FORTY-SIX NEW MEN PLEDGED

**Fraternalities Extend Invitations as
Rushing Period Closes.**

At the conclusion of the two weeks' period of no pledging the seven national fraternities pledged a total of thirty-eight men, and the one local fraternity pledged five new men. Since then three more men have been pledged at various houses, making a total of forty-six men who are pledged to the different fraternities. Of these men forty-three are freshmen, two are sophomores, and one is a junior. In comparison with past years, rather few bids were given out this year.

The names of the men follow:

Alpha Delta Phi—Charles Cook of Hartford; David Loeffler of Lake-wood, O.; John L. Plumb of New Milford.

Delta Phi—M. E. Dann of New York City; P. C. Fenn of West Hart-ford; R. N. Ford of West Hartford; R. S. Foxwell of Camden, Me.; C. B. Newman of Villa Park, N. J.; H. Reginald Newsholm of New York City; N. R. Parke of Montourville, Pa.; M. B. Sherman of West Hartford.

Alpha Chi Rho—George Grey of West Hartford; D. D. Kennedy of West Hartford; N. C. Pitcher of Moorestown, N. J.; F. W. Keena of Hartford; George Olcott of New Britain; A. F. McBurny of La Grange, Ill.; A. J. Avitabile of Brooklyn; George Jackson of Yonkers.

Psi Upsilon—B. H. Mucklow of West Hartford; T. Dale Stewart of Pittsburgh; William S. Hawley of Utica, N. Y.; W. J. Walsh, Jr., of Portland; John Williams, Jr., of Brooklyn; Philip Copeland of Chicago; Charles Coerr of New York City.

Delta Kappa Epsilon—Allen T. Newman of New York City; Stanley L. Oldershaw of New Britain; Arthur Dempsey of Brooklyn; Carleton Farrell of New York City; Stanson Hubbard of Brooklyn; Joseph LeMaire of New York City.

Sigma Nu—James P. Burr of Bal-tic; Walter J. Riley of Palisades, N. J.; Elbert H. Curtis of Simsbury; Howard W. Baker of Perth Amboy, N. J.; Perry T. Hough of Hartford.

Delta Psi—W. H. Hannan of De-troit; Francis J. Pryor, 3d, of Phila-delphia; Allen McLean of Simsbury.

Alpha Tau Kappa pledged five men.

Rushing Rules.

This year's rushing rules are prac-tically the same as those of last year.

If a man breaks his pledge to one fraternity, he cannot be pledged to any other fraternity until after one college term has elapsed. The rush-ing agreement also discourages down-town rushing.

The rushing rules are as follows:

1—No man shall be pledged to any Fraternity until he shall have been an undergraduate at Trinity College for fourteen days.

2—(a) Each house shall entertain those freshmen with whom it has had correspondence, or who have friends in that house before introducing them to other crowds.

(b) The chairman of the rushing committee of each house shall be responsible for seeing that every fresh-man is introduced at every other house.

3—(a) At 5 o'clock on the last day of the no-pledging period, New Men

"TRULY RURAL" RECEIVES PRAISE

**RICHARDSON WRIGHT, '09,
PUBLISHES NEW BOOK.**

In the October issue of "Country Life" appeared the following review of the book, "Truly Rural", written by Richardson Wright:

"When Shakespeare wrote 'One man in his time plays many parts' he might have had Richardson Wright in mind. Not that he is 'bearded like the pard' or 'full of strange oaths' (although he may be, for that matter—we have never played golf with him!), but he is a most versatile gentleman. In addition to editing a magazine, he is an author-ity on Russia and things Russian. He contributes fiction to various mag-azines and is an author of several books. Now, after reading 'Truly Rural', we have discovered him to be also a real philosopher—a Horatian sort of philosopher, who sits out under his vine and fig tree and dis-courses pleasantly on the follies and foibles of owning a house in the country. 'Truly Rural' is a whim-sical collection of essays, each one as delightful as the others, although possibly the chapter on breakfasting is the most entertaining in the vol-ume. The essay, after a lapse of years, is coming once more into favor these days, and Mr. Wright's book, with its rich fund of humor, is par-ticularly timely. For reading on a long winter evening we heartily re-commend 'Truly Rural.' No volume which we have read in the last few months has given us so much quiet pleasure."

