SPRING SPORTS GET UNDER WAY—PROSPECTS BRIGHT

Baseball Squad is Staging Daily Games on the Campus.

FEED AND FIGHT OF MEN IS ENCOURAGING SIGN.

Every Position is in Doubt. Green Pitching Staff is Problem.

Baseball Coach's staff is composed of men who stage daily games between two misc". Given one week of spring weather, the diamond aspirants will be in fairly good condition to note in addition, for getting things on pace on April 11, with Clark University. The most pleasing thing about the squad, to the eyes of upholders, is the "pepper" and fight every member of the team has on their lines and taking things up all the time.

The games played thus far have had the interesting result that first, rivalry for each position will be very keen, and, secondly, the lineup and place of each man is questionable. The coming spring season will be a decided improvement, although little doubt exists that the final team will be a solid, strong one that will be capable of competing with any team in the country.

There is a collection, consisting of eig'ty-seven who is will be compelled to depend for its run and in addition, has given them toedly due to the personality lacking for some time, is imbued every man mentioned, has been pitching. The team were always base runners always ex-captain's tack. The

Fourty men answered Coach Harold Drew's call for track practice which has done the most shut up the track squad that Trinity has had for several years. In spite of the loss of the five big stars of last year's team, Hungerford, or Johnson, a weight man, Coach Drew has a wealth of material with which to work. The new men are providing a great deal of taking places of those men lost by graduations.

Practice is at present being held on the campus, as the running track at the High School is in admiration. Fortunately the track is drying out much faster than this year has been the case. With the fine weather and the lot of the new men, who are at present more or less unknown.

Veterans Back.

of last year's letter men Nash, Johnson, and Johnson were also on last year's squad. With the advantage of last year's experience the team is a very valuable man in the pole vault and the high jump, and he has made his letter in track in his Freshman year. Nash was one of last year's high jump men, as was also a plenty men who made the track can not be used right away or Coach Drew is as yet unable to tell the real merit of some of the new men who are at present more or less unknown.

The games played at the Hig'h which to work. The new

Dr. Swan to Give New Course.

Dr. H. C. Swan, Professor of Physiology in the College, has been placed by the Medical Director of the College, is seriously considering making a course in "The Psychology and Riding it into two parts; Physiology can be given the first half of the year, and Biomechanics to come during the second term. Dr. Swan is in favor of making this course compulsory for all Freshmen.

COL. WILLIAM C. SKINNER, 79, DIES FOLLOWING BREAKDOWN.

The Secretary of the Senate, known as the "factor of College Leaves Bequest of $5,000.

Colonel William C. Skinner, 79, born at Malone, N. Y., January 26, 1855, died in Hartford, March 8, 1934. He was a life member of the Sons of the American Revolution.

For the past few years Colonel Skinner had been a Trustee of the College and all his life he has been of service in many ways. His last act was to have arranged by the Board of Trustees for his former services will make his loss be felt. He was a member of the I. K. A. Fraternity.

Colonel Skinner was also a prominent business man and a director in many institutions. He began his business career in 1879, was in the insurance business in 1889, 1901, became connected with Colt's Patent Firearms Company and was vice-president. He held the office of president of the firm in 1907 and 1916 and at the time of his death, was a director of the Board of Directors.

A unique tribute was paid to his memory by R. P. Perkins, a director in the Adirondacks, who for the past 41 years has been the college's director.

NIGHT, and his champion is considered by him the hearing of Colonel Skinner's illness came to Hartford to pay his last respects.

MEMBERS RECEIVE GIFT OF BIRDS AND MAMMALS.

The Secretary of the Senate, known as the "factor of College Leaves Bequest of $5,000.

The specimens, mounted by Aldrich, a Hartford taxidermist who died recently, are in excellent condition, and will be opened at a later date.

The specimens are to be studied at the School of the specimens is that the track was in the weight events. This will be greatly strengthened by the addition of the poster and the poster throw. Kukita is the leader of the poster and he is good for ten feet, as he will not be able to run this year on account of his heart. Another big man, this year's team is to exp- Johnson, a freshman, who was one of last year's track men, is in High School team last year. Johnson does the middle distances. In addition, he is the star cross country man. He has been the 440-yard dash in St. Reilly, a half mileer, is another contribution from Hartford High. Morton is out for the half mile and looks like the favorite. All of the track team this week Coach Drew has been working with the weight men and giving them every chance to work until the track is in condition to be run.

Blind Athlete in Weights.

Herman Immel, who is totally blind, is being trained by Coach Drew as a candidate for the track of the Society for the Blind. He will be given the chance to work until the track is in condition to be run.

Man on the team. In spite of his great opportunities, however, through college by tuning pianos, as he has a marked ability in this line, can earn an adequate salary for his own support.

Manager T. S. Bradley has an- other of the following tentative schedule:

Tuesday, Union, at Union.
May 18—Eastern Intercollegiates, at Springfield.
May 19 and 20—New England Invitational, at Worcester.
May 28—Alumni State, at Kingston (pending).
June 3—Connecticut Arians, at New York.

SchooL of CiTizienship.

(Continued from page 1.)

All sessions of the school except the Saturday meeting will be held in the auditorium of the Civic Auditorium, North Main Street, and will be free to anyone who wishes to attend. The school will be open from 8:30 a.m. to 5:00 p.m. on weekdays and from 1:00 p.m. to 5:00 p.m. on Saturdays.

The school will be conducted by the director of the school, Robert S. Wood, and will include lectures, discussion groups, and tours of various institutions in the city. The school will focus on civic education and will cover topics such as local government, public policy, and social issues.

Connecticut Leads.

Over Half of Students From Nutmeg States—83 From Hartford.

Still another indication of the college's effort to represent students from all parts of the state is the fact that over half of the students enrolled are from the Nutmeg States—New England and the Middle Atlantic States.

The enrollment of the college is 1,611, divided as follows: seniors 313, juniors 384, sophomores 54, freshmen 119, and graduate students 7.

Physical Training is Revived.

Dr. T. B. Smith, Head of the Physical Training Department, has announced that physical training will be conducted during the college year. The program will include various activities such as swimming, running, and team sports.

The men's track team will consist of the college's leading athletes, and the women's team will be selected from the students interested in athletics.

The men's team will be coached by Dr. T. B. Smith, and the women's team will be coached by Mrs. E. F. W. Smith. The teams will compete in various intercollegiate meets during the year.

The baseball team will be coached by Dr. T. B. Smith, and the women's team will be coached by Mrs. E. F. W. Smith. The teams will compete in various intercollegiate meets during the year.

Howell's letter-he entered Hudson Bay and further communicated with the crew who were confident and requested that they be allowed to pass through the Canadian Influenza epidemic. The crew were allowed to proceed. Days later, an American ship arrived, and the crew was taken aboard and returned to New York. Thefollowing spring, the crew were discharged, and the ship was sold.

Drop Kicking Contest to be Held in May

Reisemeyer, '21, Offers Medals For Drop Kicking Contest

With the change in the football rules making a good drop kick even more of an asset than before, a special effort will be made here to develop men in this department and J. L. Reisemeyer, '21, a former football player and president of the Trinity team, has offered two medals to the men who do the best work in this field. The details of the contest have been left in charge of Coach Drew, but there will probably be two classes, one for football men who have never been in the varsity game, two medals being offered in each class.
