“Key Largo”, Anderson’s Thriller, Opens Tomorrow

Burroughs, Hadden Star; Cast of Twenty Support Reshuffle

“Just as they wouldn’t kill me ... I deserted, and left my friends to die ...” —Here are the words of a coward—a word that is the leading character of Maxwell Anderson’s famous play Key Largo, which the Jesters will present tomorrow night at 8:15 in Alumni Hall. The play runs for five nights through next Tuesday.

Key Largo is one of the foremost plays written by Mr. Anderson, who makes among America’s outstanding playwrights. His most prominent one was done and there were incidents such as with. The past few weekends have seemed to indicate a trend in this direction on the part of some to obtain their seats free of charge. Reserved this year, but only until and high schools have been invited to the drama. prologue, and the Jester stage crew details and stage settings. The play opens tomorrow, and runs through next Tuesday.

DEAN BLASTS STUDENT CONDUCT; BAD TREND SEEN

“A break down in college morale and respect for the college,” said Dean Joseph C. Clarke in a recent interview, “is one thing I’m very much concerned about. The past few weekends have seemed to indicate a trend in this direction on the part of some undergraduates.”

Weekend Rowdiness

Dean Clarke was referring especially to the weekend of the Colly game and to that of the football game. During the former considerable damage was done and there were incidents such as breaking the windows in the hallway of the Jachens house, a student vehicle blocking the street so that the police couldn’t get his car out, and breaking windows in the president’s office.

WRTC to Broadcast Amherst Game, Field House Concert

WRTC will broadcast the Trinity-Amherst football game this Saturday from Amherst, Mass. Tom Bolger and Bill Wincher will handle the play by play details. Air time will be at 1:45 and the game will start at 2:00.

WRTC will also carry the Hartford Symphony Concert, which will be held Saturday night in the College Field House. Bill Godfrey will announce the program which begins at 8 p.m.

DEAN BLASTS STUDENT CONDUCT; BAD TREND SEEN

Frost Fall Dance in Hamlin Will Follow Wes Game

Realizing the need for freshening activities during the Wesleyan weekend, the Freshman Executive Council accordingly scheduled a dance Saturday night, November 14.

The dance, coupled with a buffet dinner, is expected to begin around 8:30. The representatives from the Triad, the four points raised in the Senate’s petition, were also present at the meeting.

The representative from Alpha Theta further explained that Alpha Theta was founded in 1846 at Wesleyan University in Middletown, Connecticut, and that its members have been active in college life and affairs for the past 40 years.

Favorable Comment

In the discussion that followed the petition, IFC representatives Louis Christakos (TX) stated that “... such move by Alpha Theta is very desirable in that it will prompt more extensive participation by that organization in campus activities-participating (Continued on page 6)

Faculty Letter Answers Senate

Last week the controversy between the AFROTC and the student body culminated in a letter of specific grievances written by the Senate to the Pfauly Committee on Administration.

October 27th the Committee met in the office of the Dean to consider and answer the Senate’s letter. The following is expected to begin about 8:30 at the last Senate meeting, in the Faculty Committee in a resolution of the AFROTC problem.

Memorandum to: The Senate Subject: AFROTC

The Faculty Committee on Administration met on Tuesday afternoon, Oct. 7th, in the Office of the Dean to consider the Senate’s communication of October 19th, and to discuss the phases of the AFROTC program.

Mr. William L. Goergen, President of the Junior Senate, was present to represent the Senate.

A thorough discussion of each of the four points was made. An answer letter resulted in the following decisions:

1. Armistice Day Parade.

Early in the fall period officers and members of the Trinity AFROTC requested that the unit march in the Armistice Day Parade. Colonel Hallam brought the matter to the attention of the Senate, and was granted permission to participate without prejudice. Mr. Wood was officially accepted for the parade. Since the Faculty had approved Trinity’s participation, it was decided to allow the unit to march.

Wood Explodes

Bob Wood explained that Alpha Theta had been carrying on correspondence with Theta Chi for some time and that his organization had sufficiently fulfilled the requirements of a TChi colony, which consists of obtaining the approval of the Inter-Fraternity Council and the college authorities, and also the approval of Trinity by colonizing formally.