Mr. Wright graduated from Trin-ity in 1909, and is a member of the Alpha Delta Phi Fraternity. He is editor of "House and Garden" at the present time.

SPOFFORD, '17, IN TEXTILE SURVEY

**Trinity Man to Assist in Investi-
gation in India by Department
of Commerce.**

Assistant Trade Commissioner Charles B. Spofford, Jr., has been selected to assist in a special inves-tigation of the vast textile markets of India, to be made by the Depart-ment of Commerce on behalf of the American textile manufacturers and exporters. Spofford has been as-signed to the Department's office in India where he will be second in command to Trade Commissioner C. C. Batchelder.

Spofford's home is in Claremont, N. H. He received a B. S. degree from Trinity in 1917, and an M. S. in 1918. He has also done graduate work at Mellon Institute of Industrial Research and at the Massachusetts Institute of Technology, and has had practical experience in the textile in-dustry.

Until recently Spofford was en-gaged in India with the Angus Com-pany, Ltd., burlap manufacturers. He expects to sail for Calcutta, In-dia, from San Francisco on October 14.

1912—George T. Bates has moved from Hartford to Dallas, Texas, where he is connected with Maxson & Belt, insurance, of which firm Harry L. Maxson 1909) is the senior member.

CHANGES MADE IN FACULTY

**Professors Kleene and Rogers on
Year's Leave of Absence.**

During the last summer there have been several changes in and addi-tions to the college faculty, so that this fall the college has opened with a corps of instructors which is by far stronger than ever before in previous years. Among the new members of the faculty are: Professor J. A. Spaulding, Professor H. Hilmer, Pro-fessor Burkett, Professor F. L. Weeks, and Professor C. B. Hurd.

Professor J. A. Spaulding, attached to the department of Romance Lan-guages, graduated from Harvard in 1912; he has studied more or less extensively at foreign universities, particularly at Munich where he spent a number of years. He has taught at the University of New Brunswick, (Canada) Worcester Poly-technical Institute and at Yale Uni-versity. Professor Spaulding holds the degrees, A.B., M.A., Ph.D.

Professor H. Hilmer, who is teach-ing the classes in Economics and So-cial Sciences, holds the degree A.B. from Michigan University, A.M. from Columbia, and Ph.D. from Leland Stanford, Jr., University. He has studied at the Universities of Berlin and Leipsig and is the author of sev-eral well-known treatises on Philology. Professor Hilmer was an instructor at Clark University before coming to Trinity.

Professor Burkett, who possesses the degree A.B. from New York Uni-versity, has had extensive experience in teaching of Mathematics having been for the last five years at the University of Pittsburgh. He is as-sistant in the Mathematics Depart-ment here.

Professor Hurd, who has taken charge of the classes in Qualitative Analysis, Physical Chemistry and General Chemistry, is of the Class of 1915 at the Worcester Institute of Technology where he received the de-grees, B.S., M.S., M.A., Ph.D. He has had considerable experience in teach-ing Chemistry and allied sciences at several New England colleges and comes to us from Colby College where he was instructor for a num-ber of years.

Professor Weeks is connected with the Engineering Department, as Professor Rogers is taking his sab-batical year.

BLOODY MONDAY VICTORY FOR '26

**Freshmen Defeat Sophomores in
Bulletin Board and Rope Rushes.**

Monday, September 25, was "Bloody Monday";—a day that will be remembered by the members of '25 and '26, for years to come.

As usual, sharply at 4 o'clock on the afternoon of that memorable day, the Freshmen learned the meaning of the term "Bulletin Board Rush", a tradition known to every Trinity man. The defending Sophomores gathered around the Bulletin Board. At the sound of the whistle the wait-ing Freshmen rushed the board, and succeeded in touching it within ten seconds.

At about 7.45 that evening the Rope Rush occurred. The battle was delayed for a few minutes while a rectangular area was roped off on the campus in order to hold back the usual large crowd of spectators. After this had been accomplished and the judges announced, the two lower classes clashed, each attempting to tie up as many of the opposing class as possible. For twenty minutes the battle raged. In order that they might distinguish themselves from their enemies, the Freshmen placed a large red cross on the front and back of their shirts. This plan was successful as long as the shirts re-mained intact. However, when the smoke of battle cleared away, the judges called a council, and it was found that the Freshmen had won the day by tying thirty-five Sopho-mores while the class of '25 had only tied sixteen Freshmen.

