Men’s Basketball team, 67-54.

The final quarter alone it amassed a total of
30 points to 3 points for its opponent.

The second-five in the men’s
school squad playing in the final period
continued to astound the Aggies completely.

After the first few minutes of play,
when the Trinity five subdued the Aggies
field goal, the New York team was
never in the lead. Johnny Mortimer
began Trinity’s offense by making
good two foul tips. A minute later

"HELL WEEK"

While thoughts of the fraternity initiation held during the past week are still fresh in mind, it is proper to point out the trite question of "Hell Week," as it seems destined to arise each year at this time. In dealing with a subject of this nature, it is the custom of the authorities to try and interfere with the activities of the various houses which rightly concern themselves with the welfare of their own particular houses.

It is in a pity that either the President or the Faculty should be forced to take a hand in proceedings which ought to rest with the fraternity houses themselves. Under such conditions it is impossible to expect the authorities to be able to give the same kind of close supervision that the members of the house alone can.

When and if the authorities do interfere, therefore, it is evident there is something wrong.

The question of the fraternity's activities always brings up the old story of the "Hell Week," it being an act of necessity, but one that often causes a young man no small degree of anxiety and worry, and why it can not emerge from its period of suffering.

In the past week are present their three-minute speeches on Feb­ruary 26. The admission will be on the basis of previous requests, and the Ivy picture of the members of the society was taken Friday, Feb­ruary 17. The picture was taken when the full membership was present.

INFORMAL DEBATE HELD BY IL CIRCOLO DANTE

Sarca, Piacente Take Opposing Stands on Mussolini Regime in Enlightening Discussion

On Sunday evening, February 19, at 8.60, the Il Circolo Dante, recently formed, held an informal debate at the home of one of the members. The topic of the evening was an important one, had already been solved, that Mussolini's Regime Has Helped Italy. The proposition was supported by J. Sarca, '36, and the negative by S. Piacente, '36. The debate was brought out that during the dictatorship of Mussolini, Italy and Mussolini, and have had a good chance to avenge its losses.

Everyone is looking forward to these games, and Special bleachers have been set up for the use of the members. These bleachers are also used for the large groups of Connecticut students and will be open to the public, and will be used for this purpose. The preliminary game Thursday night will be held at the College Club of Hartford.

The preliminary Saturday night will be held at the Wisconsin Institute. The games will begin at 7 p.m. instead of the usual 7.30 p.m., in order to give an early start to the dance which will take place in Cook Hall after the varsity game.

Dear Mr. Sharkey:

We feel that such an event as the recent State Hi-Y Conference held at Trinity are of the utmost importance to the progress of our state program and this particular conference was certainly no exception.

WESLEYAN QUINTEET BOWS TO BLUE AND GOLD TEAM

Game Marked by Excellence of Defensive Play—Martens

PRELIMINARY CLOSE
Junior Yarvis Beaten by Margin of One Point—Warner Shines Against Cardinals

Trinity’s basketball team again hit its stride early when it assembled at 27 to 18 beating the Wesleyan five at Midtown last Wednesday evening. After a somewhat slow but well-played first half that left both teams deadlocked 9 to 9, at its close, the Blue and Gold, led in the scoring attempts by Captain Daut and Johnny Martens, asserted itself and built up a lead that the Blue Devils were never able to close because of the remainder of the game. The Trinity Jays beat to the Wesleyan Junior Variety teams in a hotly-contested preliminary game, the final score being 28 to 18.

Trinity started the game with a bang. Daut got the tap and Martens converting the advantage into a score with a beautiful one-hand shot that went cleanly through the hoop. The Blue and Gold were not able to get much of a lead, however, for Allen, the rangy Wesleyan center, equalized the score with one of his usual long shots. Another basket by Allen put the Cardinals in the lead for a short time, but points from Daut and Martens gave Trinity the advantage again. The lead see-sawed back and forth three times before the half finally closed with the score tied.

Soon after the beginning of the second half, Kelly, Trinity’s guard, converted to give Trinity a lead that Wesleyan was unable to overcome in spite of the headed efforts of Allen and Schuhm to break away from the Trinity guards. The play speeded up somewhat in this half. The passing of the Blue and Gold team was swift and accurate, Wesleyan flashed a scoring orgy which netted ten points, while the Cardinals went scoreless.

Goode, Allen, and Schuhm finally broke through the Trinity defense to boost Wesleyan’s score somewhat. Dukas then slipped down the floor to drop in a field goal.

WESLEYAN'S BASKETBALL TEAM

Just before the game ended, Kearns dropped another field goal through the net. This game was marked by the best defensive play shown by the Trinity team this season. Kelly held Schuhm to one field goal, which is the smallest number of field goals that the Wesleyan again has been held to this year. Dukas, too, excelled on the defense showing his man only one field goal as well. Although Allen scored four field goals to three for Daut, Daut scored more points, Allen was never able to get past Daut for a short shot at the basket, but was forced to take all of his from the middle of the field. Martens played a sparkling game, at one forward position, with Kearns also assisting at the other.

The preliminary game was fast and close throughout. At half time the Trinity Jays led by 11 to 9. The Wesleyan group jumped into the lead soon after the second half was underway, however, and held its slim advantage for the remainder of the game. Jackson, Hingham, and Warner were outstanding for Wesleyan.

Delta Kappa Epsilon and Psi Upsilon Advance in Fraternity Play During Week

Three games were played in the interfraternity basketball tournament during the last week, with the result that in the National League the Commons Club held first place and Psi Upsilon advanced from third to second place. In the American League Delta Kappa Epsilon rose from fourth to second place when Alpha Chi Rho forfeited a game to them.

The Commons Club defeated the Delta Psi five on Tuesday afternoon. At the half the Commons courtiers were far in the lead, but in the second period the St. Anthony players tightened down and the final score was 19 to 14. Psi Upsilon played a fast and exciting game with Alpha Delta Phi on Friday afternoon. At the end of the first period the score stood 2 to 2 in favor of the Alpha Delta. In the second half both teams scored more often, but the Psi Upsilon players made a brilliant spurt at the end and won by a score of 15 to 14.

The Sigma Nu-Delta Phi game and the Neutral Blue-Neutral C game were postponed.

Well, that's something about cigarettes

I never knew before

I'd never thought much about what's inside a Chesterfield cigarette. But I have just been reading something that made me think about it.

Just think of this, some of the tobacco in Chesterfield—the Turkish—comes from 4000 miles away! And before it is shipped every single leaf is packed by hand. All because Turkish tobacco is so small and delicate.

Of course I don't know much about making cigarettes, but I do know this—that Chesterfields are milder and have a very pleasing aroma and taste. They satisfy—and that's what counts with me!
