The 1931 Baseball Team, which, by Winning Four Straight Games, is Making the Best Record of any Trinity Ball Team Since 1915.

HARTFORD ALUMNI HOLD THEIR ANNUAL MEETING

List of Patronsesses Announced and Fraternity Booths Are Assigned

Performance to be Given One Week from Tonight—To Give Dance Same Night

All plans for the Senior Ball, which will take place next Friday night in Alumni Hall, have been completed by the committee under the direction of Lauriston L. Scaife, chairman. The several fraternities have been assigned space on the floor for booths. Those booths will not be built in, as they were at the Junior Prom, but each fraternity will merely move such furniture as it desires into the spaces designated. The program of the ball, which will last from ten o'clock until three in the morning, will consist of sixteen dances. "Cutting in" will be permitted after twelve o'clock. As has been announced before, Norman (Continued on page 2.)

JESTERS HOLD DAILY REHEARSALS FOR PLAY

FOR PLAY

One of the performances of the Jesters this week is "The Pigeon," by John Galsworthy. Rehearsals have been consistently good, and the Jesters hope to put on the most successful play in their history. Extensive rehearsing starts this week and will be concluded the day before the play is presented.

Mrs. Ray, the wife of the director of the play, will help with the female parts and will assist in making up the various characters taking part in the play. Mrs. Ray has had a lot of experience in this sort of work and will prove a great help to the players. After the performance there will be a banquet at the Brown Hotel, where the Jester Manager Stumpf announced that the Wesleyan Serenaders would provide the music for the dancers. This orchestra has a very good reputation in Connecticut and has proved popular wherever it has played.

Many replies have been received by the business staff of the Jesters in answer to invitations which are sent out to people in and around Hartford. Over one hundred tickets have been sold in three days. As Alumni Hall only holds three hundred and fifty, it would be a wise thing for those students who wish to see "The Pigeon" to reserve their tickets. Tickets may be secured through R. Robert Stumpf at 41 Jarvis Hall or through Albert Holland at 12 Jarvis Hall. Student tickets will be sold for one dollar.

The sets have been made under the direction of Rose Mitchell, the stage manager, who has devoted a great deal of time to his work and who, with the help of William Sibthorp and Andrew Onderdonk has done much to make the performance a success.

The Jesters recently received a letter from John Galsworthy, who is on a lecture tour in the United States, saying that he hoped they would enjoy their performance.

NORTHWEST "WINNERS" AMONG TRACK TEAM

M. A. C. IN FIRST MEET

Gains Revenge for Defeats of Past Two Years—Score is 70 to 56

Dauit Leads Scoring

Freshman Takes a First, Two Second, and One Third—Mis is Best Run of Day.

The Trinity track team won its first meet of the 1931 season, when it defeated the Massachusetts Aggie team last Saturday, in a dual meet on the Massachusetts Aggie field at Amherst, 70 to 56.

Two years ago the Blue and Gold lost this meet with the Aggies by a two-point margin, and last year took a point deficit.

Trinity took a fourteen-point lead in the first few events on Saturday, and held this lead throughout the contest.

Dauit and Christ started out by throwing the discus and shot and placing first and second in the 120 high hurdles. They were followed by W. W. and G. W., who took another first and second in the 100-yard dash the time being 10.9. The Blue and Gold won the most exciting race of the meet. Harbinger, who has shown remarkable ability in the time trials this spring, took the lead at the start of the race, but was passed by Edmund and Towle, both of the Massachusetts Aggies.

BLUE AND GOLD NINE DOWNS UNION, 3 TO 2

Houlhian Pitches Fine Game Despite Rain—Called at Sixth Inning

Saturday afternoon, May 2, the Blue and Gold baseball team registered a successive victory by defeating Union College 3 to 2 in a contest ending in the first half of the sixth inning being called because of the rain. Despite the drizzle that persisted from the third inning on, Ralph Houlhian, freshman right-hander, pitched an excellent game, allowing the Union men only two hits and three walks.

The Blue and Gold nine played fine ball. Coleman and Rockwell were the outstanding infield men, and Bank Phippen, in spite of an injured knee, acquired during the Worcester Tech game, played his usual first-rate baseball.

Trinity took the lead in the very first inning. Joe Fontana, lead off man for Trinity, hit the first pitched ball hard into left field, and continued to second on a sacrifice by Phippen. Armstrong was then walked, and on the next pitch Fontana crossed home plate on Adam's single. Rockwell loaded the bases with a bad grounder that was sharply fielded. Next Gouding hit a sacrifice fly, and Gouding was forced in for the second run.

Vignalli and Coleman struck out, re- tiring the side.

Neither team managed to bring in any runs during the second inning, but in the third Union tied the score. Due to a bad throw by Coleman, Terry, the Union center fielder, reached first but, on the next pitch, (Continued on page 4.)

**THE PIGEON**

As the rehearsals for "The Pigeon" take place day after day in preparation for the performance next Saturday evening in Alumni Hall, one realizes how strenuous the task is to present a major drama before a Trinity audience, with the inadequate staging facilities of Alumni Hall, together with that even more discouraging factor, a lack of interest in the drama among college students.

Former Jesters’ plays have been poorly attended, to say the least, and unless there is a sudden change in the general attitude of the college, we dare say that the efforts of the cast and those interested will prove of little avail. This is the first Jesters’ production of the year. To be sure, the admission will be slightly more expensive than usual, but a strictly low price will be charged to the students.