The entire student body then marched to the State Capitol, the former site of the college, where "Neath the Elms" was sung. They then returned to the College Union where the evening's events were con-cluded by entertainment and refresh-ments furnished by the Freshmen for the three higher classes.

FRESHMEN AND SOPHS BATTLE TO 4-4 TIE.

Track Meet to be Held Soon.

In close competition to the World's Series, the Freshmen and Sophomores battled to a 4 to 4 tie in an exciting baseball game between the two lower classes. Neuman pitched and Loeffler caught for the Freshmen, while Kennedy and Mullen formed the Sophomore battery. In spite of the keen rivalry between the two classes the game had to be called on account of darkness.

In addition to these baseball games it is planned to have a track meet between the classes of 1925 and 1926 in the middle of this month.

Playing the most spectacular game of the season, and making long gains on brilliant open field running, the Trinity eleven trounced its third vic-tim last Saturday in the second home game of the season. Haverford de-parted with a 21 to 14 defeat and left Trinity victor for the third con-secutive time this season, thus smash-ing all records made by Blue and Gold elevens since 1911. This does not bar even the 1915 undefeated team that played its third game to a scoreless tie.

While Coach Drew and the grand-stand spectators were pleased with the showing made by the home team, there were many times during the first three quarters when the game hung in the balance due to the care-less fumbles and loose tackling of the Trinity men.

Keating made the most spectacular run of the game when, after Haver-ford had scored a touchdown in the first five minutes of play, he caught the next kickoff on his 5-yard line and raced the entire 95 yards and planted the ball behind the Haver-ford goal posts. This incentive towards open field running was fol-lowed up several times during the remainder of the game, slightly by Haverford, but more especially by Fisher and Keating in the fourth quarter when the Haverford eleven barely prevented another touchdown from being scored against them.

Trinity's aerial game was not used at all, only two passes being attempt-ed, one of which was completed for ten yards. The Quaker team also kept the ball out of the air, only passing three times. In the fourth quarter with the ball in their pos-session on their own ten-yard line, two Haverford backs attempted to complete a forty-yard pass to the edge of the field. Fortunately it was unsuccessful.

First Quarter.

Captain Brill punted to Haver-ford's 25-yard line. The runner was downed in his tracks but the next four plays by the Quaker eleven net-ted the necessary 10 yards through the line. In the next two plays, the visitors showed a spurt with a line buck through right tackle for 5 yards and an end run around Trinity's left side for another 5. Another attempt to pierce the line found the Trinity line a stone wall of defense, and on the next play by Brown through the line, Anderson broke through and threw the runner for a one-yard loss. On the next play, Brown attempted to pass, but Miller swung around from the left end of Trinity's line and threw Brown for 5 yards. Bacon punted to Kennedy, who received on his 5-yard line and ran the ball back to the 25-yard line. Keating and Kennedy made nine yards through the line and then Wright lost four on a fumble. Sinnott punted to Haverford on her 35-yard line. The first play found a stone wall block-

FRESHMEN.

The freshman coming to college finds himself in an entirely new world. He misses the careful oversight exercised by his masters in preparatory school, or he misses the influence and advice of his family if he comes from a high school. He finds himself under the roughly and somewhat barbaric education system of the sophomores, in college customs, and suffers the tolerance of the upper classmen.

In all this strange atmosphere the freshmen must pass the most important period of his college life. In scholastic work the Christmas term of the freshman year is the most important period during the four years of the college course. First impressions are lasting, and bad habits, once formed, are very difficult to break. It therefore behooves the freshman to take his scholastic work very seriously. During the past three years at least ten per cent. of the entering class has each year failed to attain the required scholastic standing in the mid-year examinations. Such a record is one of waste, both economic and financial. Some of the failures can be traced to the fact that the colleges must necessarily receive some men each year who are not of college calibre. But many more of the failures are caused simply by a poor start.

In the campus life, even more than in the scholastic realm, a well thought-out start makes for four years of happiness, and a heedless start is the first step in a troublous career.

In the realm of college activities the freshman is somewhat limited. And rightly so. The freshman year is one of education in becoming a college man, and more than that, a Trinity man. Until an undergraduate assimilates the customs and ideals of Trinity he does more harm than good by over-zealous activity. The first year should be chiefly spent in learning how to be a Trinity man. For that reason the one term athletic rule was passed.

