RACE HYPOCRISY

Condemned by Bishop Gibson

South Not To Blame
He Asserts

The Rev. Robert Feiler Gibson Jr., who spoke the baccalaureate sermon, told the graduates that the Negro cannot blame the white South, and the white South cannot blame the Negro, for the plight of the Negro.

He added that the Negro has only himself to blame.

"What is the Negro's problem?" he asked.

"It is the problem of his own past,..." he answered.

"We set out to fight against prejudice, to bring about a better world. Our fight against prejudice became a form of our own..."

Bishop Gibson

The clergyman, who is the Episcopal bishop of the Diocese of South Carolina, in the United States, said that the Negro has been deprived of his rights because of his own past.

fueld upon coming to college. Kelso Davis became associated in 1948 with a law firm practicing in this city and admitted to the Bar. In 1948, he was admitted to the Bar of the District of Columbia and began to serve on the McDonald & Company in 1948, where he has served as a partner since 1948. In 1948, he was admitted to the Bar of Connecticut, where he practiced law until 1950, when he was admitted to the Bar of the District of Columbia.

A distinguished leader in business and an accomplished political leader, he led a full and active life in the political world. He was a member of the Connecticut House of Representatives from 1948 to 1950, and a member of the Connecticut Senate from 1950 to 1952. He was also a member of the Board of Education for the city of New Haven from 1948 to 1950.

To Miss. Davis and the other members of the Connecticut General Assembly, I feel moved to send this evidence of my appreciation in our common cause.

Col. J. H. R. Davis

Col. J. H. R. Davis became the first and only President of the Connecticut College of Liberal Arts in 1875 at West Point, N. Y., as a part of the United States Military Academy. He was a graduate of West Point and a member of the class of 1875.

As always the colorful and artistic character of the Davis family was led by Pamela Marshall Fred C. (Pamela) Davis. Preparing for the professional life after graduation, she entered the field of architecture in New York City, where she worked for more than 70 years. She was called to the Bar in 1922, and became the first woman to be admitted to the Bar of the District of Columbia. She was also a member of the Board of Education for the city of New York.

Graduation

(Continued from Page 1)

The 1950 graduation Exercises were held in the auditorium at the College. The exercises were conducted by President Jackson and were attended by a large number of students, faculty, and guests. The exercises began with the singing of the National Anthem, followed by the presentation of diplomas to the students. After the exercises were completed, the students and faculty gathered in the cafeteria for refreshments.

Ron Kinney '15 19th Recipient of Eigenrodt

Ronald E. Kinney '15, recipient of an alumnus award at the commencement exercises June 10, also was named Alumnus of the Year and received the Eigenrodt Trophy as an expression of his great contribution to the college's welfare.

Presentation of the trophy, which was first awarded in 1915, was made by Leonard Adkins '13, representing the Trinity Board of Fellows. Each year they select the recipient of the honor on the basis of service to the College and success in the chosen profession of the recipient.

Only three times in 1956 and 1948, and 1942, the award was not given. Other winners have been, in the order of receipt, William G. Mather '77; Joseph J. Bari '30; Menard White '50; Judge Philip J. McCook '70; Lowry Pond '84; Richard B. Wright '19; Charles G. Whitehead '19; J. H. and L. F. Brinton '92; T. L. Hooker '90; C. K. Harker Jr. '31; Carl W. Hultén '29; and John Reitemeyer '77.

Mr. Kinney, a past member of the Trinity Board of Fellow, and a former Alumnus Trustee, is one of Trinity's most active alumni.

After leaving Trinity in 1915 he joined the insurance business, and today is president of the company he helped found in 1921. It was then that he became associated with the company, which has now become the third largest insurance company in the world.

In 1914 Mr. Kinney was elected to the Board of Fellows, and served as president of the board in 1916-1917. He was chairman of the board from 1921-1936, and chairman of the trustee board from 1936-1944. He was chairman of the board again from 1944-1946, and again in 1946-1948.
