Largest Class in History Graduates

During the Moments of Waiting...

To the strains of the Processional March played by the First Company, Governor's Foot Guard Band, the largest class in Trinity history wound its way down the Long Walk for the last time as undergraduates. Waiting for them under the outstretched arm of Bishop Brownell was an overflow audience of about 4,000 well-wishers. When the ceremony was over Trinity had acquired 458 alumni with bachelor's degrees and 70 with master's degrees. Seven persons were awarded honorary degrees.

In his charge to the senior class, President Lockwood said in part, "We all look ahead with uncertainty. Yet, whatever our positions, we know that we want to create a world of our own making, received but not precast. We hope that somehow we may make a mark on the world we inherited.... We are linked with one another; we define our humanity by both our contemplation and our action. I have only this simple message: do it your own way, but do it humanely...."

The College awarded honorary degrees to Mary Ellen Avery, M.D., professor of pediatrics at Harvard University; Ostrom Enders, retired Hartford business executive and civic leader of Avon, Conn.; Harry J. Gray, chief executive officer, president and chairman of United Technologies; Frank S. Jones, professor of urban affairs at Massachusetts Institute of Technology; The Right Reverend Robert S. Kerr '40, Episcopal Bishop of Vermont; Robert B. O'Connor '16, architect and consultant; and W. Anthony Paddon, M.D. '35, director of Grenfell Association Northern Medical Services of Labrador.

This year's graduates came from 32 states plus Puerto Rico and the District of Columbia and four foreign countries. The class included the largest number of women to graduate since the College went coeducational in 1969. The Bachelor of Arts degree was awarded to 358 students and the Bachelor of Science degree to 100. Valedictorian was Stephen J. Poole of Wilmington, Del., a biology major. Phi Beta Kappa, Holland Scholar and honorary H.E. Russell Fellow, who also received honors in general scholarship and departmental honors in biology.

Susan Anne McGill of Glastonbury, Conn., was Salutatorian. A biochemistry major, Phi Beta Kappa, Holland Scholar and Krieble Scholar, she also received honors in general scholarship and departmental honors in chemistry.

Thirteen other students received Honors in general scholarship. They are Donald C. Baur of Meriden, Conn., also with honors in history; Phyllis K. Roberts of White Plains, N.Y.; Michele E. Veseskis of Hartford, also with honors in English; Timothy A. Cross of East Sandwich, Mass., also with honors in chemistry; Thomas E. Bell of Berwick, Pa., also with honors in biology; Daniel S. Silver of Manchester, Conn., also with honors in mathematics; Steven M. Salky of Memphis, Tenn.; Paul R. Sache of Bala Cynwyd, Pa., also with honors in psychology; Alan S. Hergert of As-

burn. Wash., also with honors in economics; Stephen J. Swiatkiewicz of East Hartford, Conn., who also received honors in history; Sally E. Tarbell of Windsor, Conn., who also received honors in psychology; Stuart L. Korman of Baltimore, Md., who also received honors in psychology; and Barbara F. Bass of South Glastonbury, Conn., who also received honors in biology.

A total of 87 seniors were graduated with honors in their respective major areas of study.

One senior, Chester B. Derr of South Woodstock, Conn., received a B.S. degree from Trinity and also received a Master of Science degree in Mechanical Engineering from Rensselaer Polytechnic Institute under a professional degree program in conjunction with R.P.I., in Troy, N.Y.

The first member of Trinity's Individualized Degree Program to graduate is a member of the class of '76. She is Kay Lazarus of Simsbury, Conn., housewife and mother of three, who received the B.A., a married couple also graduated. Eileen and John Fisher also received B.A.'s. Eileen, originally from Canton, Conn., met John Fisher of Clifton Heights, N.J., while at Trinity. Barbara Bass of South Glastonbury, Conn., returned to Trinity after receiving her B.A. in 1972 to acquire a B.S. in biology this year. In the interim she worked for the Lung Association for two years and in 1975 was appointed by Connecticut's Governor Ella Grasso to the Nuclear Power Evaluation Council whose report on atomic safety regulations is due next February.

Alexander Lepak, Jr., of Windsor graduated with one of the largest numbers of majors on record. Lepak, a former "Green Beret" and professional musician, majored in physics, mathematics and chemistry for the B.S. degree.

Leanne Garofolo of Wethersfield, Conn. made graduation a family affair. She has three brothers, all of whom are Trinity graduates. Her father, Alfred Garofolo, a retired Hartford police captain, is Trinity's director of campus security and is also taking courses at the College.