FRESHMAN CAPS.

On the subject of freshman caps the last issue of the "Freshman Bible" states " * * * This cap serves as a convenient way of knowing your classmates. See that your class-

mates have the proper spirit and wear their insignia, too." The custom of compelling freshmen to wear some distinctive cap on the college campus is an old and worthy custom. It not only shows at a glance just who are freshmen, but it tends to build up class spirit which is the forerunner of college spirit.

Trinity always had, until the war interrupted all academic customs, a traditional freshman cap. This was a skull cap of blue-grey material, with a navy blue visor and button. Caps were passed down from year to year—sophomore classes of old Trinity did not enrich themselves by selling caps and freshman rules. If any new caps were bought, the business was done through Moran's store.

Since the war only one class, that of 1924, has been given the traditional cap. Last year's caps were thought to be the last word in individual expression, but the varicolored appearance of this year's caps, reach the nth degree of a childlike show of power.

It would seem that Trinity has suffered enough from ill-advised attempts to change custom, without giving her campus the appearance of a children's beach last summer when the "jazz caps" were in vogue among all children from six to fourteen years of age.

But to go back to the "Freshman Bible", the cap serves as a convenient way of knowing members of the class of 1926, without any doubt. But forcing such an affair upon students entering college is nothing short of an insult. There may be some few new colleges where prep school ideas abound, which would consider the caps to be good, but at one of the old colleges, where time has supposedly granted wisdom and built up a true college code, such a combination of colors shows only that those responsible are not fit to become upper classmen.

Rushing Rules.

(Concluded from page 1.)

will gather in Alumni Hall. At that time each fraternity shall issue dinner invitations to those undergraduates it desires to bid.

(b) Each man receiving an invitation must return all bids within an hour after he has obtained his invitation. The acceptance shall be deposited in a box to be placed in some position designated by the Interfraternity Council; any unsigned invitations must be returned at this time. In case a man is not ready to accept a bid he shall return all invitations and is considered to be free to accept the pledge of any fraternity.

(c) No fraternity man shall speak with the new men from the time the invitations are issued until he arrives at dinner.

(d) The Interfraternity Council shall be in charge of the distribution of invitations which shall be uniform and prepared by the Council.

These rules become effective on their adoption. Under these rules will be conducted the rushing and pledging of every new man at Trinity College.

A Resolution to the effect that:

(a) A man breaking his pledge to any Fraternity would be ineligible to an invitation to join another Fraternity until one college term has expired. And that

(b) It was to the best interests of the college and the freshmen that off-campus rushing be discouraged, as it was considered detrimental to scholarship, and college life, and as it does not present a true opportunity for judging a crowd.

N. B.—These rushing rules are for the purpose of securing the most favorable conditions under which a Fraternity may select material from the Freshman class and to provide an opportunity for the Freshmen to learn about the Fraternities, to the satisfaction of both. The Council feels sure that each Fraternity will live up to the spirit of these regulations. No man is in any way bound to consider any agreement as binding if these rules have not been kept.

TRINITY MEN ATTEND EPISCOPAL CONVENTION

Roberts, '05, Elected Suffragan
Bishop of South Dakota.

A letter received from Mr. R. McClelland Brady of the class of 1890 gives some interesting information concerning a dinner held at Portland, Oregon, for the representatives of the five Church colleges—Trinity, Hobart, Swanee, Kenyon, and St. Stephens. Among the speakers were William J. Tully, toastmaster; Rt. Rev. C. H. Brent, D.D. (honorary 1920); Rev. E. F. Scholtz, President of Reed College; President Murray Bartlett of Hobart College; Mr. B. F. Frenney, First Chancellor, Swanee; Rt. Rev. David S. Tuttle, Professor Freeman Doughters.

The following Trinity men were present at the dinner: Rt. Rev. W. W. Webb, D.D., '82; Rt. Rev. F. A. McElwain, '99, D.D., h. '13; Rt. Rev. Theodore P. Thurston, '91, D.D., h. '11; Rt. Rev. Philip Cook, '98, D.D.; Rev. William S. Short, '83; Rev. J. D. Stanley, '77; Rev. Octavius Applegate, '87, D.D., h. '12; Rev. W. Northey Jones, '88; Rev. William P. Niles, '93; Rev. Paul Roberts, '09; Rev. H. L. White; Rev. E. A. Pressey, '92; Rev. Isaac Hughes, '91; Rev. E. J. Davis; Rev. Percival A. Smithe; Rev. F. G. Meredith, '05; Mr. George C. Burgwin, '72; Mr. William G. Mather, '77, and Mr. R. McClelland Brady, '90.

