President, Active Alumni Break Ground for New Student Union

Ground was broken for Trinity College’s Student Center to be located south of Hamlin Dining Hall during Parents’ Weekend on Saturday.

The new center will fulfill one of the major goals of the three-year “Program of Progress” which ended June 30. During this campaign the college raised $3,666,381, $91,000 of which was in excess of the stated goal. During the past three years, so that, if there are tenures, it was suggested that groups possibly desiring such gifted young men to get an education in “my opinion the most appropriate way in which Trinity can say “thank you” to this wonderful community around which has been so generously in support of the college.”

Jesters Present “Front Page”

To add to the weekend festivities the Jesters will be reviving Ben Hecht’s and Charles MacArthur’s “Front Page” for the benefit of the visiting young ladies and their escorts.

This is a lively newspaper melodrama of a corrupt Chicago of the twenties. Old hat as this authenticity period piece is, it yet retains more of its original flavor than most of its contemporary imitations. This play acts the authors have crammed all the wit as well as some of the better effects of its time without taking modern note.

Intramural Questioned

Seniors have organized an investigation of the intramural program. He proposed, “The primary function of an intramural system should be to provide opportunities to participate in athletic events to those who are not adept enough to keep on Freshman or Varsity teams, but have a desire to compete in designated sports. The main criticism of the present system is that it forces many who do not particularly want to play in the sports on the athletic field...”

Dowel Breaks Saturday

The annual Dowel Brook Festival will be held on May 1, a weekend during Parents’ Weekend. The festival features activities ranging from “racing trevies” to rock ‘n’ roll. The newly organized Trinity Pipes and Drums are providing the entertainment. Although in their infancy, the Pipes have sung successfully in public on several occasions and should provide a high point to the day. Following two rather crucial athletic events with Amherst Saturday afternoon, the home on Vernon Street will play host to parties ranging from the “racing trevies” to rock ‘n’ roll.

Homecoming Weekend Dance, Amherst Games

Landerman to Play at Sophomore Hop

Starting off Homecoming weekend this year is the annual Soph Hop featuring Paul Landerman and his Dixieland band. Landerman, who has appeared at various Trinity functions in the past few years, is not a flower format will be held Friday from 9:00 P.M. to 1:00 A.M. at the Hartford Club.

The newly organized Trinity Pipes and Drums are providing the entertainment. Although in their infancy, the Pipes have sung successfully in public on several occasions and should supply a high point to the dance. Following two rather crucial athletic events with Amherst Saturday afternoon, the home on Vernon Street will play host to parties ranging from the “racing trevies” to rock ‘n’ roll.

Chapel Sunday

11:00—Holy Communion

11:40—Morning Prayer

Given by the Rev. John Ellis Large ’28

Presentation of ARFOCT wreath for Alumni killed in World War II

5:00—College Vespers

Alumni are cordially invited to the Chapel Homecoming Services

Songers, Bagpipers Entertain Parents

Singers, Bagpipers, and drummers will flock to the campus on November 8-8 to participate in the activities of the annual Homecoming Weekend.

High points of the weekend will be a dinner Friday night, the dedication of the Denove Memorial Clock Tower on Saturday morning, and the varsity football contest between Trinity and Amherst or the clash between the two cornrow teams on Saturday afternoon.

Welcoming the alumni class agents at the Friday night dinner will be Dr. Albert C. Jacobs, president of the college.

Holland Main Speaker

Vice President Holland, the dinner’s main speaker, will discuss the alumni and his importance in the life of the college in a talk which is titled, “Achievements and Challenges.” Mr. Holland will also present the theme of family (an informal banquet which is "Gracious—A Great College.

Mr. Herbert B. Ramsdell, president of this year’s Alumni Fund, will address the alumni concerning the fund’s goal which is $150,000, in a speech titled, "There’s No Compare Like This For Your Alumni.

On Saturday morning, a procession of the faculty and administration will file into the Chapel for an address, to be heard, Dr. Frederick L. Gwynn, président of English and newly appointed department head, deliver an inaugural lecture.

Clock Tower Dedication

Following Dr. Gwynn’s address, the procession, led by the Trinity Pipes, will file to the Denove Memorial Clock Tower where the Rev. Walter H. Gray, Bishop of Connecticut, will dedicate and bless the building.

The alumni and guests will then go to the Field House for a luncheon before the football and soccer games.

President, Active Alumni Break Ground for New Student Union

Ground was broken for Trinity College’s Student Center to be located south of Hamlin Dining Hall during Parents’ Weekend on Saturday.

The new center will fulfill one of the major goals of the three-year “Program of Progress” which ended June 30. During this campaign the college raised $3,666,381, $91,000 of which was in excess of the stated goal. During the past three years, so that, if there are tenures, it was suggested that groups possibly desiring such gifted young men to get an education in “my opinion the most appropriate way in which Trinity can say “thank you” to this wonderful community around which has been so generously in support of the college.”