Two women whose children are also attending Trinity received degrees. They are Margery Izard of Wethersfield, Conn., whose son is a freshman and whose husband is Trinity's medical director; and Barbara White of Hartford, mother of four, whose son is a Trinity sophomore.

"Joke Night" Not A Joke
Campus Gathering Causes Concern

As the 75-76 academic year drew to an end, the college community was unexpectedly and abruptly faced with a problem, the nature of which, in the light of past experiences, there is no one perfect solution. The affair began with an expression of racist and sexist sentiments on the campus compounded within a few weeks by the subject of news articles and editorials throughout the country. Edward Fischers association mainly supported the stand taken by President Lockwood, who had moved quickly to curb further occurrences, somberly, however, urged the College to consider the constitutional right of free speech could be jeopardized...

The postmerional affair began innocently enough as a student-sponsored "Joke Night" held on campus in early April and attended by about 250 students. What occurred is summarized in a letter reporting on the event written by Dr. Robert Lindsay, professor of physics and chairman of Trinity's Special Council on Minority Students, and vice president Thomas A. Fischers. President Lockwood had asked the Council to prepare a report with recommendations.

On April 23 the Council met with members of the Student Government Association, members of Mather Board of Governors, some of whom were present at the April 9 Joke Night, and with a member of the faculty and an administrator who were also present during a part of the evening. We listened to approximately two hours of accounts of what had taken place at Joke Night, and there is no question in the minds of the Council's members that the event was outrageously offensive to blacks and to women.

In April the College announced adjustments in administrative assignments to meet more effectively foreseeable academic needs. J. Ronald Spencer ’64, dean of students, has been appointed dean of institutional affairs. Spencer received an M.A. in history from Columbia University and joined the history department at Trinity in 1968. He was appointed dean for community life in 1971 and three years later was named dean of students. A part-time Hartford newspaper reporter during his undergraduate years, Spencer served as a lecturer in history at Brooklyn College of the City University of New York from 1966 to 1968. Spencer will work with faculty on academic programs, assist in the clarification of academic objectives, oversee aspects of the curriculum and relate student problems to existing and proposed programs.

Alumni Trustee Named

James A. Van Sant ’52 was named Alumni Trustee after the closest election in recent years. On May 22, Alumni trustees serve for six years on the Board representing the entire alumni body. They also work closely with the Alumni Executive Committee on affairs of alumni concern.

After leaving Trinity, Van Sant attended London and later Washington University in St. Louis where he received his M.A. in 1957 and taught at the English department from 1956 to 1965. He graduated from the Harvard Business School Advanced Management Program.

Van Sant joined General Steel Industries, Inc. of St. Louis in 1964 as director of public relations and advertising after serving from 1958 to 1964 as executive vice president of Lomino Skinner, Jr. Public Relations, Inc. He then became successively vice president, executive vice president and president of General Steel Industries, Inc.

When Van Sant was named “man of the year” in 1973, rather than respond with a speech at the presentation ceremony held at William Woods College in Fulton, Missouri, he sponsored a recital by concert pianist Eugene H. The recital was conducted by the College's new symphony orchestra. The recital was followed by a reception and a buffet dinner.

Fall Tour Abroad Slated for Alumni

After Russia, Spain and England, what's next For the Alumni Office, the
answer this year is Italy with a focus on the
capital cities of Florence and Venice.
The four-day tour for Trinity Alumni begins at Hartford's Bradley
International Airport on October 5 with a return date of October 13.
Accompanying alumni will be Profes-
sor Michael R. Campo, chairman of Trinity's Department of Modern
Languages and director of the Cesare
Barbieri Center, who promises, among
other diversions, to introduce all
courageous volunteers to aspects of
Roman night life seldom seen by less
fortunate tourists. Campo will be the
companion on a tour of Trinity's Barbieri
Center/Rome Campus.
For the flight to Rome, passengers will board a charter plane from JFK 707 jet at Bradley in the evening,
arriving in Rome the next day in time
for a welcome wine and cheese party at
the Beverly Hills Hotel. After three
nights in Rome, with days filled with
sightseeing at St. Peter's, the Pantheon,
the Spanish Steps and, of course, the
Trevi Fountain and afterwards free to
pursue individual interests, alumni will
continue their excursion for Florence.
In Florence two nights will be spent
at the Hotel Plaza or Anglo. As in
Rome, professional guides will escort
the group through the historic city.
Some of the high points: The Duomo,
the Bell Tower, the Academy of the
Arts with Michelangelo's famous
David. Again, about half of each
day will be free for personal activities.
The motor coach with bilingual
hostesses will then roll through Bologna
and Verona to Venice where alumni
will step into a motor launch for a short
ride through the famed canals to the
Hotel Excelsior dei Bains. Two days
of sightseeing include such landmarks as
the Doges' Palace and St. Mark's Square,
with pigeons guaranteed, will follow,
capped by an arrivederci dinner. Then,
after breakfast at the hotel the next
morning, alumni will board the plane
to the Venice airport for the return trip
to the U.S.A. and reality.