The Rev. William Blair Roberts, '05, was elected Suffragan Bishop of South Dakota at the general convention of the Episcopal Church assembled in Portland, Oregon. He succeeds Suffragan Bishop Remington, who has just been elected Bishop of Oregon.

Reverend Roberts graduated from Trinity in 1905 and from Berkeley Divinity School in 1908. During the World War Roberts served overseas as chaplain of the 313th Engineers. Roberts is a member of the Psi Upsilon Fraternity.

ALUMNI NOTES.

1912—Frederick S. Bishop of Louisville, Savannah and New York, has returned from Europe, where he spent the summer. He is an enthusiastic amateur bibliophile and, while abroad, added many rare volumes to his collection.

1915—W. Edward Barnett is a member of the firm of Warren-Barnett & Fitts, Fitts engaged in the lumber sales business at 30 North LaSalle Street, Chicago.

THRU THE TRIPOD TRAVEL

Those five freshmen who waylaid two small sophomores received a very deserved punishment. Trinity has no need of men of such a type. We are not in favor of hazing except in specific instances, but this was certainly one of those instances.

The custom of practicing cheers on the field every Tuesday and Thursday is an excellent one.

The class of 1926 proved on "Bloody Monday" that it is a very husky and healthy infant. Now if it receives proper nourishment it ought to be a big help to Alma Mater when it grows up.

The strains of Mendelssohn's Wedding March were recently heard emanating from the sixth section. Can there be a faculty wedding in the offing?

Is there any reason for the Union waiting until the last piece of candy is sold before a new supply is purchased?

HAVERFORD GAME.

(Continued from page 1.)

ade on the left side of the line, but on the next play Captain Brown broke through the left guard and tackle and made a 35-yard spectacular open field run for a touchdown. Bacon added another point by a placement kick. On the next kickoff Bacon kicked to Keating, who received on his 5-yard line and ran the ball back to the Haverford goal line. Keating tied the score with a placement kick. Brill kicked to Haverford who downed the ball ten yards behind their goal. The ball was put in play on the 20-yard line. Bacon attempted to punt but fumbled. When the ball was uncovered from a heap, it was found to be in the possession of a Haverford player. Bacon again signalled for a kick and punted to Kennedy on his 35-yard line. The ball was advanced to Haverford's 18-yard line before Kennedy was finally stopped. Kennedy and Keating made two yards apiece around left end and then Kennedy shot through right guard for seven. Keating on the next play around left end was thrown for a loss by Wilbur. A penalty on Haverford for offside netted five yards. With the ball on Haverford's 2-yard line, Kennedy made one through left tackle and then a touchdown through center. Keating again kicked goal. Score—Trinity 14, Haverford 7. Bacon punted to Keating who did some excellent open field running in advancing the ball eighteen yards. Kennedy made eight around right end and Keating followed with four around left end. A 15-yard penalty on the Trinity eleven forced Sinnott to kick out of danger. Blake caught the punt on Haverford's 40-yard line. The ball was advanced to the center of the field before Blake was thrown. On the next play six yards were gained around Trinity's left end. Hartt was injured and Wilcox substituted. The quarter ended with the ball in Haverford's possession on Trinity's 42-yard line. Score—Trinity 14, Haverford 7.

Second Quarter.

