**Trinity College Glee Club To Present Concert Tomorrow Even Assisted by Junior Prom Smash Hit, The Bishop's Men**

By Richard Sanger

For the first time this season, the Trinity College Glee Club will present a concert for the student body. Thursday evening at 8:15 in the college auditorium. The concert is sponsored by the newly formed octet, The Bishop's Men. In addition to the concert, the Glee Club will present a picture of the "Bishop's Men" to the program, the debut of the Glee Club octet.

The club has already had a successful season. At the Smith College Christmas Festival Concert, the Glee Club and Smith's club presented songs of "Magnificat," which were appreciated by large audiences. Special credit for the success of the performance went to Miss Nellie of the Smith Music Department, by unanimous agreement of the clubs. At the Smith concert, the Glee Club sent an entire weekend with activities including house and social functions. The people of the Greater Hartford area are especially planned since it will service and a source of real pleasure to them.

Ten members of the Trinity faculty, including three emeritus professors, are listed in a new biographical reference book entitled "Who Knows What?", which is a "Who's Who in America," the new work is an attempt to collect biographical data on specialists in literature, science, social studies, and the arts. The Trinity faculty who have been listed, many of whom are already in "Who's Who" are Professors Humphrey, Perkins, Dibden, Bloom, boxwell, Troutt, Thompson, Ray, Shaw, Cameron, and Cooper.

**Placement Office Announces Career Counseling Lectures**

The following is an Open Letter to all students from John Butler, Director of Placement:

Placement Officers have scheduled a series of group meetings for interested seniors and in the lower classes. The speakers invited to take part in this program are listed below. I believe these meetings can be of great help to you as a senior particularly, because they can give you helpful information regarding your choice of vocation and also regarding your approach in interviews. The general pattern of these sessions is that the speaker usually talks from 45 minutes to an hour with an informal discussion period following. All meetings will be held in Alumni Lounge at 7:30 p.m. I certainly hope you will take advantage of this series.

John P. Butler,
Director of Placement.
Jesters Use Arena Staging For Bell for Adano"

By Dick Hoover

In "A Bell for Adano" the Jesters will again tackle the same problems confronted in producing an avant-garde play. Such presentations are unfamiliar to mainstream audiences, and can be particularly challenging when performed in an arena setting.

The Jesters are known for their innovative use of the arena space, which allows for a more immersive and interactive experience for the audience. In "A Bell for Adano," they will once again take advantage of the arena format to create a unique and engaging production.

The play follows the story of a French man who, after being exiled during the French Revolution, returns to France to reclaim his family estate. The Jesters' production will bring the audience into the heart of the action, blending physical movement and visual spectacle to create a truly immersive experience.

While the production will be challenging, the Jesters are confident in their ability to bring this groundbreaking work to life in an arena setting. Their past productions have highlighted their commitment to pushing boundaries and innovating in the world of theatre, and "A Bell for Adano" is sure to be no exception.

Tickets for the production are now on sale, and are expected to sell quickly. Don't miss your chance to experience this unique and innovative take on a classic work of literature.

Lone Intramural
Result Reported
Sigma Nu is Only Team
To Turn in Results of Play
The lone intramural result reported this week was turned in by the Sigma
Nu fraternity. Congratulations, Sigma Nu! In basketball that fraternity
still remains undefeated in league play. We presume that means it holds
first place in its league. Despite the loss of guard Will Fritts, who tore some ligaments in his foot, Phil Simoni and Bob Wood led the squad to decisive victories over Tu
Alphas, 43-28, and the Dokes, 26-16. Sigma Nu, the report states, also beat
Alpha Delta Phi in a squash match 6-1. Where this result leaves the team in the league's standings we do not know.

Varsity Swimming
Squad Beats Tufts
Handily, 48-27
Kirchner, Huck, Sproul,
Costa, and Edwards Win
The Trinity varsity swimming team
journeyed to Medford, Mass., last
Friday, February 17, and beat Tufts, 48-27, without being hard pressed
at any time during the entire meet. Trinity took six out of nine first
places and in two of the other events
took the second and third places behind
the Tufts winner. In the remaining
event the Tufts 400-yard
team scored a victory over The
Trinity team.
Kirchner and Huck did the expected by winning their events for the un
precedented time this season, the former in the 200-yard breaststroke and the latter in the diving competition.

THE TRINITY TRIPOD

Delta Kappa Epsilon is happy to announce that Brother Hall has recently renounced the sorrowful state of bachelorhood by joining the ranks of "wedded bliss." Congratulations! Bob Butler.

TAU ALPHA, having recovered from the "Never Again" weekend, has attempted to compel postmortems, in spite of the fact that "jovial truth" has been occupied with his own girl. Rumors have it that one of our chap­lains and Brother Puck has alphabet attached to the punch bowl. We've been wondering where it all went. Brother Hamilton, Mr. Virus, threatened with a 99 degree fever, unfortunately missed Loyola's frolic, but the dates of Brothers Marti, McLean, Dally, Vibert, and Podge Foster adequately filled Cinderella's slippers. Brothers Palau and Wynne did a swell job behind the bar, but, boys, the weekend is over—it's back to the books now.

Delta Phi—Our week was highlighted by two very noteworthy occasions. Last Wednesday we of feically welcomed into the Brotherhood, Aiken who during the mayhem of the previous weekend has cleared from the amazement of many. The pre­ludes were not TA ALPHA, having Parsons and Henry Buhl were joined by Dr. Klaus Fuchs, Walker, both of Hartford. The initia­tion banquet was presided over by Dr. Henry Aiken who during the mayhem of the previous weekend proceeded practically single­handedly to reveal his dormant faculties by trying to figure out timetables so that the dear young things could be assured proper transportation to their respective colleges, homes, etc. As this column goes to press the last fine ankle is reluctantly perched on the train steps at the Hartford station, bidding a warm farewell with many promises to return again.

Sorority Row for an evening of gaiety.