Class of '26 Joins the Immortals

CLASS OF '26 began their 50th
Reunion on commencement weekend
when they were formally inducted into
the Immortals Club at Hartford
University. A total turnout of 176 alumni, spousal and college administrators attended. From the
left above, first row, Harry Wallad, James Burr, Perry Hough, Norm Pitcher,
John Lismon, Ken Steur, Ben Warren, second row, Richard Ford, Walter Riley,
George Jackson, Ross Parke, Herb Noble, Harold Messer; Third row, Bill Nielc,
George Hamilton, Bob Newell, Dave Loeffler.
If you plan to be on the Cape during that period and have no one to contact in your absence, please have someone write or call the Alumni Office (203/572-3513) to arrange for someone to look after your house with the Bob Plumbs, parents of Robert P. Plumb, a Lawrenceville student who has applied to Trinity and is a member of the well-known Plumb family at Trinity (you can be admitted and come later). We shall write to Jonathan Edwards College at Yale for details and guests of John Emberley, former business manager of the University.

As a result of the writing of this report, Trinity was expected to have another good crew year and we hope many of you were able to participate in one of the regular events or enjoy the weather.

We are glad to hear that JOHN MASON 24 is back on the recovery trail after his recent illness.

I wish my wife would have written and told me you are up to do so we can pass it on to our family. Incidentally, I always enjoy your notes if you have not done so already, get aboard the Yellow Brick Road of the Trinity Alumni and help make your regular annual gift as well. The TRA is doing good work in this period and we are all happy this department is in able hands.

Loyal classmates, returning to celebrate our 50th are B. B. BURR, DICK FORD, GEORGE HAMILTON, PETER HOGG, TOWNSEND B. HOGAN, JOHN LUNNON, DAVE LITTLEFLEET, HAROLD MESSELS, BOB NEWILL, BILL O'LEARY, BILL RABE, JIM REYNOLDS, NORM TITCHMARSH, WALTER RILEY, RALPH ROY, KEN STEARNS, JIM STERNAD, LAD, BEN WARNER and Your Secretary. Most are accompanied by their wives.

What a grand time we had at the Immaculate Dinner on Friday, May 21 and then on Saturday the 22nd at the luncheon, taking session, and our get-together for cocktails and dinner afterwards. We heard from George Cooper's remarks to our Class on Saturday evening. (Editor's note: the highlights of the weekend was a special Art Exhibit of Prints of Greater Hartford by Class Secretary Mark Parke.) A very delightful weekend was a Memorial Service for the departed from our class as well as the Class of 16. We know it was a pleasant surprise to many when they saw how splendidly Trinity College has grown from that little line of Gothic buildings against the western sunset in nineteen hundred and twenty-two, over sixty years ago!

Last March, in spirit at least, we traveled along with IMMIE BURR and Betty as they traveled to Florida for three weeks, and then about 20 miles to Budapest, Prague, points in Central Europe and back to Washington, D.C.

At the time of the writing of this news, Prof. BURGER and his player were not expected to be with us at our 50th, along with KEN STRIB, Texas, NORM and Jean PETER of Florida, and GEORGE HAMILTON from Florida, and ISMAEL TADROS and Linda. From Michigan, What loyal classmates we have!

If we do not see you at least, we shall join with IMMIE BURR and Betty as they traveled to Florida for three weeks last March, then about May 4 to Budapest, Prague and points in Central Europe and back to Washington, D.C.

We know it was a pleasant surprise to many when they saw how splendidly Trinity College has grown from that little line of Gothic buildings against the western sunset in nineteen hundred and twenty-two years ago!

To you guys who make no note of this above, I must remind you that our Knights of the Round Table, their pewter mugs of mead held high, will certainly be celebrating the investiture of the eighth president of Trinity College, our Class of 1965, who is back on the recovery trail after his recent illness.

What have you done for a change of pace or fun and more traveling?

Mr. REYNOLDS retired last December from his job with the U.S.A.F. Department of Defense, Ops Air Force Base in Massachusetts, and he is traveling around the country with his trailer.