A play through center gained no ground for the Quakers and a penalty for offside lost five. A forward from Bacon to Brown netted twenty yards, the runner being thrown in his tracks by Keating. On the next play Anderson broke through the line and held the runner for a no-gain play. A play through center also resulted in a small loss and on the next play Brown went through left tackle for three. Bacon then punted to Trinity's 7-yard line. Keating fumbled and Haverford recovered the ball. Two of the seven yards were gained on the next play through left guard. Brown followed with a touchdown through left tackle. Bacon tied the score with a place kick. Bacon kicked to Wright who caught it on his 15-yard line but fumbled. Haverford regained. Billo made ten yards on the next play through center. Another penalty was inflicted on Haverford for offside. Brown gained two through center, and the next play resulted in an incomplete pass. Bacon punted and Keating downed the ball behind Trinity's goal line. From the 20-yard line, where the ball was put into play, Kennedy made five through center and two through left guard while Keating was thrown for a 2-yard loss by Rhodes in a clean cut tackle behind the line of play. Kennedy was then thrown for three yards by Wilbur. Kennedy then faked a forward pass and took the ball around right end for seven yards. Sinnott on the fourth down punted high to the 35-yard line. The half ended with the score tied and the ball in Haverford's possession.

Third Quarter.

Bacon punted over the goal line and the ball was downed by Keating and then put into play on the 20-yard line. Keating lost a yard in an attempt through left tackle, and Kennedy another yard on a mistaken

HAVERFORD GAME.

play. Keating shot around the right end for seven yards and on the fourth down Sinnott punted to Haverford's 25-yard line. A play around left end, another through center, and one through the left guard resulted in no gains, and then a left end run brought seven. Haverford lost five yards on an offside penalty and the ball went to Trinity. Kennedy lost through the line but the next move, a trick play by Kennedy and Keating, advanced the ball thirty yards to Haverford's 45-yard line. Kennedy made five yards on the next two plays through the line, and Keating made six around the left end. Kennedy followed with seven more through center and Wright followed with four more off tackle. A yard by Kennedy off left tackle and a 15-yard penalty on Haverford for illegal tackling brought the ball on Haverford's 4-yard line, and then Keating made half of the distance off left tackle and Kennedy the remainder through the center of the line. Score—Trinity 20, Haverford 14. A place kick by Keating finished the scoring for the day. Brill punted to the 22-yard line, where the ball was fumbled and downed. Three plays failed to penetrate the line and the ball went to Trinity on a punt which Keating caught on his 40-yard line. Wright gained two through center but the next two trick plays left the ball stationary. Sinnott then punted to the 31-yard line and recovered his own punt after a fumble.

Fourth Quarter.

Kennedy went through center for no gain and then around the left end for twenty-seven yards. Keating attempted an off tackle play which netted no distance. Ortgies substituted for Wright. Keating in an attempted pass lost twenty yards. Kennedy regained three on a trick punt. The punt of Ortgies was caught on Haverford's 28-yard line and run back to her 37-yard line. On the first play O'Connor broke through and threw Brown for two yards. Hartt broke through on the next play and smeared a three-man trick play with a net loss of two yards. A five-yard offside penalty and the loss of a yard on a trick punt forced Haverford to kick. Trinity received on her 38-yard line. Ortgies lost around left end and Kennedy made three through center. A forward pass from Keating to Kennedy netted seven yards and then Kennedy made two more through the line. Keating made a twenty-yard right end run followed immediately by fifteen more by Fisher. With the ball on the 11-yard line, Trinity was unable to gain against Haverford's stonewall defense so, on the last down, Keating attempted a placement kick which failed. With the ball in play on the 20-yard line, Haverford tried to open up with an attempt at a 40-yard pass which luckily failed. A punt to Keating and two minor line plays concluded the game.

WORCESTER GAME.

In the second game of the season, played with Worcester Tech. at Worcester on Saturday, October 7, Trinity was victorious by a score of 18 to 0.

The field was extremely wet and soggy as the result of a steady rain and drizzle for twenty-four hours preceding the game. Consequently, the game was not sensational, but rather slow. Throughout the entire game straight football was used by both teams, while there were very few forward passes. Considering the wet condition of the ball, there were not as many fumbles as might have been expected.

Only at one time early in the game did the Worcester team show any serious ability on the offense. After getting possession of the ball on their own thirty-yard line, Tech. made two first downs by advancing the ball twenty-five yards down the field by means of a series of rushes by Johnson, Perry and Latimer. But after this, the Worcester team weakened both on the offense and on the defense. During the second and third quarters the Tech. defense went to pieces. Trinity opened large gaps in the opposing line, and made gains from five to fifteen yards each time. Worcester's secondary defense had to do much of the work for their first line defense.

