CAPT. NICOL'S NETMEN LOSE IN FOUR MATCHES

Weleyan, Amherst, Union, and Springfield Winners

With four defeats and no victories to its credit, the tennis team has found sailing anything but easy this season. Already the Trinity netmen have yielded to Springfield, Amherst, Union, and Wesleyan, in all but the campus courts. Friday, May 3, the Hilltopppers wiped below to Springfield 6 to 0, but the outcome was originally slated for the following day, but a mix-up in dates caused it to be played a day ahead of the scheduled time. The Bay State players, therefore, considered it a walk-over. The next day, Saturday, May 3, Captain Nicol's quartet lost to Amherst at Amherst 6 to 0. Monday, May 5, the tennis players staged the first athletic contest with Wesleyan since the break with the down-river college in 1922. They were defeated by Trinity's former traditional rivals at Middlefield, 4.

FACULTY CHANGES MADE BY BOARD OF TRUSTEES

Dr. Swan and Professor Barret to Take Leaves

Several Faculty changes were made by the Board of Trustees at its meeting, Tuesday, May 14. Among these changes were the appointments in the Physical Training department, Dr. Swan, director of physical education and professor of physiology, to take the sabbatical leave next year and members of the Faculty to be appointed to assume the responsibilities now under his supervision. Dr. John Wentworth of Hartford will be college physician in Dr. Swan's absence, while Dr. W. Stivers, '17, also of Hartford, will be professor of physiology and hygiene. Fred Stoner, head of that department, will be agent head of the department of physical education, will be acting head of the department.

Dean George H. Harper, Jr., of Princeton University, son of Professor George L. Harper, professor of English literature at Princeton and a well-known author, was named to take the place of Professor Barret, professor of Latin, who will also take his leave next year.

Professor George R. Wells of Wethersfield, at present professor of psychology at the Hartford Theological Seminary, was named instructor in psychology and will be entire charge of the psychology classes under the direction of Professor Cushins, who will give him access exclusively to the classes in philosophy. Professor Cushins will also continue at the theological Seminary.

The trustees voted a sabbatical leave to Dr. Frederic Shober, professor of history and political science, in 1925-1926.

WILL COACH FOOTBALL TEAM NEXT SEASON

Paul Becker, three-letter man of the Nebraska State Normal and Teachers College and graduate of the Physical Training School of the University of Illinois, was appointed assistant in the Physical Training department by the Board of Trustees at its meeting Saturday, April 27. It is understood that the Athletics Advisory Council will follow the action of the Trustees by appointing Becker coach of football. Bay State, basketball and track star of Springfield College, was also named assistant in the physical training department, and will, in all probability, be appointed track and basketball coach by the Council.

"Campus Clean-up Day" SUCCESSFUL

First "campus Clean-up Day" effectively carried out at campus.

1919-20 season, Keenly interested in the campus, President O'Connor held an assembly immediately after the morning classes on April 26, the first day of the week, to discuss the plan of the "Campus Clean-up Day." After this assembly, the men of the campus were divided into groups by the residence hall authorities, and each group was assigned a certain portion of the campus. Each residence hall had the responsibility of cleaning up the area it occupied. The groups worked well together, and the plan of the "Campus Clean-up Day" was a complete success.

Capt. O'Connor's remarks as he introduced the plan were as follows: "At first sight the idea of this type of an event seems somewhat absurd, as the campus is already clean and no one would care to see it otherwise. However, it is not the physical cleanliness of the campus that is the essence of the idea. The 1919-20 season, President O'Connor

COLLEGE BODY DECIDES FRATERNITY ALLIANCE

Political Clique Forced to the Wall in Elections

Political turmoil has been rife on the Trinity campus for the past fortnight, the undergraduate body having split against two rival political groups which had arisen in the course of the primary elections to disfranchise all men who failed to pass physically. Both groups of political conspirators, who juggled the primary endorsements of the students, the declaration of the Trustees made that the Athletic Association would follow the policy of the Trustees by appointing Becker coach of football. Becker, basketball and track star of Springfield College, was also named assistant in the physical training department, and will, in all probability, be appointed track and basketball coach by the Council.

Saturday, May 25, last night, the undergraduate body having met to consider the action of the Association, the next day, announced that it would hold an illegal election the next day.

Paul Becker is a native son of Nebraska. He was a star athlete in basketball, football and baseball at the State Normal and Teachers College of Wayne, Nebraska. Following his graduation from that institution, he taught school, and was appointed coach of basketball, baseball and track at Wesleyan University, Connecticut. He then graduated from the University of Illinois, and held several important positions at the university.

PITTSBURGERS HONOR JUDGE BUFORD, ’75

The advance notice of the Pittsburgh Alumni Association’s dinner was made known some two weeks ago and the arrangements were begun in full swing. At last Thursday, May 8, as it appeared in the Pittsburgh Sun the day before follows:

"Pittsburgh Alumni Association of Trinity College, Hartford, will give ‘post accident’ homecoming and homecoming dinner to Judge Buford, his president, in University College tomorrow evening. A number of out-of-town Trinity men will attend in honor of the judge coming through his auto accident with new constitution and 18 amendments. Dr. Ralston Brinkerhoff Ogilvy, president of the college, will represent the college, the faculty, and the graduate college represented by C. W. Buell, Harvard’s football captain and a star of the 1907 College team which won the ‘straight’ of Pittsburgh and the 1908 College Mines, and notable in the army as a corporal, and Colonel M. W. Clement, 1st, who late came here from Civil War in the service of the nation’s line.

Looking over those pictures, you will see that we are all working toward one common end, in those old days, and that the men who were there are the men who are in those pictures in their childhood and in their professions. The college offers memories of the past and the future. The college is the home of the past and the future. The college is the home of the past and the future. The college is the home of the past and the future.

CHAFF

Several days before the Easter recess, undergraduates were treated to the surprising of a professional ball team in training, for "Paddy" O’Conor’s Hartford Senators, members of the Eastern League, were given free passes to use the field for their first few pre-seasont work-outs.

The expedition included three coaches, a manager, and a first-string player. A reporter was on hand to watch the players at work and to report the results of the game. The result was a score of 2-1 in favor of the home team. The manager was pleased with the results and promised to give the team more practice in the coming week.

BILL JONES AND HIS CAPITOL ORCHESTRA

In an especially prepared program of the season's most popular song hits, surrounded by a scenic production of unsurpassed beauty.

You won't fumble this cap!

Professional jugglers could handle the short shaving cream caps and never once drop one down the drain or under the bath tub. But for most of us, this new Williams Hinge-Cap puts an end to an ancient nuisance.

Williams Shaving Cream is just as much pleasurable to use as is the Hinge-Cap. It softens the beard with uncanny speed. The thicker lather holds the moisture in against the skin while it is needed. This lather hydrates the skin, too, so that painful razor friction is eliminated. And when your shaving is done, that famous ingredient in Williams which helps the skin, leaves your face cool, soothed and refreshed. This coloring matter is used in Williams — it is a pure, natural-white shaving cream.