Since NED KENDALL's letter on the antidepressant Mithridate, pitcher, ED-WARD CRAM has added a memo of a viral baseball that Trinity played against Connecticut Aggies as they were known in those days. Eddy played second base at this game.

Relations between the teams were not too friendly. The Aggies had a big burly pitcher, who was cross-eyed and could fire the ball. He beaned Mr. Bill REYNOLDS, not sure if he could see the ball, his pitches sailed behind you, above you or wherever. Our team was glad to get out of Storrs after that encounter. If you ever battled against a cross-eyed pitcher who could fire the ball, it isn't fun. Eddy played 7 games at Trinity, and last year came up for the Amherst and Wesleyan football games and the alumni reunion. His address is Imperial Court, Apt. #6, 1433 South Belcher Road, Clermont, Florida 32731. I think Dr. BOB REYNOLDS remembers this game he was pitching in that period.

SPORTS ROUNDUP (continued)

WOMEN'S LACROSSE (from page 12)
Prior to their loss against Yale, the Bantams routed Conn. College and Wesleyan by respective scores of 11-0 and 11-1. Trinity finished the year with a string of six consecutive wins, including defeating Tufts 5-4, Brown 6-3, Mt. Holyoke 5-4, Smith 18-1, Miss Porter's 12-4 and Williams 19-9.

LACROSSE
Saddled with a myriad of critical injuries, the varsity lacrosse team turned in a less than outstanding performance in the early part of the season, dropping their first four games to New Haven 10-1, Southern Conn. 12-11, Amherst 13-6 and Tufts 14-6. The team's perseverance and determination proved unshakable, however, as the Bantams overcame their early 0-4 mark by rallying to win five of their final six outings to finish the season with a credible 5-5 record.

Trinity rebounded for its first win by rolling over Fairfield 18-10 and the Bantams' home opener. The explosive potential which Bantam offense exhibited against Fairfield was to continue for the remainder of the spring as Trinity went on to defeat Holy Cross 12-7, M.I.T. 10-4, U. Rhode Island 18-2 and Springfield 8-7.

The varsity's only loss during the second half of the season came at the hands of Wesleyan, who nipped the Hilltoppers by a slim 10-9 margin, with the Cardinals finally tallying in a sudden death period following two 10-9 ties.

In its second year under Coach Jule Farnham, the varsity golf team finished with a record of 8-5 and garnered sixth place finishes in both the University of New Haven Invitational and the New England intercollegiate tournament.

The Bantams opened the season by defeating Middlebury 1-0, and went on to split their next matchup against U. Hartford and U. Rhode Island, taking their final 1-0 and 1-0 victories over the Hawks while falling to the "Rhodies" by a slim 32 stroke margin. The linksmen won three of their next five contests before dropping 3-1 to the College 7-0 and Coast Guard 4-3, only to succumb at the hands of Tufts 4-3 and Wesleyan 1-0.

Following their strong performances in the New England and Hartford tournaments, the Bantams compiled a 4-2 win over M.I.T. prior to defeating A.C.I. and dropping to Springfield and Williams in quadrangular match play competition.

Women's lacrosse team finishes with a record of 8-5, with their only loss coming against Wesleyan. The team's perseverance and determination proved unshakable, as they overcame their early losses and went on to enjoy a successful season, finishing with a 5-5 record.

For the remainder of the season, the team continued their strong performance, achieving victories against Holy Cross, M.I.T., Brown, and U. Rhode Island, while taking a loss to Wesleyan by a slim margin.

The girls' golf team, in their second year under Coach Jule Farnham, finished with a 8-5 record. They had strong performances in both the University of New Haven Invitational and the New England intercollegiate tournament but were unable to secure victories against U. Hartford and U. Rhode Island.

The team managed to secure wins against Middlebury and dropped matches against the Hawks and "Rhodies" by a slim margin. They also performed well in the five contests before narrowly losing to the College 7-0 and Coast Guard 4-3.

Despite their losses, the team showed resilience and improvement in their last matches, defeating M.I.T., A.C.I., and losing to Springfield and Williams in the quadrangular match play competition.
Top Athletic Awards Announced

The winners of Trinity's five highest annual athletic awards were announced by Athletic Director Karl Kirth, Jr., during a reception held on May 7 in the Tansill Sports Room of the Ferris Athletic Center.

Senior A. Hobart Porter was named the 74th recipient of the coveted "George Sheldon McCook Trophy." The McCook award is the College's top athletic award and is presented each year to the senior who has exhibited outstanding "courage, dedication and ability" as a participant in Trinity athletics. Porter also received the "Blanket Award" as a ten-time varsity letter winner.

