Trackmen Defeat Vermont, 71 1/2-54 1/2

BY JOE MURPHY

MAY 6—The Trinity trackmen behind the strong running of Captain Marty Smith and sogar Billy Campbell, defeated the powerful University of Vermont, 71 1/2 to 54 1/2 today before a partisan Parent's Day crowd.

The victory enabled the Bantams to average last year's loss to the Catamounts and run their streak to four against the Catamounts this spring.

Vermont jumped to a quick nine-point lead with one-two-three finishes in the mile run and victory in the high jump. The Vermont 400 of Perkins and Kurbisch outdistanced Triton with Mike Long and Perkins garnering the mile in 4:30.8. Emmett Miller faltered at 211" in the high jump and had to settle for a second place, while Stan Horner took third.

The Bantums fired back in the next three events and reversed the Catamounts 2 to 2. This enabled the Bantams to gain a three-point lead, which held the rest of the day. Once again, the mile run was captured by the Bantams as Bill Campbell nipped Vic-Hearn at the wire, with Run Strange and several others behind.

This was Campbell's first race since setting the school record, but foil short of the mile record. He ran 4:19.0, while Hearn was 4:20.4. Campbell settled for second and third in the mile run and victory in the 880. This enabled the Bantams to gain a point against Vermont in their best events, the high hurdles, as well as the high jump.

Mike McAllister managed to settle for third in the high hurdles while Jim Whitters and Jeff Clarkson are not good enough to take the top spot. The team now stands 4-1 on the season and, having handled Vermont and literally demolished Coast Guard, Union, and Middlebury in rapid succession, they will be favored over both Wark and Middlebury in the last two dual meets of the season. Incidentally, 40 of these encounters will be staged on the friendly grounds of Trinity's track so everyone should have ample opportunity to witness this exciting quad in action.

NOW LET'S TAKE A QUICK RUNDOWN of the various events to see what makes the trackmen tick.

100—226; Captain Mark Smith takes care of the first places. Only once in four years has he lost to opposition. Smith is in the 200 this time, the reason behind his start in a little slow. For depth, the Bantams have John Sizemore and Bill Campbell, John Mays and Bob Langen finished one-two-three against Vermont. They usually put Trit on top in this event.

220—1. Smatti (T); 2. Campbell (T); 3. Long (T). This would settle for a second place, while the distance run. Mention might be made here of Bill Smith, The former Trinity track star and current cross country coach has done much to help develop our distance runners and McGawn in particular.

NEW ERA IN TRACK

Sideline Splinters

By STEVE PERRAULT

JUST TWO YEARS AGO Bob Langen, Bill McGaw and Company sent the Trinity track team into competition with a 4-11 record. A year ago the Bantams finished with a respectable mark and second place finish at the New England track.

This year they were not only better than that team, but they are now considered one of the best teams in the Northeast.

They show promise of becoming the team that Bill Langen is known as the team that Bill Langen in the past decade and perhaps the greatest in the school's history.

Saturday's win over Vermont was most noticeable a generally good showing for the trackmen, for they had expected a good straight win over the Catamounts. On paper they must have figured to be in a tight race, but when the dust was settled the tables were turned. Their efforts were well rewarded.

From now on stands 4-1 on the season and, having handled Vermont and literally demolished Coast Guard, Union, and Middlebury in rapid succession, they will be favored over both Wark and Middlebury in the last two dual meets of the season. Work on AD House Starts
In June, Ready in Jan. '63

May 5—Work will start on Alpha Delta Phi's new $145,000 house next month, the fraternity announced after signing a contract with Mansfield Builders, Inc., of Simsbury, the lowest of nine bidders for the job.

The new house will be located on the two lots owned by AD at 122 and 126-128 Vernon Street, next to Ogilby Hall. Their house at 126-128 Vernon was demolished last February. Committees of their present house will begin
immediately after the end of exams.

The new house, the design of which will blend in with Ogilby Hall, will provide facilities for dining, social activities and Lodge services. No dormitory facilities are planned for the two-storied building.

Open Fireplace

The first floor of the new building will house a dining room and library with a joint open fire place, a dining room for sixty, a kitchen and a two room apartment for the cook. The recreational area on the lower level because of the slope of the land, will open out at a grade.

Parking facilities will be available in the rear for twenty-four cars.

During the construction of the new building, the brothers of AD will eat at Mather Hall, and arrangements are being made with college authorities for the possible use of a classroom for meeting purposes. There are currently fifty-four active members in Alpha Delta Phi.

Young GOP's
Knock Kennedy

May 6—The New England Council of Young Republicans tonight passed a resolution censuring President Kennedy's action in the steel price controversy as "dictatorial."

The Council, highest ranking college GOP organization in the East, passed resolutions on civil rights, re-election of John F. Kennedy and the Selection of Negroes for Supreme Court judges. No dormitory facilities are planned for the two-storied building.

perpetual motion?

Not But scientists and engineers at Ford's research and scientific labs do lab to lab in perpetual motion and...we have a few what about might be common-place in the future, some of them just as startling.

Studies at Ford involving new energy sources and improved materials may help bring jet-propelled cars with gyro stabilizers...automatic driving controls...flying automobiles and wheelless vehicles that glide on a cushion of air...vehicles propelled by atomic energy...plastics with the strength of conventional metals...adhesives that replace welding...radar and other electronic controls to assist or replace the driver in many situations.

