Bootsie Tie Wesleyan to End Fine Season; Frost Undaunted

In 2-2 tie with Wesleyan, the victory would have moved New London alumni team to a tie for first place in the New England Football Association, but instead the Bantams ended their season in a four-way tie for second. The score was 0-0, with both teams playing well but the score remaining unchanged.

The Bantams scored an early 7-0 lead in the first half, but fell 2-0 as Massachusetts rallied in the final period. The season ended with a 7-0 loss and two ties last year. Meanwhile, the freshman team capped a successful season with a 2-2 finale with successive wins over Nichols and Amherst 3-2 after an impressive 3-0 victory led by Sticks and Charlie Dye, University of Washington coach, and Bruce Drake, coach at the University of Oklahoma, conducted the four-day clinic at Haneda Air Station. Once, again undaunted, the Bantams made their mark in the sport of American football.

Wes Victory Highlights Yearling Grid Season; Squad Shows Future Promise

 Plenty of power was apparent in the freshmen football team this year as the season opened with a resounding 20-0 win over Wesleyan. Theory's record surged to 337 yards rushing and 13 first down to a score of 51 yards and 3 from their traditional rivals. In one annual game, the Bantams scored a 27-0 win over Holyoke, which was followed by a 24-12 win over Notre Dame.

Secretary—James Richardson, N.A. Tech, Town, Naval Air Station, Jacksonville.

Two years ago it was on the move back west of the mountains. From Arizona, the story goes, the former secretary of the Arizona Military Association was dashing through the desert on his way to Los Angeles, where he had been engaged in a business deal. The deal went sour, and he found himself with no money and no prospects. He decided to take a chance on the Navy and he joined the service as a petty officer. He served in the South Pacific, and was one of the last to leave the island of Guadalcanal. He is now stationed at Treasure Island, San Francisco.

1952

Secretary—David J. Codd, H., Harford Business School, Boston, Mass.

John Johnson went on a trip to the West Coast last week to attend the annual convention of the American Society of Mechanical Engineers. He reported that the convention was well attended and that the exhibits were of high quality. He also said that he had met many old friends and made new ones. He plans to return to New York City in late August.
