Couples Will Invade Hartford ClubTonight, Informal Campus Dances Saturday Evening

Trinity's big weekend of this fall season, November 10, 11, and 12, will be highlighted by the Soph Hop and Informal Proms, the Ambrosi-Trinity homecoming football game, and the freshman-sponsored pillow fight and frat mixer that will be held on these same nights.

The first event of the weekend is the Soph Hop, when the Sophomore House guests will be dancing to the Larry Gerolds Quintet this afternoon at 3:15 by a pep rally climaxing by a roaring band. After taking the names of various Sophia groups on campus, the cheerleaders selected from the groups will display the spirit that will be evident throughout the weekend.

Starting with an assembly of fresh men activities, the Soph Hop will proceed through the Sophomore Hop, which will be held on the campus by the Sophomore House. The Soph Hop will be open from 8 to 11 by a top-notch band, the Larry Gerolds Quintet, a well-known Hartford dance band.

Nelson, Hatfield Score For Trinity; Pro, Smith Star

Trinity's varsity soccer team suffered its first defeat of the season, bowing to a vastly superior unbeaten Yale Club at New Haven, 4-2. Although the Hilltoppers lost, they played their best game of the year against a fast, brilliant Yale aggregation that has won eight games this season.

Yale Scores First

The Elia drew first blood at the seven-minute mark of the first period when right outside Blockert the ball came out for a tally. Trinity rebounded at the 1:30 point as Court Nelson scored, and it was a tie ball.

But a minute later Blockert put a damper on Trinity's hopes by hitting the second period when left inside Cordes Trinity couldn't make a goal, but (Concluded on page 4)

The Bulldogs scored once in the third period. The visitors lost no time in finding the home team appearing to be at a disadvantage from there on and plodded steadily through the slush past the onslaughts of J. Browne-Sigma Nu Game to Decide NL Race

The probable final standings of the Intramural football league are already apparent, even though there are still two weeks of play left. From how it looks as if the Dukes in the American League and either Sigma Nu of Brownell in the National Circuit will be the victors. On November 9 the Sigma Nu-Brownell game will be played to decide the NL Championship. Both teams have 6-4 records. On Wednesday afternoon, a revitalized Crew aggregation took over ADF, while the surging Brownell squad passed their way to another victory, this time over Delta Phi. The next day in an American League contest, the first-place Dukes went out the freshmenn of Jarvis South to continue their victorious march to the championship. In a full schedule of Friday afternoon activity, Sigma Nu matched the Dukes by taking the frost of Jarvis North, while a hot and cold Tau Alpha team won a forfeit victory from the Zox neutrals, and Psi U and (Continued on page 4)

Our fine-feathered friend isn't being "taken-in" by all those tricky cigarette tests you hear so much about! A fast puff of this brand—a sniff of that. A quick inhale—a fast exhale—and you're supposed to know all about cigarettes. No! You don't have to rely on quick-tricks. The sensible way to test a cigarette is to smoke pack after pack, day after day. That's the test Camel asks you to make... the 30-Day Mildness Test.

Smoke Cigars—and only Cigars—for 30 days. Let your own "T-Zone" (T for Throat, T for Taste) be your proving ground. And when you've tried Cigars as a steady smoke, you'll know why...

Kulas and Nissi Add Power to Trinity Gridders on Both Offense and Defense

By Fred MacCall

Ed Kulas, a husky 195 lb. junior from Glastonbury, Conn., has displayed remarkable athletic prowess at Trinity, especially in football. Since his high school lacked an organized team he was at a great disadvantage when he decided to play Freshman football among experienced teammates, who had played previously. With practice, he soon developed into a fast, hard-charging defensive tackle, using his weight to good advantage, and enjoying the art of tackling opposing runners.

The benefits of Kulas’ year's experience paid off for Dan Jessee, a master at developing top players, last season when he decided to play Freshman football. Jessee, a fast, hard-charging defensive tackle, has continued to show improvement, especially on offensive blocking, so that Ed now plays on either platoon. If Kulas is a candidate for Little All-American tackle honors before his graduation in 1952, Jessee will be glad to uphold the "late, but better than never" theory.

Dick Nissi

Dick Nissi, 160 lb. sophomore from Haverhill, Mass., prepared for college at St. James High, where he managed to play four years of varsity ball at halfback as the Class "C" team went undefeated in 1947. Dick was honored as a reward for his brief stardom in "Big City."

The Bay Staters became a real scoring threat for the '48 Freshmen, as Coach Booth's team split even in five games, including a tie. While his standout running game formed a base for their attack, his defensive ability was equally accredited. Although it took time to establish his talent ability on the varsity, Dick has reached his peak as starting offensive halfback, scoring three touchdowns, with two of them against Middlebury.

The trophy will be presented to the winning group by Mrs. G. Keith Funk, and, after the numeral of the victorious have been inscribed upon it, it will be returned to Hamlin Hall.

Weekend (Continued from page 1)

22-20, Amberes had an unbeaten record, so the game promises to be close and well-played.

Saturday evening all of the students will hold open-house parties until 12:00. That same night the freshmen class, with the cooperation of a committee from the Inter-Fraternity Council, will sponsor the "Rooftop Ramble." Dancing will continue from 10 until midnight to the music of the Larry Gerard Quintet. The Bobcats' Men will also entertain.

On Sunday the weekend will be completed by a lot of sleep, chapel services, informal gatherings in the fraternity houses, and the last goodbyes at the train.
