New Library Nears Completion; Will be in Use in September

By Sanford Wright

The new library is nearing completion, and it appears as though Trinity will have its new library by next September.

Roomsearchers are fitting face stones into position; painters are allowing cement blocks to retain their stippled surface by applying only two coats of neutral water paint; electricians are ready to put in the switches for the music and reading rooms, which will light the reading rooms. Everywhere there is activity except during the lunch hour when construction workers observe religiously. "Come this breeze in the day's occupation?" they sit down in their chairs in front of the library to enjoy their lunches.

The brick surfaces are being finished and concrete form boards are being boxed and carried away, their uselessness having been utilized. Radii are awaiting hopefully in the middle of doors to be tied into the main lines. Some are to be fitted flush with the wall. Venetian doors are applied like creamed waiting to be hung and finished off.

Butler Announces Members Of Class Agents Committee

The appointment of a Class Agents Committee has been announced by Mr. Butler, Executive Secretary of the Alumni Fund, and Chip Valle, Class Agent.

The men met last Thursday for dinner in Cook Lounge, and were given an outline of what their duties will be. The methods of raising, organizing, using the same methods as have been used by 50 and 51. They will attempt to get each man to contribute a little at first, and as their education and income increases, they will demand more. To increase his gifts accordingly.

Speaking of Mom

By Henry Eckford, II

Well, Mom has had her day again, and all the grateful kids all over this grand old nation have paid her tribute. It’s just jim-dandy that we have a special day set aside for Mom, because otherwise we’d probably throw her away like an old shoe and forget the fact that she likes chocolates and flowers. Of course there’s a day for Dad, too, but I guess. I think Mother’s Day is even better. After all, if it wasn’t for Mother’s Day the poor old florists would have to go out of business except for an occasional funeral wreath, and there’d be with an unemployment problem on our hands. So you see, Mother’s Day is an integral part of our economy, just the way Mom herself is an integral part of every family.

Seriously, though, I doubt if there is any symbol in the world more likely to upset the normal stomach than the traditional American Mom. This lowest common denominator of motherhood has come to stand for everything that is wrong with this country, for the old days when we had “decent” women. We may be thankful that there are so few actual prototypes of the symbol around, but don’t depend on this national trait to disappear from our society.

The future of the American family is in its Jesters’ hands.

Down Fraternity Row

Ed. Note: Following is the “reincarnation” of a column that the Tripod published in its first year.

The decision to start it again was arrived at only with much hesitation, for the first year’s was not too received by our readers. Please send us your comments, pro or con, regarding the worth of this column, and any suggestions for its improvement.

This Sunday afternoon Alpha Chi Iota will give a complete recitation of the alumni and the annual beauty contest in the Chem Auditorium. The contest at three o’clock will include all of the women’s groups, and the annual beauty contest in the Piper’s. A tea at the Fraternity house will follow.

Sigma Pi Sigma Elects New Officers; Washington Is President, Roback Is V.P.

Elections were held at the last Sigma Pi Sigma meeting, and the following men were chosen the new officers: Ailis Washington, President; Dick Roback, Vice-President; Al Rosenthal, Recording Secretary; Jim Bourage, Corresponding Secretary; and Fred Oberender, Treasurer.

These men succeed Doug Lee, Claude Rorvire, Tony Petro, Bob Handy, and Dick Roback in the respective positions. Mr. Robert Kingbury was elected Faculty Advisor to Sigma Pi Sigma.

Plans were completed for the annual Sigma Pi Sigma Outing which will take place this Sunday, May 18th. The Outing is to be held at Mr. Ferguson’s residence in Willimantic. All members are, of course, invited to come along for the fun. No Physics books will be allowed at the Outing!!

Trinity Men Rated 5th by Smith Girls

The Ambrose College humor magazine, Sabrina, in an effort to discover the "prevailing attitudes that Smith girls hold about dating college men," recently conducted a poll on the Smith campus.

Among the many interesting statistics that emerged from this effort was the order of preference, as far as the men go, of the New England colleges according to the Smith women. Princeton heads the list and Smith girls date five times as many Nassau men than Amherst or Cornell which tied for second. Wesleyan was fourth in the foreign policy column, followed closely by Trinity and Yale. Brown surpassed Dartmouth, Williams, and Harvard in that order. Another fact brought to light was that six out of ten of these frigid females do not kiss their first dates good night.