Selection Committee

Final selections will be made by President Jacobs, assisted by David D. Daniel, Publisher of the Hartford Times; Ostrom Enablers, a life trio of the College and President of the Hartford National Bank and Trust Company; and President of the Hartford industrialist; and Col. John B. Robins, a Life Trustee of the College and Hartford County Courant.

Following that Trinity’s under graduate enrollment has risen by 456 or 82 per cent since 1946, President, Jacobs, President of the college, has indicated that approximately 46 per cent of the college students never attend college because they lack the financial means to do so.

The program offers ten scholarships each year and will begin with the entering class next Fall. Ten awards will be made in each of the following three years, so that, if their expenses are met, forty Card Scholarships at Trinity are available to students who have shown an equity in the college.

Senate Debates Varied Agenda

A number of loose codes were the main topic of discussion was, “Wha’s Who in American Colleges and Universities”. A suggested committee for choosing members of this organization was rejected and suggestions for other methods of selecting will be discussed in committee.

Due to the many clubs with small budgets that would like to give lectures, it was suggested that groups with similar interests could pool resources to obtain better speakers. It was announced that the books, the “Amer. of Messrs. Freud, Jung, et al.” will be available in the college library.

To be devoted to providing opportunities to participate in athletic events to those who do not believe their own boys on the athletic field...”

Due to prohibitive costs involved in parking theirallen field park lot, the project will be abandoned. Students may vote their rights in selecting a site for a stadium.

Intramural Questioned

Need for Scrutiny and Emphases in M.A. Program, Subject of Study

(Editor's note: The Tri-Ad is fortunate in having secured the permission of Reference Librarian George W. Adams and Robert M. Vogel, Dean of Students, to quote from an article in the publication "Trinity College Masters' Topics, 1905-1956," recently compiled by Mr. Adams. The editors feel that Dr. Vogel's pronouncement on the subject, the introduction, with minor omissions and revisions, follows:

When people of the higher standards of living become self-centered, and ungrateful. They seek to preserve their private fortu...
Hartford Area Scholarships

(Continued from page 1)

A brief summary of the college's contributions to the community since 1928 when citizens in the area contributed $150,000 in money and labor to bring the College to its present size.

Many Helpful

Notable among those has been the ocehning of over 1,000 young men toward whom training the college has emphasized an annual budget of $5,000,000.

Active today in the Capital Area are more than 300 doctors, almost 200 lawyers, over 600 businessmen who received their undergraduate degrees at Trinity.

Summary by Beilmejer

Col. John B. Beilmejer, the representative of Trinity's Board of Trustees and host at the dinner, gave

THE DRESS PARADE

In all my years of observing good fashions—and I have rescued many times—I have never seen such novel, such dash, such Je ne sais qu'alas as you can find in the fall of this year! I am particularly enchanted by the new "baby wait" dresses which so many of you girls are favoring this season. How demure you all look in your baby wait! How lovely! How innocent! How colorful when your housemother lifts you up and bops you after dinner!

Another trend that leaves me limp with surprise is the "smoke" dresses. Boldly to dinky little pusses that hold nothing at all! Hurrah for today's sensibly sized bag with plenty of room for your makeup, your pens and pencils, your shelter half, your Sinsky toy, your MG, and your Marboro.

Did I say Marboro? Certainly I said Marboro. What girl can consider herself in the van, in the swim, and in the know, if you will but be my sister cigarette, non-filter Philip Morris, but I can see the girl who wears and burp you after dinner!

There is a newsprint of the American know-how will find an answer. Meanwhile, a temporary measure is available—the reverse wedgie. It three feet off her height.

"H orizontal!" says Lillian. Did I say Lillian? Certainly I said Lillian. Her dress was lifted and she stood there, but it was Rhodell who had the last laugh, for on your date wished to keep his arm around your waist at all times. This will tire him out in fairly short order; therefore you must constantly give him encouragement. Keep looking up at him and fanning your lashes and repeating in awed tones, "How strong you are, Shorty!"

To return to novel fashions, let us now discuss Sweetheart. The popular flat shoe was introduced several years ago when it became obvious that girls were growing taller than boys. For a while the flat shoe kept the arms in a state of uneasy balance, but today they will no longer serve. Now, even in flats, girls are towering over their dates, for the feminine growth rate has continued to rise with disturbing speed. In fact, it is now thought possible that we will see fifteen-foot girls in our lifetime.

But science is working on the problem, and I feel sure Americans, knock 'em flat at that rate. Meanwhile, a temporary measure is available—the reverse wedge.