111 Chapters

The representatives from Alpha Theta further explained that Alpha Theta was founded in 1846 at Wesleyan University in Middletown, Connecticut, and that its members have been active in college life and affairs for the past 40 years.

Faculty Rules on Air ROTC Gripe: Marching Issue Settled by Ballot

The college Faculty Committee on Administration met last week to consider a communication from the Air Force Reserve Officers Training program.

The Senate stated that participation of the AFROTC unit in the Armistice Day Parade obliges students to miss other classes, for some of which they must make up classes during the following week. The committee ruled that the faculty, without opposition, had already approved participation of the military unit with those of other Hartford military organizations on the occasion of one of the nation’s most solemn memorial observances.

The Committee felt that there was no justification for consideration of this matter by the faculty. They also noted that there is a standing agreement that instructors of other departments may request and be granted excuses from this form of participation of members of classes for which attendance is essential, and that student squadron commanders have the authority to excuse individuals from participation if they believe that attendance would cause a hardship to the individual.

The Senate stated that there is a feeling among the faculty against a marching performance at half-time of the Trinity-Wesleyan football game.

The Committee approved the suggestion of Lt. Cal Phillip, A.B., Commander of the Air ROTC unit, that in view of the Senate concern, this matter should be decided by a majority vote of the faculty. Cation of the Senate, speaking in the absence of President Jansing, said that ‘Trinity College was one of the first colleges in the nation to recognize, following World War II, that military service was to be an obligation of (Continued on page 6)
COLORPLATE IN PRINT
By WILLIAM DOYOR

offices which has no end of perturbation to the
literary and artistic canvases of the staff. The
magazine is Doubt, and is sponsored by the Fortean
Society of Great Britain.

The aim of the Fortes appears to be an in-depth
examination of the groupings of involution and
speed, but it seems also to have attracted many who
hold to various crackpot ideas—their fervor for
the society, for anything that makes men think and
is off the beaten track serves the Fortean purpose.

Now all these ideas are very fine, but what
seems to be the odd way these people think, as
shown in their little magazine. Like any early
revolutionaries, the Fortes have adopted their
own calendar, logically enoug, from the founding
of the thing. Opposite the month is the name of
the Forteans association, and the corner dates
are in the other corner. Whatever they may be
are of course very fine, but what seems odd
is the odd way these people think, as shown in
their little magazine. Like any early revolutionary,
the Fortes have adopted their own calendar,
logically enough, from the founding of the thing.

Blood Drive Falls Short Of Goal With Only 192 Pints; Spirit Lacking

The first all-time high here at Trinity is year, conducted by the Sophomore System of judging, no decision was past week, came up with mixed of 367 pints being given in two days. The all-time high here at Trinity is 300 pints which was achieved during the drive last March.

Frosh Debaters Win in New York

The Alumni Society, extending its activities as far as New York in the past week, came up with mixed results, but with more success than defeat. The success was supplied by the yearling debaters; the Frosh whirled N.Y.U. opposite numbers at both ends of the debate, and Ted Biven, John Sherman, Dave Bolding, and Leonel Janssen carried off the prize.

Varsity Loses

The varsity lost, however, though ship represented by Martin Stema and Dick Wainman.

Defeated by UConn

In a debate with UConn, held simul- taneously here and at Storrs, the Debaters were loss successful. The home side, George Kramel and Dick Wainman, lost a while, due to a new system of judging, no decision was rendered at Storrs. Several debaters gave exceptionally splendid last Tuesday in preparation for an important debate with Hotchkiss.

Frosh Admonished For Misconduct

Dean Joseph Clarke, and Dean of Admissions William Peelle warned the freshmen in a special meeting Tuesday in the Chemistry Auditorium about several instances of concern to the administrative.

Mr. Peelle addressed the freshmen concerning the littering around the New Dorm from last weekend and certain damage done in the hallways of the building. He stressed the importance of treating the new dormitory as a private home rather than just a public building.

Responsibility Towards the Building

Dean Clarke spoke also of freshman responsibility towards their new building. He went on to warn about the college regulations concerning liquor to the room. He pointed out the fact that suspension would result from the possession or consuming of beer, wine, or liquor in the dorm.

