FORTY-SIX NEW MEN PLEDGED

Fraternities Extend Invitations as Rushing Period Closes.

At the conclusion of the two weeks' period of no pledging the seven national fraternities pledged a total of thirty-eight men, and the one local fraternity, Delta Kappa Epsilon, pledged four. Since then six men have been pledged at various houses, making a total of forty-six men who are pledged at various houses, making a total of forty-six men who are pledged to the different fraternities. Of these men forty-three are freshmen, two sophomores, and one junior. In comparison with past years, rather few bids were given out this year.

The names of the men follow:

Delta Alpha Phi—Charles Cook of Hartford; David Leffler of Lakeville; John L. Plum of New Milford.

Delta Phi—E. D. E. Mann of New Haven; Delta Kappa Epsilon—Richardson Wright, B. Sherman of West Hartford; N. R. Newman of Villa Park, N. J.; H. Reginald Newhall of New York City; for that matter—we have never played golf with him!), but he is a most interesting sort of philosopher, who sits out under his vine and fig tree and discourses extensively on the capabilities of owning a house in the country. "Truly Rural" is a whimsical collection of essays, each one as delightful as the others, although possibly the chapter on breakfasting is the most entertaining in the vol. The essay, after a lapse of twenty years, was written within three days, and Mr. Wright's book, with its rich fund of humor, is particularly timely. These days, and Mr. Wright's book, with its rich fund of humor, is particularly timely.

Mr. Wright graduated from Trin- city College in 1883. He was a member of the Delta Delta Phi Fraternity. He is editor of "House and Garden" at the present time.

SPOFFORD, '17, IN TEXTILE SURVEY

Trinity Man to Assist in Investigation in India by Department of Commerce.

Assistant Trade Commissioner Charles B. Spofford, Jr., has been hurried to assist in a special investigation of the vast textile markets of India by the United States Department of Commerce on behalf of the American textile manufacturers and exporters. Spofford was assigned to the Department's office in India where he will be second in command to Mr. C. B. Batchelor.

Spofford's home is in Claremont, N. H. He received a B. S. degree from Trinity in 1915, and an M. S. in 1919. He then spent several years at the Graduate school in New York City. He was a graduate student at the Department of Technology where he received the degree, B. S., M. S., M.A., Ph. D. He has had considerable experience in teaching and related sciences at several New England colleges and is now teaching in that department.

Professor Weeks is connected with the Engineering Department, as Professor Rogers is taking his sabbatical year.

FOOTBALL SCHEDULE AND SCORES.

FOOTBALL SEASON OPENS WITH THREE SUCCESSIVE VICTORIES

Haverford Loses 21 to 14 After Hard fought Battle in Which Kennedy and Keating Star.

WorcesterTech DECISIVELY DEFEATED IN GAME MADE BLOW BY WET WEATHER.

Lowell Textile First Victim to Fall Before Trinity Eleven—Score 9 to 2.

Playing the most spectacular game of the season, and making long gains on brilliant open field running, the Trinity eleven defeated Mr. King's College in the second game of the season. The game was de- parted with a 21 to 14 defeat and left Trinity victor for the third con- secutive time this season, thus smashing all records made by Blue and Red in recent years. This does not bar even the 1915 undefeated team that played its third game a tie.

While Coach Drew and the grand- stand spectators were pleased with the results of the game, there were many who thought the outcome was not worth the excitement. The game, however, was played.

Keeving made the most spectacular run of the game when, after Haver- ford had scored a touchdown in the first five minutes of play, he caught a punt from his own goal line and raced the entire 95 yards and planted the ball behind the Haverford goal line. Keeving's run was followed by the 1915 undefeated team's touchdown, which resulted in a tie.

Trinity's aerial game was not used to full advantage, except in one, which was completed for a touchdown on his 5-yard line and ran back another 5 yards and an end run around Trinity's left side for another 5. Another attempt to pierce the line found the Trinity line a stone wall of defense, and on the next play by Brown through the line. Anderson broke through and threw the runner for a loss of five, and an end run a 5-yard line and ran back the ball to the 25-yard line. Keating and Kennedy made nine yards through the line and then Wright lost four on a fumble. Sintoms put on to Haverford on her 35-yard line. The first play found a stone wall block-
The freshman being college comes to himself in an entirely new world. He misses the careful over­
sight of the home and preparatory school, or he misses the influence of the advice of his father and mother, or he
comes from a high school. He finds himself under the rough and sometimes harsh education system.