Basic studies in these and other fields are just part of a continuing program of progress aimed at reinforcing Ford's leadership through scientific research and engineering.
The Lacrosse team, after leading opportunities, was unable to capitalize on their scor- ing assignments before the game ended, bringing the same fine defensive play on the part of both teams. Titus, Tufts All-New England goalie, made several spectacular stops robbing the Trinity attack, but he was outdone favorably Tufts for the majority of the game but was unable to work off his scoring opportunities. Coach McPhie shuffled his starting assignments before the game, putting Paul Kadlac and Terry Oulundsen with Diuk Cunneen on forward assignments before the game. John Day who scored five goals against Trinity last year, was guarded alternately by Paul Kadlac and Tony Siriani, who fired once, the last goal. Jumbos Beat Stickmen, 4-1.

Late in the first period Trinity registered its second goal of the game, but neither team brought the same fine defensive play on the part of both teams. When Frank Sears took advantage of a scramble in front of Tuft's cage to scoop the loose ball past the goalie of the Medford pachyderms. During the second period, the teams played evenly with neither team making the low-scoring contest.

The Banям J.V., posting a time of five minutes five seconds, lost to an even smaller margin of two and one half inches to a strong Amherst J.V. over a six mile course. Trinity stroke Henry Harris kept a high boat throughout the race beating Tariff and Clark which finished fifth and sixth respectively. Trinity's freshman crew today won their first race of the season with a time of five minutes 23 seconds. The fresh will be rescheduled, but the men remain hopeful of placing first in the remaining races.

MEDFORD, MASS., MAY 5 — The Lacrosse team, after leading opportunities, was unable to capitalize on their scoring opportunities. Coach McPhie shuffled his starting assignments before the game, putting Paul Kadlac and Terry Oulundsen with Diuk Cunneen on forward assignments before the game. **Dathmen 4-1 After Downing Holy Cross In Singles Play**

BY JACK O'NEIL

MAY 5 — In a return for the first time since April 27, the varsity tennis team knocked off Holy Cross here today by a 2-2 result. The Dathmen made a clean sweep of the singles events, but lost one of the two doubles matches.

Captain Don Mills won the number one singles contest in two sets, and it took Brian Lasky and John McLaughlin to win three sets before he finished off the opponent. Captain Don Mills lost the third set, which was won out, 1-6. Brian Lasky defeated John McLaughlin 6-2, 7-2, 6-4, and Jumbos Beat Stickmen, 4-1.

With only a few Seniors on the squad, Trinity can expect to field more first team next year. One exception seems to be in order. Why not utilize your talent to the fullest by sending an entry to participate in the AUA Knights of Columbus. Post Boys, or some other widely published track meet. This would serve a dual purpose.

First it would give a few of our outstanding boys the chance of a lifetime—to race against some of the better runners in the country. Secondly, it would do much toward making better known the name of the College. One logical choice of an event might be the mile relay where we have a host of promising runners to choose from. I'm quite convinced that our fellow would gladly accept the challenge and give the others a good run for their money. It's certainly worth a try.

Trio of Juniors Lead Rout

Bantam Hitting Stops Bowdoin, 10-1

BY KEITH WATSON

Brunswick, ME., May 6

After a double-header aberration, Trinity's offensive threat suddenly came to life as the visitors today raked four Bowdoin pitchers for 11 hits on route to a 10-1 victory.

Leadoff man Tom Calabrese hung out three singles in five trips, accounting for one-half the Trinity tallies with three RBIs, and two runs scored. The left side of the infield also had a good day as third-sacker Wes Feshler and shortstop Tom Halloran each chipped in with two RBIs.

Benefiting most from the outburst was starter John Pitcairn, who notched his first victory of the year. The left-hander fooled himself in trouble with six walks in as many innings, but his fine strikeout rate prevented much harm from being done. He permitted only two hits.

Trinity Puts It Away

Trinity scored early and often. In the first, Tom Calabrese singled and moments later wound up on third base on a wild pitch. Two out, Rolfe Johnson's single to center sent Calabrese home. The Bantams scored twice in the first inning when Calabrese singled home Feshler and Dave Raymond who had singled.

Trinity put the game away in the fourth, scoring three runs without making a hit. Two outs, Tom Calabrese reached on error and Raymond reached on error. Feshler then knocked in his second and third runs of the day with a double down the left-field line. Three more walks accounted for the final trio runs.

Bowdoin inserted a shut-out in the sixth on a single, a walk, and an infield out. Don Woodruff returned in the seventh and permitted only one man to reach base the rest of the way.

Bowdoin Closed

The seventh also saw Shults out to clear his bench. He put in a completely new outfield and subtilized Jerry Donohoo at third base. Only the remainder of the pitching corps and manager Reppetto did not see action on this typically-crisp Maine afternoon.

The win raised Trinity's season mark to 6-3 and evened their record at 3-3. UMass now stands at 4-1.

Frosh Top Powerful U Mass

May 5—The Trinity frosh nine out-scored their previously unbeaten Massachusetts opponents, 10-8, here today before a well-entertained parents' day crowd.

Although out-hit by UMass, 11-9, the baby Bantams took advantage of no less than eight errors by the visitors. The team batted at nearly an even pace for the first seven innings. But in the eighth, two errors, an infield hit, and Tom Shea's two-run single brought home the winning rallies.

Ed Laccertini started the game for Trinity and weathered the storm until the ninth when UMass again threatened. At this point Coach Sam Massry called in Sam Petullo to preserve Laccertini's win.

The contest evened Trinity's season mark at 3-3. UMass now stands at 4-1.