The "E.C.A.C. Outstanding Scholar-Athlete Award" was presented to Don Baur '76 in recognition of his concurrent achievements in the fields of academics and athletics. Baur, who was coached by former head track coach Bob Harron, was the College's outstanding junior scholar-athlete.

Karen C. Mapp received the "Larry Silver Award" for the student who, as a non-athlete, has made the greatest contribution to the Athletic Department according to the vote of the full-time staff.

The newly instituted "Bantam Award" was presented to Raymond A. Montgomery '75. The award is given by the full-time staff in recognition of the non-student who has done the most for Trinity's athletic programs.

Baseball, Crew, Golf, Track

Spring Team Awards Presented

The winners of this spring's team awards were announced recently at each of the squads' post-season banquets.

Senior pitcher Steve Carlow received the varsity baseball team's Dan Webster Most Valuable Player Award. Senior co-captain John Wiggins was named the recipient of the John Sweet Batting Award as the squad's leading hitter while junior first baseman Dave Weselcouch received the William Trawley Most Improved Player Award.

Coach Shults also announced the election of junior catcher Bob O'Leary as team captain for '77... Junior Mike Mackey received the Victor Novak, while the Craig Most Improved Tennis Player Award was presented to sophomore Andrew R. Vermilye.

Sophomore Bill Dodge won the annual Wyckoff Golf Award, while freshman Greg Carey and senior Sean O'Malley were named as co-recipients of the J. F. Boyer Lacrosse Award.

Wickers Award as the "freshmen who exemplify the spirit of the founders of Trinity crew..."

The Robert S. Morris Track Trophy was presented to senior co-captain Victor Novak, while the Craig Most Improved Tennis Player Award was presented to sophomore Andrew R. Vermilye.

Sophomore Bill Dodge won the annual Wyckoff Golf Award, while freshman Greg Carey and senior Sean O'Malley were named as co-recipients of the J. F. Boyer Lacrosse Award.

VARSITY SPORTS ROUNDUP

Baseball

Trinity's varsity "nine" closed out one of its finest years in recent memory with a 7-0 shutout victory over Wesleyan. The victory gave Bantam hurler Jim McGrath his fifth win of the year and raised the team's final season record to 14-8.

The Bantams opened the season in Florida on a strong note, winning three of their first five contests. They defeated Unions twice, 10-6, 7-4, and Florida Bible College 10-0 while losing close contests to Wesleyan 9-8 and M.I.T. 4-2.

Returning to Hartford for their first homestand, Trinity walloped cross-town rival U. Hartford (9-0), Conn. College (9-0) and Rhode Island (8-1) before dropping its first match of the year against a strong Yale team (7-2). The Bantams routed their next four opponents, defeating Amherst (8-1), U. Conn. (8-1), Springfield (9-0) and M.I.T. (9-0) before losing their second match of the year to Williams (6-3).

Trinity journeyed to the New England tournament in Amherst, Mass. with a 7-2 record and three of its top five players seeded. Senior co-captain Jim Soloman came into the event ranked third, while junior Charlie Johnson and freshman Eric Matthews garnered rankings of fourth and sixth respectively.

Entering the tournament, Trinity combined their efforts tallying a total of 26 team points at Amherst to finish ahead of 22 of the 28 participating schools. Trinity's efforts were highlighted by the doubles play of Jim Rice and Eric Matthews who made their 10-point lead before they were edged by a pair from Dartmouth.

The varsity split its final two regular season contests. After suffering a disappointing loss at the hands of Army (6-1), the Bants closed out the year with a highly successful effort against Wesleyan (9-1).

Sophomore Andrew Vermilye finished the year with the squad's best individual record at 9-1, while Jim Solomon and Jim Rice were close behind with 9-2 marks. Charlie Johnson, Eric Matthews and Tim Jenkins each posted strong 8-3 individual season records.

WOMEN'S LACROSSE

In its second year under the direction of coach Robin Sheppard, the women's lacrosse team surpassed its opposition by an astonishing 96-33 margin to post an outstanding final season record of eight wins and one loss.

The only blemish on the women's record came at the hands of Yale in a hard fought contest which saw the Bantams rebound from an early 3-0 deficit to knot the score at 5-5 by the end of the first half. Throughout the second period Trinity matched Yale goal for goal, but a tally by Bantam Cackie Bostwick in the game's closing minutes was disallowed, leaving Trinity on the short end of the stick as the battle ended at 5-4 in favor of Yale.