"Shaping Up"

Clarke said in conclusion that the freshman class was "shaping up" fairly well and hoped that these matters would be cleared up. He finished by adding: "We're thankful so many of our theatre friends told us to try Camels, to me their mildness is tops--and Bob much prefers Camels flavors, pure pleasure for both of us! You ought to try them!"

Police Rough at WPL-Holy Cross Game Riots

Kurtz to Speak

Professor Paul Kurtz will speak on "The Principles of Democracy" at the regular meeting of the Political Science Club at 7:30, tomorrow night in Elm Lounge.

Thomas Keenan Speaks On Post-War Germany

Mr. Thomas Keenan of the Editorial Board of the Courant spoke to the Trinity Foreign Policy Association as the regular bi-weekly meeting last Thursday night. Recently returning from service with the reserves overseas, Mr. Keenan spoke from research and personal experience on the role of post-war Germany.

German Progress Cited

He said that Germany is becoming economically sound very quickly, in politically realizing democratic aspirations of decades ago, and as yet has kept its military forces in the background of its program.

Predicts Riots

Keenan predicted that this fall there might be another series of riots "in June 17th," due to two outstanding factors: 1, that the fall harvest will be as large as anticipated; 2, that some leaders of the riots of June 17th, who are in jail as a result of German forests, will once again rally the workers.

Mr. Keenan stated, with reference to the June 17th riots, that the East Germans were disappointed, because they thought they had only to start the ball rolling and the West would step in to assist them. The FPA welcomes all men interested in international relations to their series of lectures held every other Thursday night in Elton.
Yale and Worcester Bow to Revitalized Bantams, Chang and O'Connell Shine in 2-1 Upset of Elis

Carlough Scores Both Goals; Booters Gain Easy 2-1 Win

By ED DAKAS

The Trinity soccer team has apparently signed a non-aggression pact with its opponents if Saturday's game was any indication. This was evidenced by all who watched the Hilltoppers down Worcester 2-0. The Bantam bothers had control of the ball most of the afternoon, but when it came time to score, no one was able to put the sphere through the nets. More errant shots went over the goal than could be counted on five fingers.

Carlough Scores

It was not until late in the second quarter that the Blue and Gold booters took the lead. Pete Carlough, scoring on one of the few shots that went under the crossbar and into the twines. Worcester picked up the third quarter and forced our fullbacks to work hard, but the latter did just this and the home team was denied. In the final session Carlough rounded back with the clincher and the game was on ice.

Passing Outstanding

The lack of drive in front of the opposition's nets was made up in part by a fine exhibition of passing. Plays were set up quickly and neatly. The ball was kept in Worcester territory all day. The only letdown came when the shots were taken. No one in the forward line could keep the ball down. The goal-tender turned in the best performance of the day, stopping almost every shot that came his way.

Booth, O'Connell and Muterscher

The bright spots of the day came from three sources. Neil Muterscher, team captain, played good steady ball all day long and Art O'Connell turned in another of his great days, perhaps his best. The third shining star was Bill Booth. There was nothing sapping about his play as he hustled all over the field every minute he saw action. The play of the halfback line was another bright spot in the game for Trinity.

Amherst, Wesleyan Ahead

The Bantams now have Amherst and Wesleyan blocking their way to the New England Championship and both of the above-mentioned are big road blocks. Wesleyan is undefeated and Amherst has lost one game by the score of 2-1. Both games should be something to see and if the Blue and Gold can keep up their present brand of ball they have a better than average chance of coming out on top.

Raynard Scores Three As Frosh Down Redmen 3-0; Duffy, Caine Excel

The Freshman soccer team extended its winning streak to two last Saturday at the expense of Springfield 3-0. Center forward, Doug Raynard, led the team with all three goals. His first two were scored on perfect shots, the ball rolling just past the goalie's fingertips. The third was made on a penalty kick.

This was the toughest team that the Frosh had faced all season. From the start of the game, Springfield took control of the ball and was constantly pressuring the Bantam defense. Only the beautiful play of half-back Caine, and Duffy, stopped the hard-charging Bay State line from scoring.