Frosh Nine Triumphs Over Wes, 10-1; Drop First of Year to Monson, 10-8

By Joe Kassie

The frosh baseball team came out of the past week with a one and one record, dropping their first game in five attempts. The first of the two games was won by the Hillsopppers, as they crested to an easy 10-1 victory over the Wesleyan yearlings, on last Wednesday. Saturday's initial away game proved disastrous as the frosh dropped a 1-0 decision to a slugging Monson Academy nine.

In the first contest, at Trinity, the frosh, backed by a smooth mound performance by Jack "Batterball" Gallagher, had an easy time speeding their rivals from Wesleyan.

Gallagher Wild In First

Wesleyan's only score came in the top of the first, as Gallagher walked four out of the first five Midwesterness. Wesleyan scored their run on a wild pitch. Throughout the remainder of the game, Jack pitched very effectively, facing only twenty-eight batters and striking nine.

Trinity piled its ten runs on nine hits, scoring one in the first, three in the fourth, two in the fifth, two in the seventh, and two in the eighth. The Hillsoppers' hitting attack was sparked by Ed Yeomans' long triple to right center and three doubles by Kerchis, Magelang, and Gallagher.

For Gallagher, it was his third win in as many starts, while Trevorthidge suffered his first setback for Wes.

Monson Game Called

The game at Monson was called after the Hillsopppers batted in the seventh, due to a 5:00 P.M. curfew. Trinity started off as though in the driver's seat, scoring three runs in the first inning. Monson bunted right back in the last half of the first to tie the game up at 3-3, and then added one more in the fourth to take a 7-5 lead, knocking Jack Gallagher out of the box for the first time in the process. Trinity piled up one run in the fifth and four in the sixth, to take an 8-7 lead, but Monson grabbed three quick runs in the last of the sixth to sew up the ball game.

Frosh, backed by a performance by Jack "Batterball" Gallagher, had an easy time speeding their rivals from Wesleyan.

Despite another record-breaking performance by one of Trinity's weight men, the Bantam track squad lost to Middlebury last Saturday, by the score of 72 to 54. The track squad left on Friday and stayed overnight in Middlebury. The meet began early, at 12:30, so that the squad could return to Hartford in time for some of the Senior Ball festivities.

Middlebury swept the 100- and 200-yard dashes with Wes, Mayen, and Dennis finishing in that order in both events. Middlebury was far behind them in both races, but by winning times, 10.6 for the 100 and 21.8 for the 200, which were indicative of his excellent running in these races. The Panthers swept the pole vault also.

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellower, more enjoyable taste of a Lucky…for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco…fine, mild tobacco that tastes better. Second, Luckies are made to taste better…proved best-made of all five principal brands. So reach for a Lucky. The Trinity Bantams have finally begun to play up to their potential. After 33 runs this week, they put to rest Worcester’s 1-4, and Woonsocket’s 1-3. Bob shot put, discus and javelin; and Bob Saybrook competes in the Coach Martin’s squad to a 77-18 win Sunday afternoon, May 11, it will be Ben Dilorio, who last week ended the week second in the mile, and with a mighty throw, hurled the javelin.

Three members of the Bantam squad to a 77-18 win against Amherst, Fred Vogel and Charlie Mazurek starred in the first inning. Although Dilorio, was second in the mile, and with a mighty throw, hurled the javelin, he was stopped by the Bantams had 13 runs on 12 hits.

Trinity’s much neglected golf team has been quietly piling up a record this spring, beating Rhode Island State with Kurt Berrone, and Roger Douglas, the 5th in 1-2 ties and giving harli e Wrinn a 2 TD and 2 TD.

Lone to Abernethy

The Lord Jeffs took the hilltopper measure at South Hadley, 6-4, with Jack Burbank, one of the outstanding college in the east, and Lou Berrone, playing for Dave Hawkins, were outstanding for the Bantams’ chances in the remaining five games.

Trinity’s first no-hit, no-run game came on April 21, when Vogel and Bob Saybrook beat their opponents 1-0, 3-0, and 6-3. The squad competed in Hawkins, were outstanding for the Bantams, placing fifth, a good showing in the competition.

By Paul Meek

Much talk has been going around these days about Trinity’s impressive record of five wins and one defeat in baseball this season. This talk seems to stem from the outstanding pitching record of the two veterans, Fred Vogel and Charlie Wrinn. Last year the Bantams compiled a record of 10 wins against 7 losses and this while it is a winning record, it is by no means an outstanding one compared to their record so far during the present campaign.

With the exception of three men, Coach Dan Jesse has last year’s club back again this year. To back up his hopes for continued success this spring, Jesse points to the two pitch of Wrinn and Vogel, who pitched Trinity’s first hit, hit by Wrinn.
