Bolivian Newsman Examines 'Failure' Of All-American Program

By JERRY LIEBOWITZ

JAN. 10 - The Student Fine Arts Campaign has collected $121,257 in brick campaign donations, and plans include continuing the brick campaign through semester break, according to the program chairman. Several thousands of dollars in chairs and bricks have not yet been turned in, and the program faces the possibility of running out of funds.

1. Many who did not receive bricks at all or is likely to sell them before the end of the semester, Schiro said. Bricks that were mailed to students were only slightly delayed in the Christmas rush, he said.

2. Students who did not receive and sell bricks have shown an interest in selling more over the semester break, he said.

3. "And it is hoped that students who did not sell any bricks, for whatever reason, will have an opportunity to sell out one brick," Schiro emphasized.

"OUR GOAL is a high percent- age of student participation. If we can arbitrarily define that as at least 70 percent of the student body participating, we will have a tax- deductible five dollars to the Fine Arts Center," he said.

Tower concurred with this state- ment saying it is "most important" that each student participate. "This is where we will be the most helpful to the college," he went on.

WES ‘OUTSHOOTS’ TRIN FIVE, 59-50; DAVENPORT HOOPS 23

BY KEITH WATSON

MIDDLETOWN, JAN. 5.-Trinity dropped a 59-50 decision at the hands of an undefeated Wesleyan as five free throws in the contest that featured more style than basketball skill. Evidently looking forward to semester exams, both teams fell under the 30 point limit from the floor, with the visitor's final shooting little improvement over this margin.

The deciding factor of the game was the 2-0, 250 lbs. Winky Davenport of Wesleyan, who broke the team's back. The little guard, who is not known for his prolific scoring, moved far enough away from Wincx to see the basket and threw in two quick baskets. Shortly thereafter, after the large center committed his third personal, and was given a chance to see the basket and throw again, Winky Davenport’s hook shot put Trinity only four markers ahead. However, as close as they could come all night. Steve Humphrey, who broke the range from his guard position, and the half Wesleyan possessed a 32-24 lead.

Trinity Failing back to within five as the second half opened, but their continued inability to score from the foul line, especially in the many one-on-one situations presented them, made it difficult for the visitors to overtake the lead.

The game started out as if it would be a longer night than it was. Trinity did not garner their first field goal until the eleven minute mark, when Bill Gloth’s hook made the score 1-5. Fiyer continued very ragged on both sides until the entrance of Bob Voorhees, who brought the team to life.