2-0 At Half

As the game went on, the forward line picked up speed. By the end of the first quarter, Raynard had managed to get the ball past the goalie for Trinity's first score. With two minutes to go in the second quarter, Raynard got his second, with a beautiful drive, just out of the goalie's reach.

The second half was considerably rougher than the first. Springfield had 2 or 3 chances to score, but each time, their shots were wide. With three minutes of the game remaining, Raynard squared and Yale halfback Ray sued into the goal for another Bantam score. Once received the credit for the goal as the half line led the 2-0.

MacKenzie Stands Out

Trinity continued in dominant form in the third period, and was up 3-0. Carlough had several chances to add to the Bantam lead, but the ball was not of the same efficiency entirely and Art O'Connell and the hard fighting midfielders. He stole a number of passes and in booming kicks kept the visitors in their own 'snet' above.

The second quarter ended with Yale leading 1-0. Carlough, with his best. The Freshman soccer team extended its winning streak to two last Saturday at the expense of Springfield 3-0. Center forward, Doug Raynard, led the team with all three goals. His first two were scored on perfect shots, the ball rolling just past the goalie's fingertips. The third was made on a penalty kick.

Coast Guard Blasts Gridders 25-14: Bantams Held Clearly Outhustled

Mizell of Victor's Scores Pair of T.D.'s

By BILL MCGILL

Bantam hopes for an undefeated season went flying out the window Saturday when they found themselves on the short end of a 25-14 score against New Hampshire. This was the sixth loss in the Bantams' 11-game schedule, and another one that hurt them badly.

Paved by the running of Gay Mizell and the great defensive play of the entire forward wall, the Bantams ran up a 25-0 third quarter lead. It lasted until there were 1:10 left in that period, when Ernie Allen started to the end of the game. From then on to the end of the game, the Bantams dominated, but their rush was too little and too late.

"F" Defense

The Trinity ground attack which had tipped the defenses of the opposition in the first four games was almost completely stifled by the Notice Dame-like "F" defense employed by the Cadets. Only through the air did the Cadets score. But the Cadets' scoring was nothing of note, and when Bob Heil did throw, it was with great success.

Pass Precedes Score

After a fumble stymied their first drive on the 2 yard line, Trinity took the only touch of the ball by the Cadets with a fumble recovery by Bob Hollingsworth to Dick Neill, who set up the Cadet score.

Pace Long Dash

Trinity's 2 yard TD followed shortly when Charley Stieck's punt was blocked, and another 38 yard dash was all that was needed, Missell cracking off tackle and cutting through the Cadets for this second score. The Cadets had converted in the second quarter.

Early in the second quarter, George Birda took a pass from Jim Logan and raced 53 yards for a Bantam score only to have a clipping penalty on Lou Magliner nullify it. Secondly, Logan fumbled and the Cadets recovered.

The third touchdown came after an interception in the waning moments of the half. Hollingsworth snatched across from the 9 yard line.

Two passes good for a total of 40 yards, one to the 4 yard line, and a false start on Bob Hollingsworth's down flag set up the Cadet score. Hollingsworth missed a 1 yard conversion effort, and the Cadets gained 10-0 lead.

Leading seven to nothing at halftime, the Bantams had a chance to grab the high ground for the second half, but Hollingsworth passed to the 1 yard line, and the Bantams had to settle for a 35 yard field goal.

The Cadets had a fumble recovered by Bob Hollingsworth, but the Cadets could do nothing with it. The Bantams then had a fumble of their own which Bob Hollingsworth recovered at the 12 yard line, and the Cadets scored.

Oosting Returns From Japan After Five Week Tour; Hoop Instructions

After three busy weeks in Japan, and three rushed days in Hawaii, Bob Oosting returned to Trinity from his fifteen thousand mile tour, in which he was director of Athletics and Sports Information. A part of the trip was run basketball clinics for the Air Force and Army at Hiroshima and Osaka, where many other activities which kept this party so busy were enjoyed.

Tippy Dye, head coach at the University of Washington, and Bruce Truese, chief mentor at Oklahoma, both accompanied Oosting. Dye's team narrowly won the NCAA Championship last winter.

