Prof. Truxell's Paper on Valley History Being Printed.

Professor Edward Leffingwell Truxell, of the Geology department, has completed a paper on the "Geological History of the Connecticut Valley." The work of Professor Truxell is now being printed, and will be issued at the Harvard Alumni Reunion celebration as a feature of the event. The thesis will contain several dissected plates, Prof. Truxell's now making.

Asst. Asst. Managers.

At a meeting of the committee to select the officers for the class, in which Mr. Thomas A. Steer was present, it was decided that the method of election studied and brought before the students last year should be put into force in the future, with the following result:
New England.

Geol. 2, Latin 2, Econ. 3, Fr. 2, Hygiene 1b, German 1, History 6.

His improvement has been a steady, ample example of the benefits of training. He has won his letter through his high-jumping, broad-jumping, javelin throwing and shot-putting, which hovered over the team this season.

Harry Hayden Clark, '23, of Spring, N. Y., is the valedictorian for the Ninety-seventh Commencement.
