SHREDITORY WARRIORS MEET TRINITY TONIGHT IN RETURN ENGAGEMENT

CARDINALS CONFIDENT

Trinity Hoosiers Make Farewell Appearance in Hopkins Street Gym This Season

The Trinity College basketball team meets the Wesleyan Cardinals at the Hopkins Street gymnasium at 8:30 tonight in the second of their annual series. Trinity scored a 43-45 triumph over their arch-rivals at Middletown in an earlier game. By sheer aggressiveness and five straight field goals at Wesleyan Fresh and Gold housters built up their score to 29-22 to 34-24, and were comfortably ahead.

In looking over the record book, the Card men found that they were proving facts proven themselves. Wesleyan proved to be superior in the free throw department, as the Trinity men were stymied by only out of 11 attempted. There is no doubt about it, the Hoosiers were superior on the field which resulted in victory. Trinity forced Wesleyan to shoot from outside, and by the fourth quarter, Randall paced his teammates with 12 points, while big Rich Phillips led the other end with 14 points. Ferguson and Thomsen helped the Trinity cause with 10 points each. Wesleyan was held to 19 points. Ferguson and Thomsen were the leaders who scored 5 and 3 points, respectively.

Both men are former Weaver centers, for playing honors.

To Get Revenge for First Loss

The starting lineup for Trinity will contain seven veterans. Among them are forwards Ogilby, Chappell, and Drew

Plans for Hartford Girls’ Junior College Progress

Of some interest to undergraduates of Trinity, especially those in the Junior College Progress, is the announcement of plans being made for establishment in Hartford of a Junior College for women.

President Ogilvy spoke on Feb-

uary 19 at the regular monthly meeting of the junior college executive committee. He stressed the importance of junior college education and its place in American life today.

He said, "It is natural, he said, to think of the future when one is young, and to be interested in what the world will be like when one is an adult. The junior college is a place where young people can learn about the world and its problems, and also about their own selves. It is a place where they can develop their own interests and abilities, and it is a place where they can make friends with others who share their interests."

Dr. Ogilvy also discussed the need for a junior college in Hartford. He said, "There is a need for a junior college in Hartford because there are many young people in this city who do not have the opportunity to go to college. The junior college is a place where these young people can get a good education and be prepared for a good job."

In sponsoring these dinners, the faculty members and their

Squash is not known at all in some parts of the country, and, in some parts, there may be a squash game. It would seem that a coach of squash has a distinct advantage against him before he starts. This has been the case at Trinity in recent years.

This semester the faculty has inaugurated a series of student dinners which are being held in the College Dining Hall. Each dinner is sponsored by a group of faculty members and their wives, as hosts and hostesses, respectively. Students are invited to attend any of their listings in the four classes.

S receivers of their replies. Some—too many in fact—did not even bother to themselves that these dinners are purely the result of efforts upon the part of the faculty to create an opportunity for strengthening relationships between the instructors and students outside of the classroom, and the students for the hospitality which they have frequently offered the members of the faculty.

We emphasize the fact that these dinners are not being given by the college to the students; the faculty members have merely joined forces of their own volition to make it possible for them to entertain at each buffet supper a sizeable group of the student body.

Invitations are sent out to each of the students whose presence is requested at one of these dinners. These invitations clearly request that the recipient accept or refuse his bid by calling the telephone number which is stated upon it. It is obvious enough, certainly, that prompt replies to these invitations are absolutely essential for the hostesses. The recipients of invitations to the last two dinners were unfortunately negligent in their replies. **Trinity TANKMAN to CLASH WITH FAVORED CARDINAL SWIMMERS AT WESLEYAN**

"AXE" and PETIT DUEL

Don Davis and Daniels Stellar Wesleyan Swimmers in Spectacular Clash

The Trinity tankmen face a tough assignment when they meet the Wesleyan swimmers in the Middletown pool tomorrow night. According to Coach Joe Clarke, the Cardinals, despite their low percentage of wins, are at their full strength and are able to launch a dazzling array of speedy merman against a determined Trinity team.

The sprinters will find Davis, who needs no introduction, and Daniels, Sophomore, who is a definite threat, carrying the Cardinal hopes. Don Davis is one of the best dash men in New England, and has been beaten rarely. Recently Croedt of Williams nosed him out in the meet that Wesleyan lost to the Purple. His running mate, Daniels, in one meet this year against Williams. A former freshman star, he can run the 100-yard dash in about 15.5 seconds and the 220 in 23.5 seconds.

In the distance events another Sophomore, named Mook, will perform for Wesleyan. In the 220-yard race Captain owl will have almost a chance at tearing through the 1.100 years old Mook and who if he is in form in the last 100 yards will establish a new record.