The first score of the game came in the second quarter, after Trinity gained possession of the ball in mid-field when one of Worcester's punts was blocked by her own interference. Trinity carried the ball toward the goal by crashing through the Tech. line from tackle to tackle. Kennedy, playing quarterback, plunged through center for the first touchdown. An attempted placement kick from scrimmage formation failed to net Trinity an extra point.

The second touchdown was made in the last half of the game. Trinity recovered a Tech. fumble and again started an invincible march up the field, Kennedy carrying the ball over the goal from the five-yard line. Trinity again failed to get the extra point when an attempted forward pass was grounded.

The last score was made early in the fourth quarter. On their fourth down the Worcester center made a bad pass which forced Perry, the right halfback, to run the ball instead of kicking. He was thrown for no gain and the ball was Trinity's on the Worcester thirty-yard line. After making first down on Tech's ten-yard line, a series of line bucks put the ball over for the final score. An attempted forward pass failed. During the remainder of the game both teams exchanged punts, as neither team was able to gain ground effectively.

The lineup follows:

Trinity		Worcester

LOWELL TEXTILE GAME.

Playing a remarkable game of passing and line plunging, the Trinity College eleven defeated the football team from Lowell Textile by the

score of 9 to 2 in the opening game of the season on Trinity Field.

From the beginning of the game until the last whistle, the Trinity team outplayed the eleven from Lowell in every respect. The ball remained in the center of the field or within Lowell's territory for practically the whole game with the single exception of the stage in the playing when Lowell scored her 2 points.

The first score was made by the visiting team in the first quarter. Brighman, Lowell's quarterback and punter, kicked to Ortgies who stumbled on his own one-yard line in an attempt to get started and was thrown for a safety. Trinity followed with 3 points from a place kick in the second quarter and a touchdown in the last quarter completed the scoring for the afternoon.

The outstanding feature of the game was the ease and perfection with which the home team completed its forward passes. The same over-the-line system of passing that was used to such perfection last year was resorted to in this opening game of the season Saturday and completely dazzled the Lowell team and the spectators. A great amount of distance was also gained through the center of Lowell's line by Kennedy, Keating, and Fischer.

The longest run of the day was made by Keating for eighteen yards around Lowell's right end. Fischer and Noble, a legacy from "Tke"

Wooley's freshman team last year, played stellar games; Noble on line tackling and Fischer on line ploughing. Sinnott also broke through the line several times for good tackles.

While the day was decidedly not a good one for football, as is proven by the fact that the estimated amount of weight lost by the team on the field is 100 pounds, the game was an unusually active one from the spectators' point of view.

First Quarter.

Captain Brill of Trinity won the toss and kicked to Captain Lombard of Lowell, who received on his 15-yard line and ran the ball back 6 yards before being downed by Keating. Four rushing plays through the line netted first down. After two attempts to pierce the line, Brighman fumbled a pass from center and punted 10 yards to Keating, who was thrown in his tracks. A fumble by Keating 5 yards in back of the line was recovered by Barrett of Lowell. First down, Lowell's ball on the 38-yard line. A right end run and a line play which was nailed two yards behind the line by Noble did not move the ball, so Lowell attempted another punt. Sinnott broke through and blocked the ball which was recovered for Trinity on Lowell's 34-yard line. Three short line plunges netted 6 yards and then Ortgies punted. Brighman ran the ball back 20 yards before being clipped on the edge of the field by Ortgies. Sinnott again

broke through the line and through Brigham for a loss of two yards and from a trick play on the next lineup Lowell failed in its first attempt at a forward pass. Brigham then punted and Ortgies, in attempting to recover the ball on Trinity's one-yard line, slipped and was nailed behind his goal for a safety, which scored two points for the visiting team. The ball was then placed on Trinity's 30-yard line and two line rushes and a penalty of five yards for Lowell for being off-side brought first down. A line plunge through center by Keating and another by Miller put the ball on Lowell's 51-yard line with one yard to go.

Second Quarter.

