**TRINITY SOCCER TEAM BEATS KINGSWOOD 5-0**

Blue and Gold Eleven Outclasses West Hartford to Win Second Straight

The Blue and Gold soccer team won its second game of the season last Wednesday, by defeating the Kingswood School of West Hartford by a score of 5-0.

Tuesday's heavy rain had made the field especially slippery, but many fans turned out when the game began. The visitors took the lead in the opening minutes, when the wings, played by Wright and Wright, had a break away and scored the first point of the game, which they kept in control all through the contest. Liddell, who had failed in his attempt to receive the ball out of the parking lot, scored the second point of the game, and Carter followed him with the third point of the game. These points were scored in the first half of the game.

Throughout the entire game the Trinity team outclassed Kingswood. Wright and Wright were in good form, and had the ball within their possession for most of the game. At the end of the game, after several attempts, the ball was blocked by a Kingswood man who, in attempting to boot the ball out of the parking lot, hit the ball back into the Kingswood territory, thus adding another point to the Blue and Gold's score.

Wright continued his brilliant playing by scoring.

THE FOOTBALL SEASON
Saturday's game marked the peak of improvement in Trinity athletics which has been going on for the past two years, and for which both the football squad and the coaches should be congratulated. The year has been particularly successful, but the tie with Amherst goes far in removing the effect of several close games. The spirit of the team against Amherst was remarkable and encouraging.

With only a few lost by graduation and this year's strong freshman team eligible for the spring game next year goes great. Trinity athletics have been much discussed recently; it is sufficient to say that the team is making steady progress for its steady improvement and especially for its work on Saturday.

THE STUDENT BAND
We wish to congratulate also those members of the undergraduate body who started the band this year. Such work shows a desire, usually all too rare, to aid and promote the College.

The publication of the Student Band is a welcome addition. Its members deserve encouragement, and respect from the entire College.

BLUE AND GOLD TEAM.

The second quarter found both teams playing a very steady game. Trinity led, 1 to 0, at the half. A few minutes after the resumption of play, a forward pass, Philp to Allison, was caught and brought the ball into Trinity territory. Philp again went in from yard line. The kick had

Amherst unloaded a forward pass, but the blue and gold made a good showing, and played better than they have at any other time during the season.

Durant and Weinsteins co-captains of the team played in their last game for Trinity. Both culminated their "varsity careers by playing great football. Durant was directly responsible for Trinity's touchdown, while Weinsteins' attack at bay. Campon's stellar game at center, resulted in Trinity's touchdown. Geiger and Meier played their usual effective game at the line. Tener and Cadigan showed up best for Amherst.

KENT ELEVEN DOWNS FROSH.

had to defend the north goal through the first and last quarters of the game, as well as buck a fairly strong wind which hindered kicking in these quarters. Herrick kicked off for Kent and Sill was downed without a gain on the 30-yard line, from where it was only advanced seven yards on the next three downs. Although Sill stopped Kent momentarily by intercepting a pass, the victors marched down the field in the first quarter until they were in a position to kick a field goal, which was blocked by Craig and Fittzmon on the 12-yard line. The ball was kicked out of danger by Galloway who went in for still in the first quarter.

When the second quarter was well under way and Kent was in Trinity's territory, Towe, after several short gains, made the first touchdown on a "slipper play." Kent failed to make the extra point and at the half the score stood at 5 to 0.

Towell added again in the third quarter and Stoddard made the extra point for this touchdown as well as for the two which followed. Sill, who started the second half, was taken out due to a split bone in his foot, and Galloway again replaced him. When Galloway received the kickoff, he got away for 40 yards, and had succeeded in sidestepping Roosevelt who stood between him and a touchdown, when he slipped and was downed. In the final quarter Hall made his long run for the final score of the game, after Towle had scored his third touchdown.
