LITERARY CLUB ADMITS SEVEN TO MEMBERSHIP

Professor Allen of the English Department Leads Discussion on New Books

Seven new members were elected to the Literary Club at the last meeting of that organization on Tuesday evening, October 15. The men chosen were H. Mathiason and R. Sloan from the class of 1933, and B. Minz- sen, H. Oxford, T. Phillip, A. Robbins, and W. Sisselman, all of 1933.

In the course of the meeting, discussion of the club, led a discussion on the subject of new books, during the course of three weeks during term-time by the students of Trinity College. It was a publication which was open to criticism, and was a matter of a literary nature, but also news of athletics and general campus activities together with the activities of other colleges. The "Tablet" was, however, primarily a literary publication even after 1878, when it became the line's bi-weekly. It lasted until 1954, when "The Tripod" was started as a purely news publication and took its place in that branch of campus extra-curricular activity, and the older publication has never been revived until this year.

Professor Allen, of the English department, faculty advisor to the club, led a discussion on the subject of new books, especially of those decided weight advantage to concentrate their attack on Trinity's light but scrappy line, which did not hold up under the crushing charges of the Black and Red eleven. Captain Morris, 215-pound fullback of this visiting team, was a decided factor in wearing down the Trinity eleven. Time and again when his team needed a first down, he would meet the required gain. He scored all of Haverford's points, besides passing, kicking, and backing up the line on the defense in an almost faultless way. He tackled hard and even when he tackled, he tackled hard. Dothard, contributed several long runs which kept Trinity on the defensive for the most part of the four quarters.

Dios ran back Morris' kick-off to the 10-yard line. Phillip counted. Dothard ran back the kick to the 35-yard line. Morris made 30 yards on a fake kick. Two first downs brought the ball to Trinity's 15-yard line, where a first down was gained and the offense continued. Dothard made a first down at the 7-yard line. Phillip counted. Dothard's fumble and stopped Haverford's threat to score. Haverford threatened to score again when Morris missed a field goal. Phillip made a first down at Hogwarts' 5-yard line on Morris' punt. Morris ran back 40 yards by Dothard. Phillip counted. Morris was stopped 2 yards outside on Trinity's 8-yard line. Phillip returned the punt, 8 yards, to the 28-yard line. Morris made first down on three plays. The Blue and Gold team held the ball on Trinity's 8-yard line.

Soon after the opening of the second quarter, a fumble from the line, which was recovered by the Blue and Gold team before the line, which was recovered by the Blue and Gold team before the 7-yard line. Phillip counted. Dothard's fumble and stopped Haverford's threat to score. Haverford threatened to score again when Morris missed a field goal. Phillip made a first down at Hogwarts' 5-yard line on Morris' punt. Morris ran back 40 yards by Dothard. Phillip counted. Morris was stopped 2 yards outside on Trinity's 8-yard line. Phillip returned the punt, 8 yards, to the 28-yard line. Morris made first down on three plays. The Blue and Gold team held the ball on Trinity's 8-yard line.

Correction to editorial "In Memoriam": Vol. XXVI, No. 5

Mr. Trowbridge did not give the money for the first unit of the new gymnasium. The swimming pool only is in his memory. Mr. Trowbridge made the preliminary plans for the building, but died before they could be completed.
NEW CHAPEL SUBJECT OF ATHENAEUM CLUB DEBATE

"Money for New Chapel Could be Used Better Elsewhere" is the subject.

At the recent weekly meeting of the Athenaeum Society on Monday evening, October 14, the first debate of the year was held upon the question, "Resolved, That the Money which is to be spent on the New Chapel May Better be Spent Elsewhere on Campus." The affirmative of the question was upheld by Messrs. Regnier, '30, and McKee, '32, whereas the negative was supported by Messrs. Beglin, '30, and Campbell, '31.

The affirmative declared that the money to be used in the erection of the proposed chapel could be more wisely spent in building a new chemical laboratory. Emphasizing the fact that the pre-medical course in Trinity is nationally recognized as one of the foremost in the country and claiming that the present science buildings and their equipment are inadequate to meet the demands of the ever-increasing student body, they furthermore asserted that the present chapel is adequate in fulfilling the spiritual needs of the college. In like manner they contended that the need for a new dormitory and an improved gymnasium is far more imperative than that of a new chapel, although the latter would add to the beauty and the spiritual life of the college.

Stating that religion has remained for centuries, and still is the most important factor of man's existence, the negative concluded that the religious needs of a young man are greatest during the unsetled era of college life. It was stressed that the spiritual needs of college men are supplied by the chapel services, which in themselves are part of a liberal education. Inadequate seating capacity of the present chapel was supported by references to the crowded Wednesday services and the necessity of holding the annual Baccalaureate service outside of the college.

The negative continued that the religious life of a college is of primary importance, and that were it to degenerate because of the lack of an adequate chapel, a serious reflection would be cast upon our trustees.