The quarter opened with a play through center by Keating for 5 yards and then Trinity's first pass was worked for 5 yards and first down by Ortgies and Keating. After a no-gain play and a line buck for 3 yards by Fisher, another pass from Fisher to Keating gained 9 yards. Keating, Kennedy and Fisher then took turns at making holes in the Lowell line for the necessary 10 yards. After a blocked pass and an unsuccessful attempt at a pass, Keating succeeded in scoring 3 points for Trinity with a place kick. Brill kicked 34 yards to Hart, who ran the ball back 15 yards. Three attempts at forward passes failed, so Brigham kicked to Kennedy who ran the ball back to Lowell's 32-yard line. Two short gains were made through the line and then Ortgies exchanged punts by getting off a 45-yard kick. A 20-yard run was finally nailed by Noble on the edge of the field. Fisher then intercepted a pass over Lowell's line and Trinity made first down with a line buck and two trick plays. The half ended with the ball in Trinity's possession on Lowell's 29-yard line.

Third Quarter.

Brill kicked 28 yards to Lombard, who ran the ball back to the center of the field and then, after an unsuccessful line buck Brigham kicked a 23-yard punt to the side of the field. A fumble by Kennedy gave the ball back to Lowell. On the first play Montgomery made a spectacular tackle netting in a six-yard loss.

Two incomplete forward passes forced Lowell to punt. A spurt of line ploughing by Kennedy and Fisher for 10 yards brought first down and two more rushes brought 9 yards. Ortgies was then thrown for a 4-yard loss, which was regained by a pass over the line from Montgomery to Ortgies. Keating then made 9 yards through the line and Kennedy added 2 more. An end run by Ortgies netted 3 yards and Kennedy and Fisher made 2 more. A fumble by Ortgies brought first down for Lowell. Two unsuccessful attempts through the line by Lowell ended with a punt caught by Ortgies, who was nailed in his tracks on the 25-yard line. Four plays netted only 9 yards, so the ball reverted to Lowell on the 14-yard line. Lowell attempted to pierce the Trinity line in three plays and then punted 18 yards off the field.

Fourth Quarter.

Four plays moved the ball forward only 8 yards for Trinity, and Lowell after several unsuccessful attempts through a stone-wall line, punted to Keating. On the second play, after a vain attempt through the line, Keating tore around right end for 18 yards. A fumble was recovered behind the line by Keating and then Kennedy made 3 yards through center. A forward pass from Keating to Kennedy advanced the ball 15 more yards toward the Lowell goal. Fisher made 5 yards in an off-tackle play and Kennedy advanced the ball to Lowell's 6-yard line. Fisher made 5 more yards and Kennedy ploughed through center for the remaining yard. Trinity put in a second-string team and Keating failed in a place kick from the 5-yard line. Brill kicked to Lowell's 15-yard line and Brigham ran the ball forward to the 25-yard line. Three incomplete passes were followed by a 30-yard punt which landed as the final whistle blew.

COACH DREW
GIVES TALKPhysical Director Speaks on
"Football" at Radio Broadcasting
Station.

Coach Harold Drew recently gave a talk at the Radio Broadcasting Station at the "Hartford Courant." His subject was "Football."

Drew said, "Athletics give vent to the instinctive craving for action, and the competitive spirit of athletics springing from the native hunger for contest finds satisfaction in our present day games and sports."

"There is no question but that athletics, properly administered, have a definite physical value, and that they promote organic vigor. But they also have a distinctive educational and social value which cannot be supplied so well through any other source. It is through athletics that the individual develops the spirit of coöperation, subdues the spirit of selfishness, and subordinates his own personal desires for the good of the group. The athlete learns to endure and develops initiative which is the one thing especially needed in all young men of today."

Drew continued to tell of the thousands of men that start the season the country over and then drop out because they cannot stand the pace. These men do not reap the benefit that comes to every single man who sees the thing through. For him there is a definite and serviceable reward; the laurels of his college and more important, the benefit to himself physically and mentally.

The football coach further commended the action of Oregon University last fall in awarding a 'varsity letter to a man who had tried out for the team for four years and had not been discouraged in his efforts to aid his college by the fact that he was not chosen to play in a single inter-collegiate contest.

Drew outlined the responsibilities and duties of each man on the eleven and pointed out that the center was the keystone of the line and one of the most important and least appreciated positions on the team.

Drew also expressed himself as being in favor of numbering the various players for the benefit of the spectators who are always shouting, "Who was that?"

A large number of radio fans who are also football followers took advantage of this opportunity to hear football discussed by one who knows the subject so well.

Drew was chosen by Walter Camp for the all-American team while at Springfield College. He later attended Bates and while in the army played on several prominent teams. He was captain of his eleven at Springfield. Drew has been on the coaching staff of Trinity for three years.
