For the first time in several years, Trinity and Wesleyan will meet on the gridiron. This is the big game of the season for both colleges due to the long standing rivalry between the institutions.

Wesleyan has played five games thus far to Trinity’s three. They have lost four games and won one while Trinity has dropped all three.

Record of Teams.
The season’s records for the two teams is as follows:

Wesleyan: 2-3-0
Trinity: 0-3-0

Wesleyan has shown up well ‘consistently this week as last, for a number of the teams they have faced. Trinity also has done an adequate job of holding Super Bowl, and there has not been any change in the coaching system this year. At Trinity, "Ebbie" Clark, All-American center at Harvard, directs the Blue and Gold destinies, while at Wesleyan Sam Hill, Illinois product, is building-up than a desire to have an exciting game, with a lot of points scored.

Wesleyan’s only victory has come against Bittenbender. He started as quarterback in the local eleven 36 to 5. However, he was unable to find Trinity on that basis as his passing had been in vain. Wesleyan has played five games and won one, defeating St. Stephen’s College eleven, the long trip told on the team and they were unable to put up a strong offensive game.

Wesleyan’s only offensive game was against the New York Giants, who scored the lone tally of the game on a forward pass.

Trinity has lost three games this season. They have shown only once the desire to have a decent game, in the first game of the season which was lost to Worcester College by a score of 14 to 2.

Ford Heads Committee for Lively Affair
The I. K. A. Chapter of Delta Phi was host to a large number of students and friends at a house dance last Friday evening. The house was attractively decorated with autumn leaves, corn husks, and colored lights. The dancing lasted from 9 until 2 o’clock. Richard Ford was chairman of the committee, assisted by Merrill Sherman of Hartford, Evans Brown of Newark, N. J., and Phillip C. Fenno of Hartford.

The Trinity eleven was utterly outclassed in all branches of the game. Fighting spirit, which has been a traditional part of Trinity games, even in defeat, was totally absent. The freshmen were a lifeless array. A strong desire to win the game and should receive credit for this. Robinson defense seemed unable to solve the passes and Robinson made several substantial gains after nabbing the ball.

The Millennial ran wild through the locals. It seemed that only one man was driven hard, and that was four touchdowns and a goal from the Trinity eleven. Robinson was the combination which put in five successful homes. They were unable to pass the ball and Robinson made several substantial gains after nabbing passes.

The summary:

ALUMNI
We are placing in your hands a complimentary copy of the 3rd issue of the new TRIPOD. Allow us to introduce you to a revived sheet and a new policy of management. The TRIPOD is being financed by the undergraduates, mainly for the benefit of the Alumni. The College Body has voted to have a TRIPOD assessment of $2.50 added to each man’s college bill. The management is not a corporation; we solicit aid from each and every one; we pay our own bills. We guarantee our advertisers not less than thirty issues.

THE TRIPOD’s function will be to act as a medium between the College and the Alumni. News items concerning graduates will be given prominent attention; college campus happenings will be subordinated. Book reviews and special articles will appear from time to time.

We Don’t Want Your Money. We Want You to Read Our Paper. Give us the opportunity of putting it in your hands by filling out the blank on last page. If you cannot afford to mail us a check for $2.50, all well and good. If not, just send your name and address and you’ll get our prompt attention. Don’t wait; mail blank today to get the next issue.

Contributors' Column

To the Editor of "The Tripod":

I am rather painfully surprised to note that your paper is fully aware of the "side of bread it is buttered on". You are, of course, an unimpeachable and impartial organ, but, in view of the recent events, I feel that the publication of this statement will do you no harm, even though I am sure you could not have been expected to make a profound ammonia.

Several weeks ago, Dean Troxell of the English Department, in his capacity as a member of the executive committee of the college, sent a message to the various student organizations. In this message, he expressed his opinion of the College of Connecticut fraternity system, and urged his colleagues to dissociate themselves from it. This decision was, no doubt, made in the best interests of the college and its students.

As a member of the college faculty, I feel that it is my duty to express my agreement with Dean Troxell's views. The fraternity system is, in my opinion, an unsound and outdated institution.

I am confident that students who belong to fraternities will, in the future, be represented by the college's governing body, the Board of Trustees, and that the college will take steps to terminate the system.

Very truly yours,

Harald Jacobs

FRESHMAN SOCCER

After two weeks of soccer practice, during which everyone has received his share of kicks in the ankles, it is felt that the freshman know enough about the sport to give a few real contests. It is expected that in a week or two the sophomores will challenge the freshmen. The point of elimination will serve to find out the four freshman teams, in the best.

TRACK MEN

The members of a Friday gym class took on the aspect of track men when one of the grammar school boys, who was around the soccer field, started to run away with one of the soccer balls. However, with the aid of the motor cycle policeman, we managed to get the lad, and reigned the ball.

Yale Game Users

Those men, who filled out applications for admission at the Yale foot-

In past years the tags have been directed to the applicants, but it has been notified that the tags will now be given notice on the bulletin board when they get here.