Woolsey's freshman team last year, played stellar games; Noble on line tackling and Fischer on line ploughing. Sinnott also broke through the line several times for good tackles. While the day was decisively not a good one for football, as is proven by the fact that the estimated amount of weight lost by the team on the field is 100 pounds, the game was an exciting one active one from the spectators' point of view.

The first score was made by the visiting team in the first quarter. Brigham, Lowell's quarterback and punter, kicked to Ortgies who stumbled on his own thirty-yard line in an attempt to get started and was thrown for a safety. Trinity followed with 3 points from a place kick in the second quarter and a touchdown in the last quarter completed the scoring for the afternoon.

The outstanding feature of the game was the ease and perfection with which the home team completed its forward passes. The same over-the-line system of passing that was used to such perfection last year was resorted to in this opening game of the season Saturday and completely dazzled the Lowell team and the spectators. The great ease of the offense was also gained through the center of Lowell's line by Kennedy and Fischer.

The longest run of the day was made by Sinnott around Lowell's right end. Fischer and Noble, a legacy from "Kill"

HAVERFORD GAME.
In the second game of the season, played with Worcester Tech. at Worcester, Mass., on Saturday, October 7, Trinity was victorious by a score of 18 to 0.

The field was extremely wet and soggy as the result of a steady rain and drizzle for twenty-four hours preceding the game. Consequently, the game was not sensational, but rather slow. Trinity opened the entire game straight football was used by both teams, while there were very few forward passes. Considerable work was done through the line but the next move, a trick play by Kennedy and Keating, advanced the ball a good distance. Considerably down to Haverford's 45-yard line. Kennedy made two plays through the line and, Keating made a 15-yard penalty on Haverford for illegal advance of the ball. Kennedy followed with seven more through center and Wright followed with four more off tackle. A yard by Kennedy off left tackle and a 15-yard penalty on Haverford for illegal advance of the ball followed. Kennedy made two downs by advancing twenty-five yards down the field by means of a series of rushes by Johnson, Perry and Latimer.

The first score of the game was made early in the first quarter when Johnson wrapped both offensive and the defense. During the second quarter of the Tech. Technicals made two plays through the line. While the field made no distance. Ortgies substituted for Young, Johnson and Latimer.

TRINITY WORCESTER GAME.
For all work on Haverford, Rome 7 to 0—Haverford, Rome 14. Haverford, Wolfe 14. Haverford, Rome 6; substitutions, Trinity, Montgomery for Weil, Wright, Johnson for Reid, Wright, Harris for Reid; of officials, Mahon for Novak, Williams, umpire; Couler, Brown, head linesman.
Coach Harold Drew recently gave a talk at the Radio Broadcasting Station at the "Harford Courant." His subject was "Football."

Drew said, "Athletics give vent to the instinctive craving for action, and the competitive spirit of athletics springing from the native hunger for contest finds satisfaction in our present day games and sports."

"There is no question but that athletics, properly administered, have a social value which cannot be supplied by any other amusement. In athletics, the desires for the good of the group develops initiative which is the one reward; the laurels of his college and team for four years and had not chosen to play in a single intercollegiate contest."

"Drew outlined the responsibilities and duties of each man on the eleven and pointed out that the center was the keystone of the line and one of the most important and least appreciated positions on the team."

Coach Drew also expressed himself as being in favor of numbering the various players for the benefit of the spectators, who are always shouting, 'Who was that?'

A large number of radio fans who also perform同样的 teams took advantage of this opportunity to hear football discussion by one who knows the subject so well.

Drew was chosen by Walter Camp for the All-American team while at Springfield College. He later attended Stotes and while in the army played on several prominent teams. He was captain of his eleven at Springfield. Drew has been on the coaching staff of Trinity for three years.

Drew is a member of the class of 1915, is running for State Senator on the democratic ticket from the Second Senatorial District comprising the third, fourth, fifth, sixth, and seventh wards of the city.

After leaving Trinity, Drew attended the New York University Law School and since his graduation from there he has been a member of the bar in Hartford.

ALUMNI NOTES.

At the Annual Town Election of the Town of Darien, a Republican stronghold, Louis F. Jefferson, '15, Democrat, was elected Tax Collector, defeating E. H. Crofutt, the Republican Town Chairman, 273 to 277.