The reverse wedge is simply a wedge turned around. This tilts the heel back at a 90° degree and eases off three feet off her height. It is, of course, impossible to walk in this position, unless you have learned on your date wishes to keep his arm around your waist at all times. This will tire him out in fairly short order; therefore you must constantly give him encouragement. Keep looking up at him and fanning your lashes and repeating in awed tones, "How strong you are, Shorty!"

Strass Receives RCA Teacher Scholarship

Recipient of the 1959 of America Science Teacher Scholarship at Trinity College for the academic year 1958-59 is Harold E. Strass. Strass is a senior and a dean's list student.

The $800 scholarship was given by R.C.A. to Tristram with the understanding that the selection of a recipient was not be based on the student's academic excellence, but on the basis of his potential in the sciences and the desire to teach mathematics or science at the college level. An additional grant of $500 from R.C.A. to the college will be applied toward faculty salaries and a new science building.

Burton Tiffany Wins American Cyanamid First Annual Grant

A $1,000 grant from the American Cyanamid Company to Trinity College has been awarded to Burton Tiffany, Junior, for the academic year 1958-59. It was announced this week by Dr. R. Smith, chairman of the chemistry department. The first recipient of the grant, Tiffany, has been a Dean's List student, active in the college band, and is a member of the Browncoat Quartet.

One of Twenty

Last Spring when R. E. Fiske, vice president of American Cyanamid, informed the college that it had been selected to receive one of 20 such grants, he asked that the recipient be chosen on the basis of "initiative, resourcefulness, creativity, and leadership which play such an important part in determining the effectiveness of a person in his work." Annual Award

Starting this year the grant will be awarded to a Trinity student annual for a lifetime of achievement in science. Fiske said that the grant program is on a rotating basis to allow many colleges in the country to benefit from the plan. He said that Trinity was selected this year "to represent the College as an educational institution and its distinction in the field of undergraduate training in chemistry."

Arrow cotton Wash-and-Wears earn their way through college

Congratulations to Mr. and Mrs. Evans and to all of you who have discovered the pleasures of Marboro and Marboro's sister cigarette, non-filter Philip Morris, both made by the sponsors of this column.

THE TRINITY TRIPOD

Campus Chest Funds to WUS

Last year Trinity students gave $2,000 to the World University Service through the annual Campus Chest Drive. This year the executive committee has chosen again to give to W.U.S. Our money will go to outfit a student who is currently in Cairo, Egypt, where, at present, facilities are highly inadequate or totally lacking.

Dr. Large received his B.A. degree from Trinity in 1929 and then went on to Columbia where he received an M.A. in education.

The Rev. Dr. Large began his career in the ministry teaching in schools on Long Island and in Midlothian, Delaware. In 1916 he became rector of St. Andrew's parish in Wilmington. From there, he went on to New York City where he took the position of rector of the Church of the Heavenly Rest.

Dr. Large has been active in numerous religious groups including Diocesan Commission of the Episcopal Church and the General Convention where he served as a delegate. At this time he is chairman of The Spiritual Healing Commission of the National Council of Churches of Christ in the U.S.A.

Dr. Large is also the author of "Think on These Things".

By its distribution of books, writing materials, and educational supplies, W.U.S. provides printing equipment, and medical centers. But clothes and blankets are the only ones recognized in time of crisis.

So, when you see that red "W.U.S." on your packages, it is your chance to show your appreciation for the service these organizations provide.
Homecoming Tit Features Amherst Parents’ Day Fiasco

Trinity finally had a close day in which to display the talents of its 1958 football squad, and what a dis­play it was. For the first time all season, more than 4,000 fans watched with unabated interest as the Bantams won the 15-0 victory over the Coast Guard. If the Trinity mercy was a bit harsh, perhaps some of the post-game activity will indicate.

The Trefoil Groom gridiron team outdistanced the Wesleyan Owls in Middle­town, 30-0, for the first victory of the season. Exploding with a 17-0 first half lead, the Owls were crushed convincingly by the Bantams, who held a 10-0 advantage at the end of the opening quarter.

Bantam tailback Harold Anderson, reserve halfback, scored twice against Coast Guard.

All day on his running ability, the halfback led the Owls to a dominating victory.

First Score

A fumble by the Owls opened the first quarter for the Owls. After a 33-yard gain, owl passer Stephen Rabinsen kicked a 36-yard field goal to tie the Owls for the 17-0 lead.

The Owls kicked off to the Owls for the second half, and it was time for the Owls to make up for the Owls' missed opportunity. They dominated the Owls with their passing game, but the Owls would not concede.

Frosh Grid Team Wins First Game Over Wesleyan

He didn’t see her since morning.

The Trinity freshman gridiron team outdistanced the Wesleyan Owls at Middle­town, 30-0, for the first victory of the season. Exploding with a 17-0 first half lead, the Owls were crushed convincingly by the Owls, who held a 10-0 advantage at the end of the opening quarter.