The divers proved to be a vital event in which Trinity was able to enter only Steve Hartlitt, who gave a good account of himself in taking third place. However, the absence of another Trinity diver caused the loss of some possible points.

The Engineers had two crack swimmers in Love and Riddick. These two men were the outstanding athletes of the event. Love, crack sprinter, having taken both 100 and 100-yard dashes, went on to give his team a lead in the all-important 400-yard relay. Riddick splashed his way to decisive victories in the 220- and 440-yard freestyle races and then took the anchor leg of the 440-yard relay.

The opening event, the 100-yard dash, featured a walk-off, Billy Newton, Trinity as Convoy and Akosmitos, in their specialties of the race, opened up a good lead and Smith coasted in to clinch the victory.

John Dewlow turned in commendable performances in the 100 and 200-yard events. Against Riddick in the latter event, he set a new pace in order to shake off his opponent in the opening 100-yard race. The last 75 yards Riddick uncorked a blistering drive and churned his way to the wall with an open water lead. (Continued on page 4.)

**WORCESTER SWIMMERS BEAT TRIN NATATORS**

Free Style Relay Decides Meet As Engineers Eke Out 43-32 Victory

Saturday, February 25—The Worcester Tech merman eked out a close victory over the Trinity swimmers by a score of 43-32 in the Trowbridge Pool this afternoon. As predicted by Trin- nedy Coach Clarke, the final outcome hinged on the last event of the after- noon—the 400-yard freestyle relay—which the Engineers swamped the Trinity swimmers with a 3:49 margin.

Although Trinity captured but three of nine first places, they, never- theless, amassed points by virtue of six third places. The divers proved to be a vital event in which Trinity was able to enter only Steve Hartlitt, who gave a good account of himself in taking third place. However, the absence of another Trinity diver caused the loss of some possible points.

The Engineers had two crack swimmers in Love and Riddick. These two men were the outstanding athletes of the event. **TRIN QUINTET SWAPS NORWICH HORSEMEN IN SLAGGISH HOME GAME**

LED BY FERGUSON

Trinity Player Tallies 13 Points As Engine's Squad Scores Action in 66 to 61 Win

Tuesday, February 27—Paced by Ferguson, who threw the ball through the hoop for a total of thirteen points, the Trinity quintet swamped the Norwich University Horsemens, 66 to 61 Tuesday night, in spite of the scoring spree of the current season. Both the variety game and the freshman game which preceded it were held at the Hartford High Gym. The game saw much body contact, but there was little excitement for the spectators. The lead alternated during the game, but in the final rousing of the second quarter Walsh and Ferguson combined to exhibit some fine shooting which put Trinity ahead, 25-14. After the half-way mark was reached, Dick Lindner, who usually stars as a defender, scored, sur- prised the spectators by staging a scoring spree of his own and boosted the score to 45-30.

Norwich lost the greater part of its scoring punch after the half when its center, McCloskey, who had tallied seven of his team's fourteen points, was ruled out for fouls. From that time on, Trinity increased its lead and won the game by the final score of 66 to 61. Although Coach Oosting, for the first time this year, used every man on his squad, several benchmen got a chance to come within striking distance of the leaders. Besides having a good night offensively, Lindner was a stalwart on the defensive. He added to his already impressive feats by holding Hughes, Norwich's star forward, who was also a defender on the back court, without much success. Lindner's favor was the tight man-to-man de- fense which Trinity employed with much complete success. Although Lindner was compelled to make nearly all of its points on long shots from the middle and open spaces, he never theless, amassed points by virtue of some possible points.

The Engineers had two crack swimmers in Love and Riddick. These two men were the outstanding athletes of the event. Love, crack sprinter, having taken both 100 and 100-yard dashes, went on to give his team a lead in the all-important 400-yard relay. Riddick splashed his way to decisive victories in the 220- and 440-yard freestyle races and then took the anchor leg of the 440-yard relay.

played this year. This team is composed of Dick Lindner and Ray Ferguson at the forward positions, Ray Thomas at center, and Don Walsh and Bob Randall at the guards. Jack Crockett, who has steadily improved and who has seen much service in recent games may win a starting berth before game time. Dodd Harris and Moe Borstein will prob- ably see action at the forwards before the game is over.

Coach Lash of Wesleyan will probably name the same team that started the last game against Trinity. The team is composed of Kay and Knowles at the forward positions, and center and Morningstar and Havinghurst at the guards. Whiting will also probably see action for Wesleyan.

The yearling teams will play a prob- ably game beginning at 7:30. In the previous game the Wesleyan freshmen eked out a close victory, 29 to 26, and the Freshmen Big Ten for this defeat with a revamped freshman lineup.

PSI UPSILON AND DELTA PI HOLD THEIR ANNUAL INITIATION

(Continued from page 1.)

