On Saturday evening about three hundred people gathered in Alumni Hall to witness the performance of John Galwrey’s “The Pigeon” by the Jesters. The Jesters did a splendid bit of work and the gala Senior Week-end to a fitting close. The play was well chosen, well cast, and well acted.

The part was coached by Mr. Ray of the Thaxter Players—Dance Afterwards closed the Senior Week-end.

On Friday night, May 15, the Senior Class of Trinity College gave its last social function of the year, the Senior Ball. Alumni Hall discarded its athletic attributes to become a veritable palace of spring with its gay decorations and splendid decorations. Beautiful moth lamps were set at the edges of the dance floor.

In the afternoon the Senior track was delightfully opened by a tea dance given by the Sigma Chapter of Delta Phi for the faculty and members of the other fraternities. The tea lasted from 4 until 7, and the music was provided by the Wescan Symphonists.

For the tea dance came the Senior Ball which started at 10 p.m. and lasted until 3 a.m. Much praise is due Lauretta L. Scaife of Milton, Mass., president of the Class of 1931 and chairman of the dance committee, and his very able committee for this splendid opening of the social season, one of the most outstanding social affairs of the season. The music was furnished by Norman Clow, the newly chosen Madcaps, an orchestra well known to radio listeners and to the leading college year books, including the leading college year books, including the seating of the division of Trinity, as undergraduate, trustee, and member of last year’s basketball team. He was also chairman of the Sub-Freshman Week-end committee.

Burke has been a member of the Tennis team this year, as captain in his sophomore year, and was a member of the Junior Prom Committee. He won the annual squash rackets championship last year, Warren W. Hopkins is the leading player of the season, and is the chairman of the Juniors.

Prior to the tea dance Senior football, a member of the Glee Club, and chairman of the Union Committee. Coleman is in short, the leading player of the season, and played Junior varsity football, and was a member of last year’s basketball team, and is captain-effect of this year’s team.

According to a recent report of the editors of "The Trinity Ivy" of the class of 1932, the work of the Gwynn stated that no adequate prophecy of the meet could be made as nothing all could be learned of the strength of the Clark team. He said that Clark was in the habit of building a team around one or two star performers, and so in previous years had well presented a well-balanced team.

Trinity will be somewhat weakened by the loss of the team. It is not a long time since the distance event, since he will be unable to see much service until the Connecticut League meet on May 30, due to a muscle injury. Captain “Bill” Welwyn could not in any way have been able to get to the meet, as he was injured at the New England Intercollegiate meet on Saturday to round shape by the new players.

Trinity failed to score at the Intercollegiate meet as staring on the varsity center. Captain Welwyn who set a new Trinity record for the 230-yard dash in track meet, according to the in the Newfield, Vermont, pulled a turned up in a two-mi shear, and the attempt in the field, and in doing so probably made the best time that he has ever made, according to the team work of the other players. The colors of the division was chosen. While it was not a particular part of Ferrand, a Frenchman, who found his greatest joy.

In congratulating the winners in the great Camel contest we want at the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

We wish also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack as is evidenced by the notable increase in the sale of Camel cigarettes.

By means of this dust-proof, germ-proof, moisture-proof Cellophane wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack we ask you to switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.
