PRINCE TON'S NEW HEAD.
Inaugurated Saturday Night Before Distinguished Gathering.
John Grier Hibben, formerly professor of political science at Princeton University, was sworn in as its head last Saturday before a distinguished gathering of many of the Harvard alumni and faculty. The oath of office was administered to the new president by Mahlon Pitney, the newly appointed Justice of the United States supreme court, and among the speakers at the luncheon which followed was Professor Taft, White, President Patton of the Princeton Theological Seminary, and Presidents Lowell of Harvard, Schurman of Cornell, Hadley of Yale and Butler of Columbia.
Professor Wilbur M. Urban of the department of philosophy represented Trinity at the ceremony.

Ahern Goes to Canada.
It became known a few days ago that Philip A. Ahern, '12, who has been absent from college for several months, will return with a connection on his neck, which has been steadily sapping his strength since the first of the year. An operation was performed on the growth a short time ago, but gave him no relief. He left last night for a sanitarium near Quebec in Canada, in the hope that the climate and care there may benefit him. A numerous Trinity delegation was at the Union Station to see him off.

FOOTBALL PRACTICE.
Sixteen Men Will Go to Training Camp Next Fall.
Professor Gettell had all members of last year's football team who do not graduate this June out for practice yesterday and the rest of this week he will work with the candidates for quarter-back out. He has nearly completed his plans for training camp this fall. About sixteen players will be taken to a summer hotel (not yet definitely chosen) on Long Island.

Wesleyan Takes First Game.
Methodists' Star Fielding and Trinity's Errors Responsible.
Wesleyan defeated Trinity 11 to 1 at Middletown last Saturday, before a number of undergraduates from both colleges, and Wesleyan Junior Week guests. Both pitchers were hit rather freely, Wesleyan scoring 11 hits and Trinity 9, including a two-base hit, and working places often scoring one or more runs for Wesleyan. Wesleyan, on the other hand, showed up splendidly in the field, making only one error, and working two clever double plays.

In the first inning Murray sent the ball out to left field where Mc Cue singled, but was put out on a double play when L'Heureux sent a ball to a grounder to Wright. In Wesleyan's half of the inning, Diamond fanned out, McCarthy was hit by a pitched ball, McCarthy sent a grounder out to Wright, in which Wright, as a result of a hit, put out McCarthy.

Now Then, Trinity!

There is no getting around the fact that thus far the baseball season has been a disaster for Trinity, and last Saturday's defeat was a hard blow to those who have been hoping that the team might yet redeem itself by taking two games from Wesleyan. Our rivals in Middletown beat us because they had the better team and so there is no reason for complaint on that score. The fact remains that we still have seven or eight games to play, and a week of practice intervenes before the next one. In this time, if the weather will condescend to reform, there is a chance for some good hard work and a determined effort on the part of everybody to play the best ball he can be capable of. The season is still far from finished, and our support is not going to cease until the last game is put out and the nine disbands for the year. So long as the team is playing, so long does it deserve all the encouragement, and cheer, and back-up voting; we can give it.

Cut the knothing and boost for all you're worth.

Inasmuch as the “prom” girls will continue to wear flimsy and inflammable gowns to Trinity's dances, whether the weather is wet or dry, this season con-continue or not, it has been suggested that the ban on the latter be rescinded and that a prohibition on the practice of smoking in the building be made into a law, and enforced. The men who would readily give up the “tween-dance cigarette” that the privilege of decoration with bunting and draperies might be given back.

Unless the weather man hands out a steady and more suxul article shortly, he stands in danger of losing his job. Two hundred Trinity undergraduates demand reform.

BIG LEAGUE GAME A TIE.

Psi Upsilon and Sigma Psi have a Hard-Fought Battle

The “Sunrise League” was represented Monday morning by the teams of Psi Upsilon and Sigma Psi, and after seven innings of exciting ball, Upsilon 'L'Heureux called the game with the score 5 to 5. It was Psi Upsilon's second game in the Intramural series, and its second tie game. Wessels and Brand opposed each other in the pitcher’s box, with honors about even. The former had eleven strikeouts to his credit, and passed six men, while the latter struck out nine men and issued but three passes.

Both teams scored in the first on bases, Vizner, Murray, Pasture, and Shelley, Durling and Gillies. Three-base hits, Murray, ss, Durling and Gillies. Two hundred Trinity undergraduates made their cheers, and hearty backing we can give it. Our support is not going to cease.
