TRINITY UPSETS CONN. AGGIS IN TRACK BY SCORE OF 71-55

Blue and Gold Scores Victory the year over the Connecticut Aggies in track. The score was 71 to 55. It marked the first time in six years that the Blue and Gold has defeated the Aggies in track.

Three Double Winners. Thirty-three of Trinity's points were accounted for by three men, each of whom scored a double victory. Stewart Ikeler won the mile and two mile; Bill Even carried the shot put and the javelin; and placed second in the discus; and "Chili" Jackson won the sprints and the pole vault.

A curious thing about Bill Even's efforts is that, after taking second in the discus thrown unofficially of 112 feet, which is 35 feet better than the college record.

Stewart Ikeler did not have a perfect performance. For he went off the mile or the two mile "Chili" Jackson was easily the best man in the two sprints. The quarter-developed the best race of the day. Kel­ley led off the Aggies was off before the gun with Bill Nye of Trinity at his shoulders. Going down the back stretch Ikeler turned inside, and he and Kelley led the closely-bunched pack. Kelley swung into the turn leading to the home stretch. At the top of the stretch, George Bay of Trinity, who had been wished standing back of the pace, made his bid, but Ikeler turned on the gun and was into the lead in the last 50 yards to win comfortably. Ny's fighting fini­sher has already won 3 races out of 4 with Kelley or Ikeler.

Smith Wins Half. Apter and Smith, the two Trinity men entered in the half mile, took command of this race at the half of the gun and stayed ahead to win easily.

Exam Time. All examinations are in Alumni Hall and will begin at 9 a.m. on the first week in June. Students will be reported to Professor Rog­gers or to the Dean. Timetable will be announced next week.

THE BETTER CLASS
AT CONSIDERATE COSTS

STAY ON THE FAIRWAY;
STICK TO CAMELS!

Somewhere between your collar-button and the bottom of your plus-fours there's a smoke-spot-seeking "fill-fullment." The vast majority of jockeys who feel that in 'ard hankerin' have discovered what to do about it. They pull a cool cloud of joy away down into it—and slowly exhale fragrant Camel smoke.

Tobacco science has produced in Camel a superb blend of the choicest Turkish and Domestic tobaccos. Just reed once in the delicious, quivering aroma of a cloud of Camel smoke. "We'll bet a caddie to a left-handed niblick you'll never get off that fairway!"

Attractive Program for Sub-Freshman Week-End

Sub-Freshman Week-End, always marked by a program well calculated to provide an entertaining time for the students of the college and their guests, will be featured this year by an unusually attractive and diverse schedule of events.

Perhaps the most interesting item on the program, arranged by George Hardman, chairman of the Sub-Freshman Week-End Committee, is the one-act play which will be presented under the auspices of the Jesters. "A Girl to Order" is a production which will lend itself to an affair such as the present one, for in the theme, division, and personnel dramatic it is genuinely collegiate. The cast has already presented the play on two occasions; once before the Hartford Alumni Association, and early this week in the Central Theater at West Hartford. The cast is made up of the following: "Dud," Paul Holmes; "Fast Workers," Eugene Addison Durand; "Biscuits," John Fleet Insherwood; "Father," Arthur Dwight Platt; and "Elsie," George Anderson Hoy. The play owes whatever success may attend its presentation to the painstaking effort of the cast, and to the splendid coaching and general oversight of Paul Bay Ihrig.

The Orchestra and Glee Club will furnish musical entertainment, while Frank Smith and John Kneeland are to run off a few stunts of a gymnastic character. The ballet dance and comedy skit, the "Idyll of the Lotus," which R. E. O'Leary and George Hoy will offer, is being anticipated with great expectation. These two gentle­men excel in this type of drama (?) that includes the "Idyl II.

Professor Barrett will discourse on the advantages Trinity has to offer to prospective students.

Chairman Hardman and Ihrig are to be commended on the hard work they have expended in perfecting final arrangements. Nor must we omit mention of Kenneth A. Linn but for whom Sub-Freshman Week-End would lack many of its finest features.

Freshman Class Appoints Rules Committee

Julian Glynn of Ridgewood, N. J., was elected chairman of the Freshman Rules Committee of the Class of 1931. Glynn has been very active during the year. He was fullback on the Freshman football team last fall. During the winter he was a substitute on Coach Oosting's basketball squad. At present he is on the tennis squad. The night before St. Patrick's Day will be remembered for a long time by the upper classes who could enjoy the energetic work of the Freshman class. Glynn was the Freshman leader. He is pledged to the Sigma Chapter of Delta Phi.

There was quite a lot of discussion about next year's rules. They probably will be several new rules to replace some of the less desirable ones. It was the general opinion of the class that the rules should be more strictly enforced.

The following men were chosen members of the committee: Ambrose Higgins, Portland, Maine, Alpha Delta Phi; Sheldon Root, Han­low, China, Psi Upsilon; Walter Kalisinsky, Ansonia, Conn., Delta Phi; Willard Ljungquist, Hartford Conn., Delta Kappa Epsilon; Denston D. Hall, Ridgewood, N. J., Delta Psi; Flanders Smith, Branford, Conn., Alpha Chi Eho; George Mackie, Hartford, Conn., Sigma Nu; John Tracy, Hartford, Conn., Alpha Tau Kappa; Paul Kubiesh, Danbury, Conn., Neutonals.

JESTERS’ ONE-ACT PLAY.

Last Tuesday evening the Jesters put on their one-act play, “A Girl to Order,” at the Central Theatre in West Hartford. It was scheduled for about 8 o’clock, but it was nearer 8:30 by the time the program had moved up to the proper point. The Trinity Jesters—how was their comedy going to be received? There was considerable expectation on the part of the audience; back stage, there was more than a little trepidation among members of the cast. Then the curtain rose; the play was on.

When the skit had been in progress but a few short minutes, there was no longer doubt but that it was a “hit.” The audience took to the presentation from the start, and was generous with its laughs. Durand, 30, as “Puck” was the hit of the show, and got many a “roar” from the audience in his portrayal of the lumbering, awkward “wise guy.”

Some of the best laughs of the show came from minor slips and extemporaneous speeches; the prime event was when there was a slight delay, due to Steve O’Leary, the leading lady, being unable to get out of her “peat pants” soon enough; the players on the stage had to “fill in” for a few extra moments while this change of raiment was taking place. Altogether, a fine time was had by all.

Because the comedy was so well received, it may be presented once more to the audience of one of the Hartford theatres. The manager of the Lyric has shown an interest, and so it may be given there; he will be over to watch the performance to be given in Alumni Hall on Saturday evening.

Trinity College students and those interested in the Jesters should not forget that they are giving a fine farce-comedy, “Fast Workers,” at the Hartford Club on the 29th. The play is sure to be enjoyed, and the dancing afterwards should be an added attraction. The fact that the Senior Prom comes on the evening after the Jesters’ play, that is, Memorial Day, the 30th, offers an opportunity to invite some one up for both days, and have a regular time. Each one of these events is a great attraction in itself; combined, they offer a most enjoyable way to finish up the year, outside of a few examinations during the following week. But then, life can’t be all pleasure.

LIFE INSURANCE.

We hear much about the power of the high school graduating class. Of course, they go in their own direction, and not all of them are likely to achieve the success that we have expected for them. However, if they can obtain an appropriate type of insurance, it will enable them to do so.

A suitable type of insurance is the immediate insurance policy, which gives an immediate cash value. This policy is particularly valuable for the high school graduate, as it allows him to invest his money wisely and profitably.