Korean Vet attends

The group held a 5-day clinic for the Korean (of course) and another one for the Air Force at Tokyo. However, officers attended from all divisions of the Far East Command, including Korea, and Okinawa. The group later ran out with a third school for the Army at Hiroshlma.

Bare Feet, Chop Sticks

The players kept the party on the go between clinics. First a group of universities invited them to a college garden and attended a "banquet." Oosting and the players found the garden party quite unique, sitting, floor eating, chop sticks. Afterwards there were questions which had the players interupted, and many questions were addressed to the visitors. The one asked most often was: "How can we Japanese overcome our lack of physical education?" The answer was: use a full-court or at least a half-court press, and let the way American teams do when they are faced with the same situation.

After seeing a couple of their college games, Oosting reported that the American game is distinctly better than American, but that they played a very poor defensive game.

TV Appearance

Mr. H. L. Doy, Japan's Olympic Tennis Director, then invited the three to go to an experimental television program. The experiment was held in a TV studio. The players were among the first Americans to watch the air in Japan. It worked, and Oosting, who knows about a dozen ways of the language, appeared on TV, speaking Japanese. Only lip reading could be said was worth the price. Oosting visited Clark

Other highlights of the trip, Oosting reported, were a tennis match that with General Clark, at the General's farewell reception; a reception at the Quarterback's Club, at which Oosting ran into several Trinity men, and a large disturbance created when the three walked down an anti-American street inadvertently.

Massachusetts Whips Yearlings 20-7

In 2nd Half Rally: Speed Pays Off

By IRE LASH

The lesson, which Middlebury tried to teach us last week, was thoroughly absorbed by the Bantams on Saturday, when the Cadets were the masters. The contrast of the teams was startlingly thin; this an ever-confident team should not play 11 so that it will have to be an effort of the mind. The hour test, Middlebury gave the Cadets, was won by a big fourth period rally. But Coast Guard did not give them an easy lead, and the usual second-half scoring was not enough to pass the test.

After being far ahead of the game, the Cadets were the masters. But the Cadets were far behind in the third period and the Bantams scored in the fourth.

It happened last year at Wesleyan, and it happened last year at Coast Guard, but it has not occurred here for some time. Fortunately, this is a situation which can be cured overnight. The players must face the fact that the Cadet will be a spirited body. And for this, as the game will be, a spontaneous rally on Friday night would be a great booster.

Dan Jessue has still a number of passes to choose from and the play through the year has been good.

THE TRINITY TRIPOD

Senate Letter . . . (Continued from page 1)

November 4, 1953

4. Infringement on the free time privileges of the Corps.

Student Conduct . . . (Continued from page 1)

This problem would appear to be answered by the decisions rendered in the case of the first three points. Summarizing, the Committee believes that students serving in the Air Force ROTC program are receiving discipline in active military service in such a manner that they may be of maximum assistance to their state as well as other students.

Other Backs

The Committee believes the following:

Student body President Jim Logan is a member of the football team, formerly was president of the Intramural Board, and was vice-president of the class of 1960 during his junior year. He is a member of Modus, the Sophomore Singing Club, and Alpha Chi Eho. MacKenzie, a member of Alpha Delta Phi, formerly was a class officer, and has been a varsity soccer player for the past three years. He is secretary of the IFC, and a member of Modus.

Nakase, Seales

Sun Nakase, who recently returned to school after a two-year hitch in the armed forces, is a member of the football team. Before he entered the military service, he was a member of Modus and the Varsity Tennis Club. Fred Seales is a member of the Sophomore Dining Club, and has held various class officer positions during the past four years. He is a member of Modus, and an affiliate of Alpha Delta Phi.

Mutscheller, Smith

Soccer is a sport that Mutscheller, was named to the All-American team in that sport last year. He is a member of the Sophomore Dining Club, is vice-president of the senior class, and is a member of Alpha Chi Eho. Al Smith, is a member of the varsity football, basketball, and tennis teams, and has worn letters in all three sports. He is also a member of the Sophomore Singing Club, and is president of his fraternity, Alpha Chi Eho.

A member of West Hartford, Lew Taft is a member of the Senate, president of the Brownlow Club, and is the former Newcomer Club. He has served on all three dance committees, and is the present head of the Engineering Society.