Following the debate, the jury, which was composed of Messrs. Cookson, '31, Farmer, '32, and Munchinger, '32, rendered a decision in favor of the negative team. Constructive criticisms were presented by the negative, whereas the affirmative was supported by Mr. John Ayers, freshman, and Professor C. C. Johnson, of the department of psychology.

The lineup followed:

The Harding team was practically the same that went to the championship last year; their plays were not as smooth, and their interference was exceptionally weak, while the line averaged twenty pounds heavier to a man. Persin, all-state center and captain of the Harding High team, was the individual star of the game. Chalupa, Schrader, and Doolin all played well for the opponents, while T. Wadlow starred for the Freshmen.

Juniors Elect McCook to Class Presidency

In the elections of the Class of 1933 held last Thursday noon in the Public Speaking Room, Daniel B. McCook was elected class president to succeed Julian Glyn; John Goding was elected to the office of vice-president, and C. W. Laubin was re-elected secretary-treasurer by unanimous vote of the class. Due to the lateness in the payment of class dues and assessments, the meeting had been postponed from the week previous in order to allow those ineligible because of non-payment of dues to become eligible for offices and for voting.

Further elections for Chairman of the Junior Prom Committee resulted in the election of L. L. Schreiber to that office; the date of the prom has not as yet been decided upon. In the elections for officers of the "Ivy", McCook was chosen Editor-in-chief, while C. E. Elicson was made Business Manager. The meeting adjourned with a vote of commendation for Laubin's excellent work in the position of treasurer of the class during the past year.

McCork is Managing Editor of "The Tripod", and is a member of the Sophomore Dining Club; he played junior "varsity" football during his freshman year, and was a member of the varsity squad last fall and served on the sophomore hop committee.

Goding also played junior "varsity" football and was on the "varsity" squad last fall, as well as playing for two years as a regular on the baseball squad and on the jayvee basketball team; he is a member of the Sophomore Dining Club and Kappa Beta Phi, and served on the sophomore hop committee last year. Laubin has held various previous offices, and is president of the Gun Club.

PRESIDENT TALKS WITH SENATE ON MEMORIAL
Announces that Unit Will Not be Opened Until Following Monday

At the last meeting of the Senate on Thursday night, President Ogilby
reported that the plans for the dedication of the Trumbore Memorial swim-
ning pool would be ready for the ceremonies on the following Saturday.
He further announced that the arrangements for that evening were to be the
members of the Senate. Rules were to be given to Cooper, president of the
Senate, for distribution to the Senate and that rules for the dedication cere-
memon were to be read at 7:15 p.m. before the dedication, and Mrs. Trumbore was
to be ushered to the seat of honor on the observation platform. It was
pointed out that the audience would have to be limited to Trinity men; alumni, students and faculty and that, after the swimming exhibitions by
visiting Yale and Wesleyan teams games of soccer would be played.

A letter announcing prime interest to the undergraduates was made by
President Ogilby. Due to the late completion of the plan, and consequent
retarding of planning and installation of accessories, will not be opened to
the students until October 28.

In reference to the important item of the dedication ceremony there was there
was no definite action. There can be no definite statement until all re-
work of the pool is being done in depending the lines. Under the

FALL TRACK MEET HELD IN SPITE OF WEATHER

TRINITY YIELDS TO HASSFORD ELEVEN.
(Continued from page 3.)

Trinity’s only offensive threat came in the last quarter. Phippen got the
Blue and Gold out of a bad hole when he punched from behind his own
goal line. Soon after that, Trinity was in the ball on downs for their own
33-yard line. Slossberg made 3 yards on a delayed boot; in a three plays.
Slossberg then drilled 7 yards and brought the ball to Haver-
ford’s 40-yard line. After three unsuccessfull kicks Trinity, Phippen
punted outside on Haverford’s 8-yard line. Geiger soared Huganzer,
and Knurek handled the ball on the visitors’ 28-yard line. Haverford held
for downs and when a poor pass from center did not give Phippen a change
to get off a dropkick.

Trinity threatened again when a 49-yard pass from Knurek to Nye-
gave Trinity its first down on Haverford’s 7-yard line. Trinity failed to
secure a first down when Phippen caught a pass outside the end zone, and Haverford
was given the ball on their 26-yard line.

Slossberg starred for Trinity, mak-
ing most of his gains. Britain
played well on the defense until he
was injured in the second half, pulling down many passes before they got off for long
runs. Don Jones’ play was a decided improve-
ment over his work against Williams and Wupportech. He tackled well
and his work on the defense was especially conspicuous in the third
quarter.

Weinstein and Durand played well
in the line throughout the game. Ka-
lakosky showed improved form when
he was sent in during the last quarter. He snared several Haverford plays and
opened wide holes on the offenses.
Coach Galvin will have to work
on the tackling and blocking of the entire team. Especially in going down under kicks.
Haverford made fifteen first downs to
Trinity’s nine.

The summary follows:

Haverford
Trinity
C. Fields
L. E. Hemenway
A. S. Getts
C. F. McQuade
W. Higgins
J. P. Purcell
