POOR PROGRESS SHOWN IN CENTENNIAL FUND

Total Amount of Pledges is Now Three Hundred Twenty-One Thousand Dollars.

FIFTY-FOUR THOUSAND DOLLARS MUST BE IN HANDS OF COMMITTEE BY END OF JUNE.

Rather poor progress during the past week is reported by the Centennial Fund Committee as up to the present time the total amount of pledges is only $581,000, which means that $88,000 has been received in the last week. It is absolutely imperative that $14,000 more be received by the end of June, in order to obtain the total of $878,000 desired by that time.

The class of 1893 has renewed per cent. subscription. A revised and corrected list of the class standings follows:

JONES Elected SECRETARY OF ATHLETIC ASSOCIATION.

Miller to be College Marshal while Niese is Chairman of Union Committee. Vote for President of Senate is Close.

Track Team Loses to R.I.

In the Final Spring Elections of College offices held last Friday, Robert Morton, of Hartford, was elected president of the Senate to succeed J. Bayard Cuningham, '22, of Hamilton; Stanley P. Miller, of Providence, was chosen secretary of the Centennial Fund Committee, and Frank S. Jones, of North Adams, Mass., was elected secretary of the Athletic Association; and Alfred M. Niese, '19, of New York, N. Y., was elected chairman of the Union Committee.

In the Primary Elections, which were held last Tuesday, and Ferguson and Webster were eliminated, leaving Norrie and Terrey in the race for President of the Senate in the Finals. In the Finals Hartt carried by a sizable margin, for Hartt is a Hartford man, and has played on the football team for two years. Norrie transferred from the Sophomore class, and Webster transferred from the Sophomore class to in college and class activities all during his college career. He is a member of the Delta Phi Fraternity.

Webster and Ferguson were also eliminated in the primaries for Chairman of the Union Committee. Niese, '23, carried the final election on a majority of 226, for Ferguson was his nearest competitor. Norrie transferred from the University at the beginning of his Sophomore year and since he entered Trinity has been in all college activities.

For College Marshal Miller, '23, won the election over Termey and Canner by a margin of twelve votes, and Miller has been a member of the football and basketball teams, president of his class and chairman of the College Finance Committee.

Morton, '24, had little difficulty in winning the office of Junior member of the Discipline Committee, as he had thirty-three more votes than his nearest opponent, Robinson. Webster is secretary of the college committee of the president of the college, three professors, and two students. Jones has been president of his class, chairman of the Freshman-Junior Banquet Committee, chairman of the Sophomore Banquet, a member of the football, baseball, and track team, and Morton is a member of the Psi Upsilon Fraternity, and the Sophomore Dining Club.

Jones, '24, was the only student of the class of 1924 to have any important office in college. Morton has been President of the Delta Phi Fraternity, and the Sophomore Dining Club.

Alumni Recall That
Annual Physics Joke

BYIRNE electrically" said the Prof. The class was mown down, one by one, like so many whiskers. And then—"no one has ever been able properly to define electricity since its discovery." And the smile dried
on his face!

Since 1840 Williams' Shaving Soap has been defined by hundreds of thousands of college men with one word—perfection.
And it doesn't dry on your face.
Example—Williams' Shaving Cream. At 7:50 you can whip up a creamy mellow lather that softens the heart of the toughest stubble. Your nicest slips along to a slick job and a glovesmooth face—in time to catch chapel at 8.
And the satisfaction afterward is almost indefinable at that.

KNEELAND AWARDED
ENGLISH PRIZE

Henry T. Kneeland, '22, of St. Louis, Mich., has been awarded the first prize in the alumni contest in English composition, while the second prize was taken by Harry H. Clark, '25, of Woodbury, Conn. The values of the prizes are twenty-five and twenty dollars, respectively, from the income of a fund contributed by alumni. The subjects of the contest are selected in consultation with the Professor of English Literature immediately after the Christmas Reces.

Kneeland transferred to Trinity from the University of Michigan at the end of his Sophomore year, and will graduate this June.

Plans Being Made for Intramural Tennis Tournament during Week of June 12.

At a meeting of the Intramural Fraternity Council held last Friday night, Howard J. Mohnkern, of Simonds, Long Island, was elected President of that body for next year, while Conrad H. Geenner, of Waterbury, Conn., was elected Secretary. W. C. Hicks, of Washington, D. C., while Geenner succeeds J. B. Plumb, of New Britain.

It was decided that the chair should appoint a committee to make plans for the annual tennis tournament to be played during the week of June 12, immediately following the final examinations. The competing body will probably be composed of two teams. Two singles and one doubles will then be played in each match.

The new members of the council for the ensuing year are: Howard S. Oretiz, representing Alpha Phi Rho; Conrad H. Geenner, representing Alpha Delta Phi; Luca Celentano, representing Kappa Kappa; Frederick W. Bowldge, representing Delta Pi; Robert R. Taken, representing St. Anthony Hall; Geo. P. Tenney, representing Psi Upsilon; Martin F. Garth, representing Sigma Phi; William G. Terrill, representing Phi Gamma Delta, and Paul J. Norman, representing Delta Kappa Epsilon.

Cup for Winning Class Offered by Dr. Locke.

Dr. Henry L. Locke is taking several courses at Trinity, has offered a cup to be awarded to the winning class in the intersing.

Her first class is being held by Dr. Locke. In the next few weeks college sings have been held on the campus at about three o'clock every Wednesday night, and this is responsible for the idea of an intersing. The matter is to be referred to the various classes, but the contest will probably begin next fall.

Commencement Week Program is Announced

The program for Commencement Week is practically complete and gives promise of being one of the most thoroughly successful Commencements that Trinity ever had. The Hon. W. Cameron Forbes of Boston and Professor Charles Seymore of New Haven are to be among the guests and will address the college.

Enormous as much as the plan was so successful last year when it was first tried, President and Mrs. Ogilby have decided to hold their recognition on Saturday again this year instead of on Monday as has hitherto been the custom.

Mr. Forbes is a graduate of Harvard University of the class of 1892 and was formerly governor-general of the Philippines. He has been a banker in Boston for many years.

Professor Seymore, at present professor of history at Yale University, is a graduate of Cambridge University, Cambridge, England, (1894), Yale University, (1906), and has studied more or less extensively at the University of Paris. Near the end of the recent war he was chief of the Austro-Hungarian division of the American Commission to negotiate peace; in 1919 he was the United States' delegate on Roumanian, Jugoslavian and Czechoslovakian territorial commissions at the Peace Conference at Paris. Professor Seymore is a member of the American Historical Association, the Alpha Delta Phi Fraternity, and Phi Beta Kappa.
