Davis of Middletown has been secured as coach of the Glee Club. More tenors are urgently needed. It is hoped that more interest will be shown in the club than has been shown in the past.

INTERFRATERNITY CONFERENCE MEETS.

The delegates to the Interfraternity Conference met at the Alpha Delta Phi house yesterday evening. Buffington was elected chairman and Sturman secretary. Alling and Phister were appointed a committee to draw up a tentative constitution and by laws. Those present were Lyon (Alpha Delta Phi), Alling (Delta Phi), Poss (Delta Psi), Phister (Delta Kappa Epsilon), Sturman (Alpha Chi Rho), Buffington (Psi Upsilon), Reitemeyer (Sigma Nu), and Slattery (Phi Gamma Delta).

HOW TO READ THE NEW SUNDIAL.

Professor Fischer has worked out the following directions for reading the sundial.

Now that the summer time has been replaced by the usual winter schedule, the sundial will indicate within a few minutes the actual standard time for Hartford, and those who wish to set their watches within five minutes by the sun can do so by observing the following directions:

The shadow of the point of the gnomon is the index and the lines cut at the lower edge of the half-cylinder stand for various intervals of time. The longest lines are the hours (noon being directly on the gnomon); the next longest are half-hours; still shorter ones indicate ten-minute intervals; and the very short ones at the edge of the cylinder come every five minutes. During the morning the shadow lies on the left of the noon mark, so that, for instance, ten minutes of eleven would be the second of the smallest divisions to the left of the first hour line before noon.

The mean solar time for Hartford differs from standard time by a fixed amount and as there is a variable difference between apparent solar time as indicated by the sundial and mean solar time, a variable correction must be used which differs for every day in the year.

The following are the corrections for the first day of each month and corrections at other times can be estimated by taking values between that for the first of each month and of the month succeeding:

	Dial Fast	Dial Slow
January 1	5 mins.	
February 1		5 mins.
March 1		4 mins.
April 1	5 mins.	
May 1	12 mins.	
June 1	11 mins.	
July 1	5 mins.	
August 1	3 mins.	
September 1	9 mins.	
October 1	19 mins.	
November 1	25 mins.	
December 1	20 mins.	

Some improvements are now being made in the Mathematics Room in Boardman Hall. The lighting of the blackboards has always been bad. This has been corrected by turning the seats. New blackboards have been put in as well.

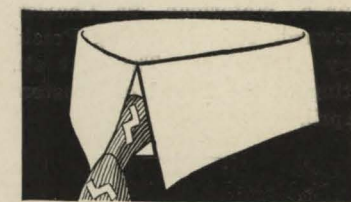

WORTH WHILE TO SEE OUR DRESS GOODS, IF PLANNING NEW SUITS, COATS, ETC.

To all interested in the purchase of good woolen material for Fall and Winter garments, we want you to know of some very special offerings of the season's newest and best in Suitings and Coatings.

Many of the prices quoted are less than the wholesale cost of the same materials in the market today.

Every woman planning to make new wear will find it wise to improve this opportunity—while there is a chance to do so.

McCOOK FOR JUSTICE.

Major Philip J. McCook, '95, son of Dr. John J. McCook, who is running for the Supreme Court in New York on the Republican ticket, is receiving the enthusiastic support of his party. The woman's committee has adopted the following resolution endorsing Major McCook:

"Whereas, all true Americans are this week remembering the great Roosevelt, who was an admirer of Philip J. McCook, one of the Fighting McCooks; and

"Whereas, in the words of Colonel House, 'but few generations produce a Roosevelt,' in gratitude to the feeling that we are members of the generation that produced this wonderful man, be it

"Resolved, that this committee unanimously decides to support Mr. Philip J. McCook for Justice of the Supreme Court in addition to supporting Richard H. Smith for the City Court and Joseph E. Newburger for the Supreme Court."

Last Thursday afternoon, Fred Bacon, a banjo instructor, and an assistant gave a concert in Alumni Hall. About thirty men were present and all enjoyed the recital immensely.

DOCTOR URBAN LEADER.

Professor W. M. Urban has been appointed leader of the discussion at the nineteenth annual meeting of the American Philosophical Association, to be held at Cornell on December 30 and 31. He has chosen as leaders Professor Roscoe Pound of Harvard, Professor Harold J. Laskey of Harvard, Miss Mary P. Follett of Boston, Professor J. H. Tufts of the University of Chicago, and Professor Norris R. Cohen of the College of the City of New York. The main topic of this year's meeting will be "The Nature of the Community." The papers of the leaders will be printed in the forthcoming (November) number of the "Philosophical Review."

Professor H. M. Dadourian, of the Trinity Physics Department, published a paper on "Soft X-Rays" in the September number of the "Physical Review." He is planning to continue his studies of the characteristics of X-Rays and of the elements of low atomic weight and is now assembling his apparatus.

FOUNDERS' DAY.

The Founders' Day Exercises will be held on Saturday, November 1, at 9.30 a. m., in the Public Speaking Room.

The Reverend Rockwell Harmon Potter, D. D., will deliver the address and all freshmen are required to attend. Other students are urged to be present, especially as the address will be in part commemoration of the late Theodore Roosevelt, Sc. D., Trinity, 1918.

Immediately following the address the Freshmen class will be matriculated in accordance with the long established practice of Trinity College.

ON THE CAMPUS.

Plans for the Freshman - Junior Banquet are in progress. The freshman chairman has been elected. The Senate Committee, composed of Reitemeyer, Ameluxen and Jackson, has issued the following rules:

- 1—The banquet shall be held between Thanksgiving and the beginning of the Christmas recess.
- 2—The place shall be within twenty five miles of Hartford.
- 3—No captives shall be held over twenty-four hours.
- 4—No destructive chemicals shall be used.

It was further recommended that all men who were not in college for a junior year be invited.

At a meeting of the Y. M. C. A., held Tuesday evening, the following men were elected to the cabinet for the ensuing year: President, Hodder, '19; vice-president, Puels, '22; secretary, Byrnes, '22; treasurer, Graham, '22. Other members of the cabinet are: Clapp, '22; England, '22; Hawksworth, '21; Hersey, '21; Hicks, '21; Sturman, '19.

The work for the coming year will be social rather than religious. It was decided to have the Union put in order immediately and plans were discussed for an employment bureau for Trinity students

SOPHOMORES WIN TRACK MEET.

In a closely contested track meet, the sophomores defeated the freshmen yesterday afternoon by a score of 49 to 41.

Mattice and Hungerford starred for '22, each winning two firsts, while Addeigo was the chief point-getter for '23, winning first place three times.

The score:

100-yard dash—1, Mattice, '22; 2, Rooney, '22, 3, Buckley, '22.