John Longworth Swift, '42, of Madison, Wis., and Walter St. John '30, presided as toastmaster over the banquet, which was held at the chapter house at 8 o'clock. Mayor John O. Leavitt '94, Judge Philip J. McCook, '95, and other guests spoke briefly. Among the alumni present were: Howard Green-berg, '56, John Longworth Swift '42, Jarvis MacA. Johnson, '03, Dr. John H. T. Sweet, Jr., '17, William S. Esston, '16, George T. Bales, Jr., '19, Edward B. Barnsey, '13, Newell S. Sage, '15, Robert B. Ryerson, '10, Charles B. Spofford, Jr., '17, Donald J. True, '18, Charles E. Croman, '24, Joseph G. Merriam, '24, John S. McCook, '45, L. Barton Wilson, '39, W. G., William A. Claggett, '19, Arthur M. Eaton, S. '03, and several others.

The banquet was held at the chapter house at 8 o'clock with Allen R. Drey, '77, serving as toastmaster. The speakers included Dr. Arthur Adams, Dr. Ralph Storrs, '17, and Paul W. Adams, '25. Among the other guests present were Norman H. G. Moore, '37, Thomas A. Whaples, '38, Stewart P. Blake, '38, Gerald S. Piercey, '78, and Eldred K ery, '41.

WORCESTER SWIMMERS BEAT TRINITY NATATORS

Worcester, who came into place position just ahead of Hill, Trinity voted the meet as a draw.

The other Trinity specialty artist, "Aksomitas" kept his record unmarred by the defeat of his record first event, by a 15-yard margin in the 200-yard breaststroke. Employing his famed under-water and butterfly strokes, Aksomitas forged ahead at the 75-yard mark and continued at a winning pace until he was 20 yards from the finishing wall. Here he shifted to the butterfly stroke and hollered out to ask the number of remaining laps. Learning that he was on the last one, he coasted in to win with ridiculous ease.

The distance race saw Riddick, swimming a good lead at 100 yards, and increasing it to a pool length, take first place with Tibbals of New Haven last Saturday afternoon by a score of 54 to 17. At the half, Trinity led by a 24-34 score, and the back stroke squad saw action at some time during the game.

The Trinity swimmer is a composite of the best swimmers of the past, and will probably take the meet from New Haven this year.

ON OTHER FRONTS

(Associated Collegiate Press)

U. S. collegians, brought up in the clear air of a democratic nation, are finding it difficult to clearly understand what they should be doing and what they feel about the rise of the totalitarian governments abroad. They are definitely opposed to Hitler, Mussolin- i, and their like. They are definitely certain that their systems of government would not work here. But they are not so sure what should be done about it, for they have repeatedly said they will not go to war on a foreign soil and many maintain that little we say or think about the whole situation will be of much benefit.

Hill's recent address to the German Reckenschlag brought out definite views on the part of representative collegians. Here are some of them:

"The newspapers of a few years ago told the story of a paper-hanger who rose high in the esteem of certain individuals in post-war Germany; he formed the Nazi party, the revolt was raised and stamped out to see the seat of government. It was some time before there was any mention of justification, of any directed system; and when it came, the world almost forgot that Naziism had simply adopted it as a futile effort to cover up unjust methods. It is well understood in this connection when the fiery speeches of the emotional paper-hanger do not forget the story told by the newspapers when Nazism was still in a form of poor and obscure, yet was still drunk with new power. For as long as we remember, we will not be able to admit the presence of the German state, assembly solicitation and peace-loving, and still maintain the quality and selfish product of a grasping mind."

Max Ambrose "College News."

"When we think of the things Hitler does with impunity, when we realize the string which he has on so many nations, when we comprehend that his most recent bellicose declarations were made by gentle poltical officials, we must conclude that the world is justified in hanging with alarmed silence on every word he utters. An alarm once signified a clarion call to action. Has "Frozen Subjection" replaced the former meaning?"—University of Virginia "College Topics."

"Though few Americans approve of Hitler and his policies, most of us realize that splashing our opinions over the faces of newspapers and maga-zines can do nothing to improve the situation. Instead, it may intensify the antagonism existing between the two countries to a white heat."—Jennett College "Collegian."

"When once panicky with the idea of the dictator winning, it seems that the pay-off is near and each side must rise to defend itself. Americans need not fear, however, for their time-honored ideals need no defense. They need only to believe sincerely in the threatened freedoms they now take for granted."—Oregon State College "Bavarian."

"In America, Fascism would result in a far greater reduction in the power of the economically dominant than would an intelligent reconstruc-tion of the profit system under a po-litical democracy. American Big Busi-ness must yield some of its power to the government in order to bring about increased standards of living for the lower classes and better distri-bution of commodities. It will not turn to the device of a dictatorship. There is no necessity."—Syracuse University "Daily Orange."
