Students to Vote For Class Officers, **Senators Tomorrow**

The twenty-six candidates pictured on these pages will try for the thirteen Senate posi-tions tomorrow. Voting will be either in front of Seabury or, in case of rain, in Seabury Lounge. Class officers for '55, '56, and '57 will also be decided in the voting.

All classes will decide on the Senate candidates; each voter will choose one of the two men from each fraternity, from Brownell, and from the on-campus neutrals; each voter will select one of the three candidates from the off-campus neutrals. All undergraduates are qualified and urged to vote.

This special edition of the Tripod is designed to acquaint the student body with the picture and experience of each candidate. The picture will enable some to connect names with faces.