THE TRINITY TRIPOD

Amherst Soccer Team Undefeated 'til Now; Five Wins Recorded

Amherst comes to Trinity this weekend, boasting a 5-0 record. Led by and co-captains Jon Widing, Dave Arlt and Ying Yam, the Jiffs have combined a good offense against a solid defense to achieve their undefeated slate so far.

High scorer for their booters has been Carole Sullivan and Susan Robin-Smith, followed by Peter Van Ten Broeck and Larry Nolan. Although Amherst boasts of its depth, reserve won't be a bigger factor in Saturday's contest. If the Jiffs local match any bench man for man.

In general, the Leavitt's Leaft has registered 31 goals, only seven by opponents. That's a pretty good defense. Goalie Robin Perkins has been the deciding factor here.

Amherst's record so far:
5-0 vs. M.I.T.
10-11 vs. Harvard
10-14 vs. UMass
10-14 vs. Tufts
10-24 vs. Wesleyan
7-3

Trinity has played UMass and Tufts. Victory over the former was by a 8-2 score, the latter, 7-4. The Deluge is scheduled for this weekend.

Local Register 3-4 Victory Over Union

Unbeaten by a long trip, the Trinity Bantams battled to a 3-4 victory over Union in defeating Union 8-0 at Schenectady on Wednesday. Played by Alex Guild's freshman line in the Bantam's backcourt, the Jiffs found little difficulty in solving their opponents. Blue and Gold defenders stopped the home team cold.

Despite a full four quarters, all four quarters, the Trinity attack featured smooth ball handling by the Jiffs. As a result, the Bantams scored two goals for the second Union half. As a result, the Bantams boasted first place in the books, all goals against the Union defense.

Trinity's three goals scored this total of thirteen, beating the Trinity scorer's record. He topped the season performance of Windfield Carough and Doug Raymond, both former All-Americans. Shenz's twin tallies boosts his season total to eight, with three goals left.

The game was played on a wet, windy field and a steady rain falling. As a result, all games were slanted, coy remarks-rolled, and escorts-joined. The Bantams won by a 3-0 score, the Jiffs loss.

With one goal left to play, the game was ended in a relatively short time. Indoor athletes were less demanding than the outdoor type. Opponents are more plant. Social drinks as tohe quarteriga and smoky marijuana as atmospheric builders are conditons for the former sport. Participants in the latter are supposed to limit their liquor consumption to tea and milk.

While the highlight of this week's schedule is program for Friday night, the fall from Lord Jeffland won't be coming on their gaseous buses. While the highlight of this week's schedule is program for Friday night, the fall from Lord Jeffland won't be coming on their gaseous buses.

IM All-Star Teams Picked; League Choices to Clash

BULLETAS for the 1968 intramural football All-Stars were cast this past week. Those teams who didn't show up for more than half of their scheduled games were not polled.

Almost all of these players played more than one position. They were all selected on the basis of their performance and on their overall value to the team.

The TRIPOD staff picked for the first time a Player of the Year and an Outstanding Freshman. The TRIPOD staff picked for the first time a Player of the Year and an Outstanding Freshman. The Outstanding Freshman was Don Woodruff of the Bantams in the American League. The Outstanding Freshman was Don Woodruff of the Bantams in the American League. The Outstanding Freshman was Don Woodruff of the Bantams in the American League.

In addition to the American and National League All-Stars, an All-School team has been chosen for the first time, on the basis of individual votes per man.

The Outstanding Freshman was Don Woodruff of the Bantams in the American League. The Outstanding Freshman was Don Woodruff of the Bantams in the American League. The Outstanding Freshman was Don Woodruff of the Bantams in the American League.

U.S. Cycle

(Continued from page 2)

Now we refuse to recognize Oslo. Not recognizing a problem is not a way of solving it. Last year the story was that we were able to out-negotiate our adversaries, our depression, and laughed at the talk about rockets that too often filters up on the launching platform or shortly disappears. We have been able to change some of that, but not enough to have a real lead. What is the matter with our country? When is our spirit, or are we too soft already? Are we too concerned with producing cars with tremendous size and horsepower, and not concerned enough with the lack of good educational facilities for the really gifted students in our public schools? Perhaps we are.

Children Answer

These questions do not have to be answered now, you or us, as they will be answered by our children and their children. For if we have lost our drive and ability to criticize ourselves objectively in the interest of a better tomorrow, the enemy will exploit these failings. These are basic failings; they should be the strengths from which the country can draw. They are not as simple as a mechanical rocket failure; they are weaknesses that will be used against us. The enemy will exploit these weaknesses to their advantage; we will use them to take place in an atmosphere of confusion and preoccupation.
