Thrilling Game with Wesleyan Ends Trinity Winning Streak

The Trinity-Cross Country Team finished its season Friday afternoon on the home course with a victory over Wesleyan. This made the third victory in the season of a schedule of five meets. The race was also memorable to the Hilltoppers for another reason: Ray Perry slashed almost eighteen seconds off his own record at this year for the course.

The runners finished as follows: Ray Perry, Trinity, first; Ed Sloane, Wesleyan, second; R. Maynard, Wesleyan, third; A. Mountford, Trinity, fourth; B. Bert Finck, Wesleyan, sixth; E. Burnham, Wesleyan, seventh; R. Morgan, Wesleyan, eighth; B. Fink, Wesleyan, ninth; J. Ainsworth, Wesleyan, tenth; Roger McGregor, Wesleyan, eleventh; Romes Castagno, Trinity, twelfth; Everett Bovard, Wesleyan, thirteenth; Joe Adamson, Trinity, fourteenth.

Winning time, 17 minutes, 30-9-10 seconds.

An inspired Wesleyan eleven balded Trinity's bid for its sixteenth successive victory and scored a stunning 9 to 7 upset over their traditional foes on Andrus Field last Saturday in the golden jubilee game of a series that began in 1885. Last Thursday evening, long after the football banner was carried into the trainer's room, Coach Jesses voiced the opinion that the Wesleyan game would be the "touchout of the season" for the Blue and Gold forces. For, with the final game of the

The object of this showing is to let the students of the college know something about the work of the Community Chest.

The architects of the Chemistry Laboratory have been much pleased with the progress of the work in the last few weeks. Since the roof is completed, and the work of putting in the glass has begun, there is no doubt that the building will be ready for occupancy in the winter storms. This will enable the workmen to take care of the masonry, piping, and ventilating during the next few months.

During the past week the center of attention has been the planning of the small library in the laboratory. This is to be a memorial to Professor Robert B. Riggs, Professor Priestle’s assistant for twenty-six years, who has been one of the chemistry journals and other reference works which may be moved over from the college library for the benefit of the chemistry staff and the advanced students.

Special attention has also been given to preparations for the moving of the apparatus and sound apparatus so that the auditorium may have up-to-date equipment.

Many among are not familiar with the works of the playwright, Thorne is honored by some today as the veritable dean of the modern drama. "The Magistrate" was one of his first big successes. Since the day of its first production, "The Magistrate" has been one of the most popular farce comedies, being constantly revived, especially in amateur theatricals. "My fortune and my fame," says Thorne, "were made by "The Magistrate" and "Sweet Lownder." After a run of more than a year in England at the Court Theatre, it came to America in 1885 and had long runs in Boston and New York, with Ada Beegum and John Drew in the principal roles.

FRESHMAN FOOTBALL
(Continued from page 1.)
At the start of the second period Wesleyan pounded off three successive six-yard gains, but a bad pass resulted in the ball changing hands. After several exchanges of kicks, Bollen took the ball on his own 45-yard line and ran it up to Wesleyan’s 40. On the next play Upham cut off left end behind excellent interference and crossed the goal line standing up. The try for the extra point was unsuccessful.

The second half found the Red and Black relying exclusively on running plays. With Hamner and O’Addario carrying the ball, they threatened several times to wipe out the Hilltoppers’ narrow margin. They were held for downs on the goal line and Morris put things back on an equal basis when he carried the ball 60 yards on a beautiful cut-back through tackle. The final quarter was almost completely an exhibition of Wesleyan’s offensive play, for time and again the Cardinals worked the ball down the field only to be held. Alexander’s consistently fine kicking was more than welcome at this point and helped considerably to keep the Middletowners scoreless.

to their 1-yard line, forcing Kobrosky to kick from behind his own goal line. Horsie took Mikey’s boot on the Trinity 37-yard stripe and ran it back to the 32-yard line. A lateral was good for 10 yards, and a pass, Burton to O’Leary, placed the ball on Trinity’s 11-yard marker. Three line plunges were halted on the line of scrimmage, but then Burton dropped back and, with Fullback holding the ball, kicked a goal from placement for three points that stood for ever-increasing importance as the game progressed.

An interception of a pass by Captain Bob Johnson near midfield and a forward-lateral, Johnson to Huffine to Burton, gave Wesleyan a first down on Trinity’s 28-yard line just as the first quarter ended. A lateral that was good for 14 yards and bucks by Johnson and Horne carried the pigskin to the 4-yard stripe, but here the middle of the Trinity line barred and flung back the invasion to take the ball on downs. Kobrosky kicked out of danger, and, after the Cardinals checked a Blue and Gold threat, the half ended with the ball in Wesleyan’s possession.

The second half was not more than a few moments gone when Bob Johnson sounded the death knell for Trinity’s hopes. On an off-tackle play, the Middletowners’ captain parted through the line, eluded the secondaries, and shot out into the open. After he had rolled off 67 yards for the most thrilling run of the day, Bill Haight nipped him from behind as he swerved to dodge O’Malley on Trinity’s 19-yard stripe. The weary Blue and Gold again made a gallant stand and on fourth down, Wesleyan still had 11 yards to go. Burton dropped back as if for another placement with Johnson holding the ball. Burton started walking for the sidelines and the Trinity team relaxed. But suddenly the ball was snapped to Johnson who flipped a lateral to Burton. The husky halfback then shot the ball to Klinger who dashed across the final stripe for the deciding tally. One of the few completed aerials, O’Malley to Kobrosky, and a long

In conclusion the speaker urged that the new men, while their sensitivity to impressions was at its maximum, should devote some part of their time to the study of Fine Arts, "but that they shall dominate your intellectual pursuits but that they may be of service in the cultivation of your taste and incline you to a reverence for the finer things in life."

At the service tribute was paid to the founders and benefactors of the college, and in accordance with an ancient tradition of the college the list of the Trinity men who have died since the 1934 Matriculation Service was read. It includes: Colonel William S. Cogswell, ’91; Josiah C. Capen, ’06; Rev. William E. Hyde, ’79; Reginald Hills, ’34; Rev. George E. Magill, ’44; Lewis H. Padlock, ’88; Rev. Samuel H. over the radio. During the year the society continued its record of straight victories in inter-collegiate debate since its re-formation in 1923, although there were less than 20 members from which to choose delegates.

At the opening meeting, several candidates presented themselves and delivered their initial speeches. Of those competing, Dwight S. Cushing was elected to the Society on the strength of his talk concerning the present Indo-Ethiopian situation. One progressive step taken this year has been the revision of the constitution. Most important classes in the new Constitution are 3 and 4 of Article I, and Article IV. These were inserted to make Society membership more easily attained.

END OF MEETING.

Our next meeting will be held in the A.H. Building at 8 P.M. on Thursday, December 5th. Please be present and enjoy these meetings. They are a part of the best Frosh activities being enjoyed.
