The Vision of 1923

Washington College

Washington College, now known as Trinity College, was formerly situated where the present State Capitol now stands. The above buildings belonged to the old college located on that site.

THE TRIPOD

John Hancock experience shows that if you sell life insurance for three years you will continue for your entire active business life.

Why? Because you will find it the most pleasant and remunerative business you can choose. It is constructive work, it produces self-reliance and independence and affords the greatest satisfaction in every way. To be a John Hancock representative in your community is to stand for the best there is.

Before making any decision regarding your career write the "Agency Department."

What do they mean "Senior Wrangler"?

You may not have met one of those dear old boys,— Oxonian stuff, what, what?—but our idea of a senior wrangler is a '23 man trying to work up a lather with the wrong kind of shaving cream.

There's no "wrangling" necessary to get a lather with Williams' Shaving Cream. Squeeze out a spindrift's dab or a tightwad's dab—it's all the same. Either way you get a big, efficient lather that softens the beard right down to the base of every hair.

And best of all, this big Williams' lather has a decidedly beneficial influence on your skin. No complexion soap could do more for you than Williams' does every time you shave. Get a tube of Williams' today and begin giving your face this helpful care.
