CENTENNIAL FUND GAINING

AND IS BEHIND SCHEDULE

Class of 1888 Registers Largest Increase, With 11% Gain. Fifteen Classes Advance in Percentage.

FUND MUST SECURE MONEY AT RATE OF $1000 DAILY TO RECEIVE EDUCATION BOARD GIFT.

It is Imperative That Pledge Be Paid When They Fall Due, As the Rockefeller Foundation Gift Is Based Upon Paid Pledges.

Some mistakes have been discovered in the list of class subscriptions which were published in our last issue. These have been corrected, and we should appreciate it if the readers of THE CENTENNIAL GAINING will aid in making it perfect.

The drop kicking contest to be held next week has been inspired to have the class be given another chance. Certainly, the game Wednesday, April 26, was dropped and kicked away. Trin-

SOUTHERN TRIP IS FAR FROM SUCCESSFUL—ALL GAMES LOST

Team is Buried Under Huge Scores in Three of Four Games Played.

One Bright Spot Is Ten- enning Battle with P. M. C.

Miserable Fielding and Weak Pitching Responsible for Defeat. Tuck 

Out of the six games that were scheduled for the Southern trip, which took place during the past Easter vacation, the baseball team lost four, while rain prevented the other two games from being played. The lack of pitchers proved to be the weakest part of the team.

The deficiency of the first-String Brooklyn Polytechnic Institute defeated Trinity by a score of 3 to 2. Five pitchers were used in this game, Tobin, and Brainard, while Robinson was shifted from third base to pitch.

THE THEPOLD

He Reached the Top

THE Vice-President of a great life insurance company who began his career as an agent has this to say to seniors who are about to graduate from college:

"If you love work and desire to pursue an honorable, useful and lucrative mission in life, this is the best business you can engage in. A career in the Life Insurance business offers a fine field for the energies of the splendid young men and women you see here today.

"That is this true is demonstrated by those college men who have taken up life insurance for they have shown that the college man is fit for this kind of job and the job is also fit for the college man.

"The work of the life insurance salesman is distinguished by independence and opportunity for directing his own. It gives all possible opportunity for individual initiative and a chance to make an amiable income at an age when most fellows are struggling on a wage pittance.

"This is the story of one who began at the bottom and reached the top without the help of a college education. The advantages are with you who graduate from college. Before deciding your careers make inquires of the "Agency Department."

First Down—60 Years to Go!

THE Football Rules Committee can abolish a lot of things. But they can't legislate against having fun while you're shaving.

Tackle that generous tube of Williams' Shaving Cream from the Freshman's First Down to the Senior's hardy whisker defense, Williams' rich lather smooths the way.

Football is a long way off, but the season for good shaving is on all the time—if you use Williams'. It softens and lubricates your skin and leaves your face refreshed—clean—invigorated.

Try it tomorrow before chapel.
