Trinity Quadent Wreaks Vengeance on Wesleyan in Hard-Fought Game

SCORE 45-43
Maxwell, O'Malley, Tallar Lead Blue and Gold to Victory

TEAM-WORK NOTED
Freshmen Lose Final Contest of Year: 31-35; Littel of Wesleyan Stars

Middletown, February 28—Between starting forward Bill Fishel's assist in the first minute of play and Johnny Finf's final free throw with 2½ minutes to go in the game, ten inspired and scrappy Trinity men shot the 45 precious points that defeated a Wes­litan team in the first game of the first half. From then on Wesleyan roots­ters showed mixed emotions of disappoint­ment and hope. But Trinity's heroes fell as much as 15 points be­hind in the second half with a final shot fol­lowed immediately by a double-decker. But the freshmen held on and the Blue and Gold team went into the last stanza of the game with a minimal 7-point lead. Wesleyan failed to make a single point during those final 3 minutes of the game. 

The Trinity Troubadours will present the last offering of the evening on March 1-2. "Your Vengeance" by Charles Laughton and the first scene of the second act of "Life, Laughter and Tears" by Alfred Lunt and Lynn Fontanne will be the evening's offerings.

Frosh Innovate New Dance for College

The class of 1945 is the first fresh­man class in the history of Trinity to do more in the way of providing entertainment than showing up at the upper class dances. This year's frosh­men have planned a variety of events to be held in the Cook Commons Saturday, March 7, at eight o'clock. Under the leadership of Class Presi­dent and Dance Chairman Manley Goodspeed, the committee in charge has planned a series of activities which will ensure that the dance will be complete.

The Trinity Troubadours will pro­vide music for the dance from opening time till twelve o'clock. Upper class­men will be admitted after paying the one dollar "stargate­charge". Guests will be welcomed, for a princely sum of 25 cents, and a less hands­on punch will be provided.

"We don't know how this is going to turn out," Chairman Goodspeed said, "but we hope everyone will come. There's no way we can't win. (Continued on page 4.)

FRESHMAN CLASS SHOWS INITIATIVE

We hereby commend the Freshman and especially their committee, for the initiative they have shown in conceiving and organizing their Freshman Dance. Although the outbreak of war killed plans for a bigger dance than in most other colleges, the Freshmen came through in the emergency with a plan for a small dance which would fit in with the present situation. Small dances are always more fun than huge ones and are more practical in these times. The college has recognized that there is no reason why this should be eliminated entirely. A program that contains a program of smaller, more informal dances more often.

The undergraduate body has, for the most part, concurred with this opinion and the Freshman plans have been acted upon. We hope their dance will be a complete success, and that it will pave the way for more of the kind in the future.

Blue and Gold Coordination to Play Hamilton Agregate In Last Encounter of Season MEET AT CLINTON

The Trinity College basketball team journeys to Clinton, New York, next Wednesday, the 4th, to engage a very good Hamilton club. It is not known definitely just how the Hamilton record is, as Trinity hasn't en­countered it for six years. But on February 28, in their last contest to date, Hamilton lost by a very narrow margin to a Uni­versity of Rochester club, which had been victorious over Syracuse and other clubs of the same caliber.

This encounter with the Wehremens threatens to be the toughest of the year.

Four Victories

Trinity goes into this game with a record of three consecutive victories and seven defeats. The Blue and Gold has been returned the winners over Union, Hamilton, and Wesleyan for their only successes to date, while losing to Colby, Mass., St. P., Wesleyan, Swarthmore, Vermont, and Coast Guard.

In this season, Captain Ned O'Malley and Ned Maxwell, ex of St. Thomas, have supplied the scoring punch for Trinity. O'Malley had his best game of the season against William's when he scored 17 points, in addition to 25 per cent of his shots.

In that engagement, O'Malley controlled the ball and dive, made through the water.

Taking full responsibility for the is, as Trinity hasn't en­countered it for six years. But on February 28, in their last contest to date, Hamilton lost by a very narrow margin to a Uni­versity of Rochester club, which had been victorious over Syracuse and other clubs of the same caliber.

Mastering the Freshman center, he arranged a good deal of pressure on his forward play, and after a brief wrestling match with "Mugger," both were ejected from the game, but before each shot had his foul shot. Bill Black averaged Maxwell with a nice basket midway in a quick succession of fouls. Tullar was ejected on four fouls. Roberts of Wesleyan sank a basket, Bill was fouled and made his shot. Score: Trinity 45, Wesleyan 32, when Wehremen easily began to roll.

Sadowski broke away again to go the whole length of the floor for two points and a third on a first three free when Black used his fourth up foul on his head. "Chip" was then given the first basket of the evening, Norton sank a foul, Bill got Trinity's last point on a foul shot. Walker, who was guarding Bill, was fouled and Dr. Maxwell was top scorer of the game with 12 points while O'Malley captained a great team and at the same time shot ten points. Willie Slott led Wesleyan's scoring by sinking ten points in the first half.

There was jubilation in the Trinity locker room following that breathtaking victory over Wesleyan. All was clear and defined, even if a little too clear, and this was proved when Wes Feaster, the Wesleyan mentor, took his players into the dressing room and explained the sight of seeing players who a short time ago had been fighting for all they were worth to win the conference by-play, now exclaiming comments of relief and elation. They are the spirit which we hope will always exist between Trinity and Wesleyan.

The Athletic Department has handed out three announcements.

First, there is an interest in a Senior Red Cross Life Saving course leading to the Red Cross - first aid instructor certificate. The course will be conducted at the pool beginning Monday, March 16. If you are interested, see Joe Clarke or sign the list posted in the swimming pool building.

Second, the annual Intramural Swimming Meet will be held Tuesday and Wednesday, March 16 and 17. All the entries must be handed in to Joe Clarke by Monday afternoon, March 9.

Third, there will be an important meeting of the Intramural managers Tuesday, March 16, at 5:09 p.m. in Mr. Oosting's office.

But getting back to the locker room, Frank Fasti and Ralph Erickson Stimulated Bradley and Bill Cleveland in the last half-minute: "How much time is there—how much time is there—how much time is there—?"