**THIRTY SUB-FRESHMEN GUESTS OF COLLEGE**

Varsity Club Entertains Prospective Students with Fine Program

Approximately thirty prospective members of the class of nineteen-thirty-five were entertained under the auspices of the college football team on May 11. The program was opened on Friday, May 1, but the program did not get under way until Saturday afternoon, when the Freshmen were admitted to the ball game with the Trinity team. The fact that Trinity won this game served to make the weekend more successful even than planned.

On Saturday evening there was an entertainment in Alumni Hall which was largely attended by both Sub-Freshmen and students. This entertainment was opened by the Glee Club which sang a number of selections, including several college songs in the singing of which the entire company joined. At the end of the program, the members of the Glee Club received the annual award of the Athletic Association.

**PSI U. AND SIGMA NU ENTER TENNIS FINALS**

Martini Overseheels Burke
Shaw Defeats Britton Easily

Psi Upsilon and Sigma Nu gained their brackets in the final round by defeating the Kappa Epsilon, respectively. The finals will be played on Saturday afternoon.

Psi Upsilon’s overwhelming victory was due to the great number of freshmen out for athletics has accomplished. The large number of freshmen out for athletics has accomplished.

The singles match was won by Bud Britton, captain of basketball, over Harry Shaw, a member of the Psi Upsilon team, easily defeated John Burke, captain of Psi Nu, in three sets, 6-4, 6-2, 6-2. Bud Britton’s victory served to make the weekend more successful than expected.

The second doubles match was won by Anthony and Delta Epsilon, over Kappa Epsilon, 3-2. Durand and Sigma Nu gained their brackets in the final round by defeating Flynn and Holland, respectively, 8-6, 15-13.

**TRINITY COLLEGE**

ADAMS BEATS WESLEYAN IN HARD-FIGHTED GAME

(Continued from page 1)

Two out of Johnstone walked, and then Wyne hit a sacrifice at Adams. Adams could barely get his glove on it and the ball shot toward first base. There was a close play at first, but Nye was adjudged safe. Two runs scored and a double play was made.

In Trinity's half of the inning Armstrong singled and went to second on an error by the rightfielder, but was left on base as the side was retired. In the second inning Wesleyan went out without a hit, and Adams hit them on a base hit. Nye was caught on second when Wells grounded to Coleman. The next two batters could not hit the ball out of the infield, and the slight scoring threat was squelched. That inning was the last time until the ninth that a Wesleyan player ever came near getting on first base. Adams was in perfect form, and aided by errorless support from the field, he breezed along without any difficulty. From the third to the ninth not one Cardinal and Black player could hit the ball out of the infield.

While Wesleyan was swinging aimlessly at Adams' fast ones, the Blue and Gold offensive began to work. In the third inning Trinity tied the score. With one out, Hennie Coleman, who has been playing a great game at short, hit a long two-bagger along the right-field line. Joe Fontana then shot a sizzling single over second base and Coleman scored with Trinity's first run. Fontana went to second on the throw-in, and came home on Phippen's timely single. Phippen was caught trying to stretch his hit to a two-bagger, and that ended the Blue and Gold attack for the moment.

The next three innings Nye, the Wesleyan hurler, matched Adams in his pitching, and the Trinity hitters went down in order. Nye hit the height of his game when he fanned the three men on the deck in the seventh. The remarkable fielding of the Wesleyan infielders and Nye's single gave the Cardinal team a valuable tie for the moment.

In the seventh, however, the Blue and Gold attack blossomed out again, and this time brought results. Adams was out in a close play at first. Buckwinkel singled and Jack Gooding homered a double into left field. At this point Coach Wright was sorely tempted to send two of his men to the bases. Adams, who was swinging aimlessly at Adams' last two offerings, took the tip-off and strode to first with a two-bagger, and that ended the Blue and Gold for the moment.

In the eighth the Blue and Gold continued their scoring. Successive hits by Joe Fontana and Hennie Coleman, and a sacrifice by Bowdoin and Armstrong gave Coach Wright's men another run.

After having been held hitless for seven innings Wesleyan started a rally in the eighth. Armstrong doubled and Nye's single gave the Cardinal and Black their last run. But Adams tightened up and the last two men grounded to Gooding, who tossed to first for the put-out.

The remarkable pitching of the Trinity team has proved an important factor in the present season. Coleman has done fine work throughout. His pitching continues to be a decided asset to the offensive. Buckwinkel and Gooding have also played credibly.

The Reverend William Noble of Hartford, graduate of Williams in the
class of 1921, addressed the student
body in chapel on Wednesday morn-
ing. He began by saying that we did not
use our ears for hearing except in a super-

cificial sense. As an illustration he
used the radio which informs everyone
American home. The machine is all
ways going but rarely is one aware
of what he is hearing outside of a
noise. One fails to notice whether it
is Amos 'n Andy or the New York
Philharmonic.

To further illustrate his point he
referred to the ordinary conversation
college students. In recalling his
own student days Mr. Noble said that
he remembered little conversation
which was not superficial and entire-
ly pointless, and that he had found
the same situation for the greater
part in after life. He said that from
what he could observe that this par-
ticular phase of the college man had
not changed in the last ten years.
Quoting from Bishop McConnell, Mr.
Noble said, "They have nothing to say
and they insist on saying it."

Mr. Noble went on to say that we
must get beneath this surface of
artificiality and probe the real essence
of Life. Here he stated that many of our modern realistic novels failed
in just this, namely, in getting below
the viewpoint of what it
means to be an educated man, according
to the views of the members, is one who has
an open mind and considers all ma-
terial without prejudice. He has a
background in fact and scientific knowledge and
what he knows and does. He is both
practical and cultured. He is one who recognizes his limitations and is
not necessarily a college graduate.

At the meeting which immediately followed the discussion, it
was decided to hold the annu-
al meeting of the Athenaeum after Edmond broke the tape.
